### Christiana Mills

For Sale.

ON Monday the first day of September next at 8 o'clock in the evening, at the Coffee House in the city of Philadelphia, will be sold by public vendue, two tracts or pieces of land situated in White Clay Creek hundred, New Castle county and State of Delaware; one of which contains about sixty acres of highly improved land, on it are a large two story brick dwelling house, a convenient brick barn, with stabling and a carriage house underneath, an excellent kiln for drying corn; and the well known mills called Christiana Mills (late Paterfons) which being at the head of the tide on Christiana river, and but about half a mile from the landing, is conveniently situated for carrying the articles manufactured at the mills by water to Philadelphia—This property being close to the road leading from Elkton to Christiana bridge, and at the head of the tide, with many other attendant advantages, render its situation for the milling business to very valuable, as to be equalled by few and excelled by none.

The latter tract containing 175 acres, is about one mile from the mills and is chiefly woodland, which being contiguous to water carriage to the city of Philadelphia, must be of increasing value, especially as there is a quantity of large timber in said tract suitable for the purposes of the mills.

The terms upon which the above mentioned estates will be sold are—one thousand pounds to be paid on executing the deeds, and seven hundred and fifty pounds per annum, with interest for the remainder or proportionably for each part.

Indisputable titles will be made for the property, by

JOHN NIXON, ALEX. FOSTER, GEO. LATIMER.

At same time and place will be sold a large BOAT,

LETTERS on the subject of the Washington Lottery, being by mistake repeatedly addressed to the Commissioners for the City of Washington.

Persons concerned are hereby informed, that all such should be addressed either to W. Deakins jun. of Washington, or to the Subscriber. The commissioners never having contemplated any further concern in this business, than in their assent to receive the bonds and approve the names of the managers. The prizes have been paid and are paying on demand by W. Deakins, Washington, Peter Gilman, Boston, and by the Subscriber.

For the Lottery No. 2, the securities already given will be retained by the commissioners, or transferred by them at their option to the bank of Columbia; and the commissioners will be consulted respecting a judicious and equitable disposition of the houses to be built thereby; their treasury or the bank of Columbia will receive the money intended for the National University, and they will be consulted in the nomination of the 24 managers; but all the responsibility respecting the general disposition of the tickets, and payment of prizes, will rest as in the Hotel Lottery, on the persons whose names are and may be hereafter published as assistants to forward this business with

S. BLODGET.

N. B. Mr. Blodget will be particularly obliged if those persons who possess prizes yet unpaid, will apply for their money as early as possible.
