Christiana Mills For Sale.

ON Monday the first day of September next at 8 o'clock in the evening, at the Coffee House in the city of Philadelphia, will be sold by public vendue, two tracts or pieces of land situated in White Clay Creek hundred, New Castle county and state of Delaware; one of which contains about sixty acres of highly improved land, on it are a large two story brick dwelling house, a convenient brick barn, with stabling and a carriage house underneath, an excellent kiln for drying corn; and the well known mills called Christiana Mills (late Patterson's) which being at the head of the tide on Christiana river, and but about half a mile from the landing, is conveniently situated for carrying the articles manufactured at the mills by water to Philadelphia—This property being close to the road leading from Elkton to Christiana bridge, and at the head of the tide, with many other attendant advantages, render its situation for the milling business to very valuable, as to be equalled by few and excelled by none.

The latter tract containing 175 acres, is about one mile from the mills and is chiefly woodland, which being contiguous to water carriage to the city of Philadelphia, must be of increasing value, especially as there is a quantity of large timber in said tract suitable for the purposes of the mills.

The terms upon which the above mentioned estates will be sold are—one thousand pounds to be paid on executing the deeds, and seven hundred and fifty pounds per annum, with interest for the remainder, or proportionably for each part.

Indisputable titles will be made for the property, by

JOHN NIXON,
ALEX. FOSTER,
GEO. LATIMER.

to inform his subscribers and the public in
general, that the plate is now under the
hands of the engraver, and in greater for-

the same time he begs leave to remind
them, that subscription papers are still o-
pen at most of the noted book-stores in the
city; and that he hopes from the whole
of them to be enabled to form such a re-
spectable catalogue of names, as will do a
credit to the work, as well as afford a
reasonable encouragement to the under-
taker.

dly addressed to the Commissioners for the
City of Washington.

Persons concerned are hereby informed,
that all such should be addressed either to
W. Deakins jun. of Washington, or to the

For the Lottery No. 2, the securities al-
