He would make a good officer. -The "cooler" is well patronized these wet days. One can look out the window any time almost and see Bev. or George "lug in" some one of the "boys." -Vote for Osterhout for Associate Judge, whom we all know to be competent, and would add dignity to the position for which he has been nominated. -Vote for James Penfield for County Treas., he deserves the place to which he aspires, and is in every way competent. As a soldier and a citizen he has proved himself worthy and true. -A. Swartz Ross, Merchant Tailor, has on hand and is constantly receiving the newest, latest and noblest samples of clothing for fall and winter wear. Call and see the large display of samples and leave your orders. -The Republican County ticket from first to last is composed of men whom no one can say a word derogatory to character or fitness for the place. If men of this class were always nominated for office there would be no poor officers. -A truce has been declared in the railroad war, by an agreement that no work is to be done by either side for six months, between Ridgway and Johnsonburg, unless the courts decide in the meantime that one company or the other is entitled to right of way. -For the first time since 1869 the Republicans have carried Ohio the year after a Presidential election. Foster has a larger majority than he had two years ago, while the Legislature is largely Republican. Iowa, too, has given an overwhelming Republican majority. It really doesn't look as though "the Republican party was buried in the grave with Garfield," does it?—Mercer Dispatch.

Gresh has been commissioned by Governor Hoyt a Justice of the Peace for Ridgway Borough. At the election held last spring Jas. D. Fullerton was duly elected to the office and regularly commissioned, but failing to lift his commission within the time fixed by law the place thereby became vacant, whereupon Mr. Gresh received the appointment. -Great praise is due Constables Woodward and Mercer for the very efficient manner in which they discharge the duties of their office. No fighting or disorderly conduct is allowed on our streets, this notwithstanding the fact that an unusually large number of men are in town owing to railroad developments. Ridgway promises to be a lively place next summer when railroad building will be in full blast. Therefore, these officers should be re-elected next spring as they have given evidence of good stewardship. BIRTHS. BOWERS—To Mr. and Mrs. William Bowers, Ridgway township, Oct. 13, 1881, a son. REES—On Saturday, Oct. 15, 1881, to Mr. and Mrs. I. J. Rees, of this Borough a son. DEATHS. HORTON—At Brockport Elk Co., Pa., Oct. 1st, 1881, Wade Burton, infant son W. H. and C. S. Deceased was a son of County Commissioner Michael Weidert, of Jones township, but had lived in Ridgway for some time. A young man of good habits and most genial disposition he won the respect and friendship of all with whom he became acquainted. Sick but a few days his sudden death is a great shock to his near relatives, while his associates mourn with deepest sympathy the loss of a true friend and a worthy companion. May the snows of winter lightly rest on the turf that covers his cheerful heart now hushed forever. -A full line of canned goods at Morgester's. -A large stock of canned corn and tomatoes at Morgester's. -Beans and Pens at Morgester's. -Best refined lard at Morgester's. To all Whom it May Concern: It has been circulated very extensively through town that my wife has been instrumental in directly causing the death of a certain man who was sent to Mrs. Cunningham's house by the Poor Masters about a week ago. As this is unfounded in fact and very detrimental to the character of my wife, I hereby challenge any one for the slightest evidence to corroborate this false and infamous slander. A continuance of this calumny will cause me to bring its circulators to their proper place to show proof for their assertions, and bear the consequences of the crime of slander. BERNARD MULLEN, Ridgway, Pa., Oct. 18, 1881.

War of 1861 to 1865. The Grand Army of the Republic, Post No. 216, of St. Marys, will hold a camp fire on Thursday, the 27th of Oct. 1881. Tents will be pitched at 1:00 P. M., when the long roll will be sounded to assemble for hard tack and bean soup, made by an old soldier. Martial music, such as cheered the boys in blue on to victory in many a hard fought battle, will be interspersed during the day. To conclude with a grand dance in the evening at the armory. A general invitation is cordially extended to all: The proceeds of the entertainment are intended for the purpose of purchasing a large Bible, flag and other necessities for the Post. CAPT. WOODWARD, CHIEF, GIFFORD, SERGT. KRELLNER, } Com. -The Democrats want no slobbering over them because of alleged misfortune on the 11th inst., says the Cincinnati Enquirer. They nearly always come down stairs that way and are used to it. -A member of the New Hampshire legislature denounced a bill that was under discussion as "treacherous as was the stabbing of Caesar by Judas in the Roman capital." -Under an act of assembly school boards are entitled to the sum of \$2 in every case where an arrest is made for drunkenness. With the present large number of arrests for this offense the Ridgway Borough school board will soon have a handsome balance in hand. -Mess Beef, Mess Pork, Hams, Shoulder, and Bologna Sausage at Morgester's. -Dried Sweet Corn, Apple Butter, Jelly in glass milk pitchers at Morgester's. -In our last issue we printed the proceedings of the U. S. Senate, which gave the election of Senator Bayard as President pro tem. Last Thursday the Republicans united on Senator David Davis, when Davis was elected, and Bayard ousted after a short reign of three days. -Bowers keeps Hall's Giant Frame extension table at the West End Store. -If you want a set of springs or any sort or size go to C. Bowers. -The election in Ohio gives the Republicans a United States Senator in place of Mr. Pendleton. -Columbus Tyler, of Somerville, Mass., lately died, leaving property to be invested so as to yield a return sufficient to insure the payment of \$3,500 per year to every Sunday school pupil attending regularly at his church. -The Democrat who was accused to rail at national banks now finds his shout for Noble sticking in his throat. Mr. Noble has long been president of a national bank, and is moreover, up to his neck in corporations. -It looks now to the Milwaukee Sentinel as though President Arthur is to take the position of the head of the Republican party. Under his leadership, Conkling and Blaine may unite as of old in working for the success of the party as it is, and not as Stalwarts or anti-Stalwarts might desire to have it. -The political situation in the State is thus summed up by the Scranton Republican: "The Democrats are demoralized and disorganized, and the Republicans are 'all right up to the present time,' while Mr. Wolfe, who started out to play King Lear, or something equally heavy, finds himself enacting the part of Mrs. Boucquer's 'best boarder' in Box and Cox." -Later returns from Ohio place Governor Foster's majority as high as 20,000. The Republicans have also carried both branches of the Legislature. This will put an end to the Democratic scheme of re-gerrymandering the Congressional districts on the plan of four years ago, and will make the re-districting of the State under the new apportionment devolve upon a Republican Legislature. The Temperance people polled an unusually large vote, which was so much lost to the Republicans, but the Democratic candidate was too far behind to profit by it. Bookwater did not prove a name to conjure with, notwithstanding it was associated with a barrel. Old-school Democrats will not vote for any recent convert from the Republican faith. Democratic Conventions will learn this fact after a few more defeats. Mr. Bookwater deposited his first Democratic ballot last November when he voted for General Hancock. Even in the Greeley campaign, when so many Republicans lost their grip on their party, Mr. Bookwater voted for Grant and Wilson. As a Republican his merits, if he had any, were unrecognized, but as a Democrat, with an open barrel, his fitness for high executive office was immediately perceived by the men who made the nominations. The voters, took a different view of the case, however, and Bookwater may be expected now to drop quickly and permanently out of sight.—Philadelphia Press. -The best preparation known in market for restoring gray hair to its original color is Hall's Vegetable Hair Renewer. A splendid opportunity for some sober, quiet barber. -Samuel Haney, formerly of St. Marys, is now employed by J. H. Steel & Co., as clerk in their mammoth store. -John R. Brennan, Boss driver at the Mines, is lying very ill with typhoid fever at the residence of his sister in this place. -Our hunters are beginning to slay the deer. On Saturday last John Dowle killed two, and on the same day Sam. Easley killed one. -W. H. Smith has been confined to his house for several days with typhoid fever. We understand that he is slowly recovering. -Sam. Hamilton thinks he will quit the coal business and go to "tanning." Reason—he has a heavier outlay for leather than for coal. -Messrs. PHIMROSE. DISGUSTED WITH NOBLE'S EFFICIENCY. EDITOR HERALD: I have always voted the Democratic ticket, and it was my intention to support the Hon. Orange Noble for State Treasurer, but I have become thoroughly disgusted with the men in this county who are conducting Mr. Noble's campaign. Instead of making an open, manly fight, they have rushed into the middle of the road for mud, and for the last week have been throwing it with both hands. Such a campaign I candidly believe will end as it should, in disaster and defeat. I now realize fully that if Noble should carry Erie that it would be a great injury to the Democratic party, as we cannot afford to secure victory for the politicians who are trying to drive our best Democrats out of the party. No, Mr. Editor, I will oppose Orange Noble from this day on, and in doing so believe that I am doing that gentleman good service, for it is generally known that if elected he is not competent to act, and his subordinates might make him no end of trouble. I am sorry that Mr. Noble took the nomination, sorry that my conscience will not allow me to vote for him, and earnestly hope that his bad advisers will receive their just reward—an ignoble defeat.
