BEST IN THE WORLD!

SALERATUS Which is the same thing. Impure Bi-Carb Soda or Saleratum (which is the same thing is of a slightly dirty white color. It may appear white, examined by itself, but a COMPARISON WITH CHURCH & CO'S "ARM AND HAMMER" BRAND will show the difference.

See that your Saleratus and Bakeing Soda is white and PURE, as should be ALL SIMILAR SUBSTANCES used for food. CES used for food.

Househeapers who prefer bread made with yeast, will improve its quality, make it riso better and proventt from souring, by adding one-half-teaspoonful of church & Co. # Soda-or Saleratus. He sur and not use too much. The use of this with sour milk, in preference to Baking Powder, saves twenty times its cest.
