### A New Novel.

To the LADIES of Philadelphia.  
This Day is Published by  
**MATHEW CAREY,**  
118, Market Street,  
Charlotte, a Tale of Truth,  
IN TWO VOLUMES.

Mrs. ROWSON, of the New Theatre,  
Philadelphia, Author of Victoria, the In-  
quitor, the Fille de Chambre, &c.  
Of Charlotte, the Reviewers have  
given the following character.

IT may be a Tale of Truth, for it is  
so natural, and it is a tale of real dis-  
tress. Charlotte, by the artifice of a teach-  
er, recommended to a school, from him-  
self rather than a conviction of her inter-  
ests, or the regularity of her former con-  
duct, is enticed from her governess, and ac-  
companies a young officer to America—the  
marriage ceremony, if not forgotten,  
polluted, and Charlotte dies a martyr  
to the inconsistency of the over, and teach-  
er of his friend. The situations are art-  
ful and affecting—the descriptions natu-  
ral and pathetic; we should feel for Char-  
lotte if such a person ever existed, who  
one error scarcely, perhaps, deserved  
severe a punishment. If it is a fic-  
tion, poetic justice is not, we think, pro-  
perly distributed.

Said Carey has just published,

Improved.

THE subscription for this work on the  
original terms, of twelve dollars and the  
binding, will be closed this day—and on  
Monday the subscription will open at four-  
teen dollars, exclusive of the price of bind-

cut, Rhode-Island, Vermont, New York,

yland, Virginia, Kentucky, North Caro-  
lina, the Genesee Government, South Caro-  
lina, and Georgia. These maps have never  
been given in any former system of  
Geography, and it is hoped, would alone  
be sufficient to entitle this work to a pre-  
ference to any other edition of Guthrie.

N. B. The map of the United States,  
which is compiling by Mr. Samuel Lewis,  
from the respective state maps, will be far  
more complete than any yet published,

ture, arts, and sciences.

It is wholly unnecessary to expatiate on  
the advantage, to American readers, that  
this edition possesses, over every imported  
edition of any system of Geography extant.

The addition of maps of the several states,  
procured at a very great expense, and from  
the best materials that are attainable,  
speaks such full conviction on this subject,  
that it would be disrespectful to the read-  
er's understanding to suppose it requisite  
to enter into a detail of arguments to  
prove its superiority. In no similar work  
have such maps been ever introduced.

The emendations and additions which  
are made in this work, are innumerable, and  
occur in every page. The public are re-  
ferred to the preface for a slight sketch  
of a few of them.

The publisher takes the present oppor-  
tunity of returning his most sincere thanks  
to those respectable characters who have  
favored him with documents for improv-  
ing the maps of several of the states. He

requests a continuance of their kindness;  
and hopes that such public spirited citizens,  
as are possessed of similar documents, will  
favor him with their assistance in perfect-  
ing his undertaking.

The extraordinary encouragement with  
which he has been favored, has excited in  
his breast the warmest sentiments of grati-  
tude—sentiments which time will not ef-  
face. He pledges himself to the citizens  
of the United States, to spare neither pains  
nor expense to render the present edition  
of Guthrie's Geography improved, deferv-  
ing of their patronage. waitf

### Christiana Mills

For Sale.

ON Monday the first day of September  
next at 8 o'clock in the evening, at the  
Coffee House in the city of Philadelphia  
will be sold by public vendue, two tract  
or pieces of land situated in White Clay  
Creek hundred, New Castle county and state  
of Delaware; one of which contains about  
sixty acres of highly improved land, on it  
is a large two story brick dwelling house,  
a co venient brick barn, with stabling, a  
carriage house underneath, an excellent  
kiln for drying corn; and the well known  
mills called Christiana Mills (late Pater-  
son's) which being at the head of the tide  
on Christiana river, and but about half a  
mile from the landing, is conveniently situ-  
ated for carrying the articles manufactured  
at the mill to Philadelphia.—This  
property being close to the road leading  
from Elkin to Christiana bridge, and at  
the head of the tide, with many other  
attendant advantages, render its situation for  
the milling business to very valuable, as to  
be equalled by few and excelled by none.

The latter tract containing 175 acres, is  
about one mile from the mills and is chief-  
ly woodland, which being contiguous to  
water carriage to the city of Philadelphia,  
must be of increasing value, especially as  
there is a quantity of large timber in said  
tract suitable for the purposes of the  
mills.

The terms upon which the above men-  
tioned estate will be sold are—one thou-  
sand pounds to be paid on executing the  
deeds, and even hundred and fifty pounds  
per annum, with interest for the remainder  
or proportionately for each part.

Indubitable titles will be made for the  
property, by

JOHN NIXON,

Richard Johns } In the Chancery Court  
John Wells and } of the  
Mordecai Cole. } State of Maryland,  
May 26th 1794.

### The Complainant hath fil-

ed his bill, for the purpose of obtaining a  
decree, to vest in him a complete legal title  
to two tracts of land, lying in Baltimore  
county, one called Painters-Level, con-  
taining 100 acres, the other called Prospect  
containing 135 acres. He states, that the said  
John Wells on the 16th day of March 1774  
contracted to sell the said land to the said  
Mordecai Cole, &c. executed to him a bond for  
conveyance, that the said Cole, on the same  
day, executed to the said Wells a bond for  
the payment of the purchase money amount-  
ing to £675 Pennsylvania currency, that  
the said Cole hath since discharged the whole  
of the purchase money, and hath assigned  
to the complainant the said bond for con-  
veyance; that the said Wells hath never  
executed a deed, agreeably to his contract  
but hath removed out of the state of Mary-  
land, and now resides in the state of Ken-  
tucky.

It is thereupon, and at the request of the  
complainant, adjudged, and ordered, that  
he procure a copy of this order to be infer-  
ted at least six weeks successively, before  
the first day of August next, in the United  
States Gazette at Philadelphia, to the in-  
tent, that the said John Wells may have no-  
tice of the complainant's application to  
this court, and may be warned to appear  
here, on or before the first Tuesday in Oc-  
tober next, to shew cause wherefore this  
court should not proceed to decree, agree-  
ably to the prayer of the complainant, and  
to the act of assembly, for such cases made  
and provided.

### The First American Edition.

THE grand principle of Equality, if  
rightly understood, is the only basis  
on which universal justice, sacred order,  
and permanent felicity, can be firmly built,  
and permanently secured. The view of  
it exhibited in this essay, at the same time  
that it repels the insolence of office,  
the tyranny of pride, and the outrages of  
oppression; confirms, in the most forcible  
manner, the necessity of subordination,  
and the just demands of lawful authority.  
So far indeed, from loosening the bands  
of society, that it maintains inviolate, ev-  
ery natural and every civil distinction,  
draws more closely every social tie, unites  
in one harmonious and justly proportioned  
system, and brings men together on the  
even ground of the inherent rights of hu-  
man nature, of reciprocal obligation, and  
of a common relation to the community.

### The Public are cautioned to

beware of counterfeited Five Dollar Bills  
of the Bank of the United States, and  
Twenty Dollar Bills of the Bank of North  
America, several of which have appeared  
in circulation within a few days past; they  
are good general imitations of the genuine  
Bills, but may be distinguished by the fol-  
lowing

### MARKS.

Five Dollar Bills of the Bank of the  
United States.

ALL that have appeared have the letter  
F. for their Alphabetical Mark.

The Texture of the Paper is thicker and  
whiter and it takes the ink more freely  
than the genuine paper.

The O. in the word Company is smaller  
than the M. and other letters of that word,  
so that a line extended from the top of the  
O, to touch the top of the M. would extend  
considerably above the range of the whole  
word.

In the word United the letters are nar-  
rower and closer together than the rest of  
the bill.

The i and f in the word promise are not  
parallel, the i inclining much more forward  
than the f.

The engraving is badly executed, the  
strokes of all the Letters are stronger and  
the device in the margin particularly is much  
coarser and appears darker than in the true  
bills. Some of the counterfeits bear date in  
1791—Whereas the Bank was not in opera-  
tion till December, and no five dollar bills  
were issued in that year.

Twenty Dollar Bills of the Bank of North  
America.

ALL that have appeared have the letter  
B. for their alphabetical mark.

They are printed on a paper nearly simi-  
lar to that of the counterfeit Five Dollar  
Notes above described; the engraving is  
better executed, and they approach nearer  
to the appearance of the genuine bills.

The fine ruled lines through the word  
Twenty, in the body of the bill, are in num-  
ber thirteen in the genuine bills, and but  
twelve in the counterfeits.

The word Company is much like the same  
word in the Five Dollar Bills as described  
above, the o being less than the m, and o-  
therwise following.

There is no stroke to the t in the word  
North whereas in the genuine bills the stroke  
is well defined.

The letters ent in the word Twenty, to  
the left hand at the bottom, do not come  
down to the line, but are so cut as to give  
an irregular appearance to the word, the  
Tu and the y going below them.

The signature J. Nixon, has the appear-  
ance of being written with lamm-black and  
oil, and differs from other inks used in  
printing the bills and the cashier's signa-  
ture.

It is supposed these forgeries were commit-  
ted in some of the Southern States, as all  
the counterfeits that have appeared, have come  
from thence, and two persons have been ap-  
prehended in Virginia, on suspicion of being  
the authors of them.

The reward of ONE THOUSAND DOL-  
LARS will be paid to any Person or Persons  
who shall discover and procure to convic-  
tion the several offenders of the following  
descriptions, or any of them, viz.

The person or persons, who manufac-  
tured the paper on which the Bills are printed.

The person or persons, who engraved the  
plates.

The printer or printers, of the bills.

Every person who has acted as a principal  
in any other way in the counterfeiting and  
uttering the said bills.

Philadelphia, March 28, 1794.

### Other counterfeit bills

of the Bank of the United States have ap-  
peared in circulation.

The denomination is of TWENTY  
DOLLARS, and the alphabetical mark is  
the letter B.

They may be distinguished from the ge-  
nuine by the following MARKS:

The paper of the counterfeits is of a  
more tender texture and glossier surface  
than the genuine, and there is no water  
mark in them.

The letter C. in the word Cashier, in  
the true bills is strongly marked, whereas  
in the counterfeits, the whole letter is a  
fine hair stroke, evidently in an unfinished  
state. The letter a in the word demand,  
is badly formed and the whole word ill done  
and there is no comma at the end of it, as  
there is in the genuine bills.

The marginal device, is much darker  
in the false, than in the genuine bills ow-  
ing to the shade strokes being coarser, much  
nearer together, and consequently much  
more numerous. This difference strikes the  
eye at first view.

The same reward of ONE THOUS
