Courses of study prescribed by the State; I. Model School. II. Preparatory. 111. Elementary. IV. Scientitie.

ADJUNCT COURSES: I. Academic. II. Commercial. III.

Music. IV Art The Elementary and Scientific courses are Professional, and students graduating therein receive State Diplomas, conferring the following corresponding degrees: Master of the Ele-

ments and Master of the Sciences. Graduates in the other courses receive Normal Certificates of their attain-

ments signed by the Faculty, The Professional courses are liberal. and are in thoroughness not inferior to

those of our best colleges. The State requires a higher order of citizenship. The times demand it. It is one of the prime objects of this school to help to secure it by furnishing intelligent and efficient teachers for herschools. To this end, it solicits young persons of good abilities and good purposes-those who desire to improve their time and their talents. as students. To all such it promises aid in developing their powers and abundant opportunities for well-paid labor after leaving school.

fine clothes, rich food and style, buy good healthy food, cheaper and better For catalogue and terms address the clothing; get more real and substantial Principal, or the Secretary of the things of life every way, and especially Board
