## GUTHRIE'S GEOGRAPHY Improved.

THE subscription for this work on the original terms, of twelve dollars and the binding, will be closed this day—and on Monday the subscription will open at four-teen dollars, exclusive of the price of bind-

The new maps added to this edition are The new maps added to this edition are twenty one; among which are those of New-Hampshire, Massachusetts, Connecticut, Rhode Island, Vermont, New York, New Jersey, Penniylvania, Delaware, Maryland, Virginia, Kentneky, North Carolina, the Genesse Government, South Carolina, and Georgia. These maps liave never been given in any forther Tystem o. Geography, and, it is hoped, would along be sufficient to entitle this work to a preference to any other edition of Guthrie.

N. B. The map of the United States, which is compiling by Mr. S. muel Lewis, from the respective state maps, will be far more complete than any one yet published, and be printed on two large sheets of paper, nearly the size of the late Mr. Mitray's map.

The following fection

of the law for establishing an Health-Office, &c. passed the last session of the Legislature, is re-published for the information of all

Wm. ALLEN, Health-Officers for the port of Philadelphia, No. 21, Key's alley. Sec. 7. AND be it further enacted by the anthority alorefaid, That every malter or captain of any five or veifel coming from be wond the fea (veifels actually employed in the coating trade of the United States excepted) and bound to any port or place within the jurifiction of Pennsylvania, thall cause his thip or veifel to be brought to anchor, or otherwise stayed in the stream of the river Delaware; opposite to the health-office on State-illand aforefast, and there to remain until he shall have duly obtained a certificate or bill of incasth from the resident physician, in the manner and upon the terms nerein before directed; and if, previously to obtaining such certificate or bill of health, any master or captain shall suffer his ship or vessel to approach neaver than the said health-office to the city of Philadelphia, or shall land, or cause or luster to be landed, or brought on should be any port or place within this commonwealth, any person or persons, or any goods, wares or merchandize; or if after receiving such certificate or bill of health, see with the intent to be conveyed into this commonwealth, any person or persons, or any goods, wares or merchandize; or if after receiving such certificate or bill of health, see that neglect or resule to deliver the same to the health-officer agreeably to the directions of this act, such master or captain shall forfeit and pay, for each and every such offence, the sum of sive hundred dollars to be recovered and appropriated as hereinaster provided and directed, and the captain or master of each and every ship or vessel, as soon as the same to thin the second of his ship or vessel, and second of his ship or vessel, and second of his official examination; and while he is making such examination; and while he send and every pa as the cafe may be, each and every part of the hip or welfel, and shall present to his view each and every person on board thereof, and shall also stie and satisfactory answers make to all such questions as the resident physician at the time of examination, or the health officer at the time of delivering the certificate, or bit of health, in the city of Philadelphia, or bil of health, in the city of Philadelphia, or at the time of examination to be had by the health officer together, with the confulting physician shall-she relative to the health of any port or place from which the ship or vessel failed, or has since touched at, the number of persons on board when the ship or vessel shat have since been lauded or taken on board, and when or where respectively, what persons on board, if any have been during the voyage, or shall at any time of examination, be insected with any pessions or board, if any died during the voyage, and of what disease, and what is the present state and condition of the persons on board with respect to their health and diseases; and if any captain or master of any ship or vessel shall result to the search and examination of the resident physician, or of the health-officer and consists. the fearch and examination of the refident phylician, or of the health-officer and confinit-ing phylician, as the cafe may be; or if, hav-ing on board his fhip or velfel any fuch per-fon or perfons, he shall conceal the fame, or if in any manuer whatforever he shall knowingly deceive or attempt to deceive the prope officers aforefaid in his answers to their office officers aforefaid in his answers to their official enquiries. Such captain or master, for each and every such offence, thall forfeit and pay the fum of five hundred dollars, to be recovered and appropriated as hereinaster provided and directed; and wherever the resident physician, or consulting physician, as the case may be, shall direct any person or persons, or any goods, wares or merchandize to be landed at the health-office, or any ship or vessel to be detained opposite thereto, and and there to be simoaked, cleansed and purified, the captain of the ship or vessel shall at the proper cost and charge of his cumployers carry the same into effect within such eastonable time as the resident physician, or consulting physician, as the case may be, shall allow and prescribe; and if any master or apptain shall resulte or neglect to conform to these said directions, and to carry the same into effect as a soresaid, according to the respective objects thereof, he shall forseit and pay the sum of five hundred dollars for each and every offence, to be recovered and appropriated as is hereinaster provided and directed.

5. Should any copies remain for sale after the completion of the work, they will be fold at sixteen dollars, and the price of binding.

. The names of the fubfcribers will be published as patrons of American litera-ture, arts, and feiences.

It is wholly unnecessary to expatiate on the advantage, to American readers, that is edition possesses, over every imported edition of any system of Geography extant The addittion of maps of the several testas procured a very great expense, and from the best materials that are attainable fpeaks such full conviction on this subject that it would be disrespect to the read er's understanding to suppose it requisite to enter into a detail of arguments to prove its superiority. In no similar work have such maps been ever introduced.

The emendations and additions which

The entendations and additions which are made in this work, are immunerable, and occur in every page. The public are referred to the preface for a flight fketch of a few of them.

The publisher takes the present opportunity of returning his most sincere thanks to those respectable characters who have favored him with documents for improving the mans of several of the states. He ing the maps of feveral of the states He

requests a continuance of their kindness; and hopes that 'uch public spirited citizens, as are possessed of similar documents, will favor him with their affistance in perfect.

The extraordinary encouragement with which he has been favored, has excited in his breaft the warmest sentiments of gratitude—sentiments which time will not estace. He pledges himself to the citizens of the United States, to spare neither pains nor expense to render the present edition of Guthric's Geography improved, deserving of their patronage. ng his undertaking.

AN ESSAY ON THE Natural Equality of Men, On the Rights that result from it, and on the Duties which it imposes.

To which a MEDAL was adjudged, by the Teylerian Society at Haarlem. Correded and Enlarged. by WILLIAM LAWRENCE BROWN,

D. D.

Professor of Moral Philosophy, and the
Law of Nature, and of Ecclesiastical
History; and Minister of the English
Church at Utrecht.

Aliquid semper ad communem utilitatem afferendum. Cicero.

Aliquid femper ad communem utilitatem afferendum. Crearo.

The First American Edition.

THEgrand principle of Equality, if rightly understood, is the only bass on which universal justice, facred order, and perfect freedom, can be firmly built, and permanently secured. The view of it exhibited in this essay, at the same time that it represes the insolence of office, the tyranny of pride, and the outrages of that it represes the informer of anter, the tyranny of pride, and the outrages of opprefilm; confirms, in the most forcible manner, the necessity of subordination, and the just destands of lawful authority. So far indeed, from loofening the bands of fociety, that it maintains inviolate, every natural and every civil diffinction, draws more elo'ely every focial tie, unites in one harmosious and juffly proportioned lyftem, and brings men together on the even ground of the inherent rights of buman naure, of reciprocal obligation, and f a common relation to the community.

## One thousand Dollars REWARD.

Some few Counterfeit Post-Notes of the Bank of Maryland, having been lately discovered in circulation, and on tracing the fame were found to come from the back parts of Virginia, where they probably first issued; to avoid imposition it is thought necessary to give the following description of them, by which they may readily be detected.

They have the letter D. for their alphabetical mark, at the left band side of the Note.

The paper on which they are primed is

The paper on which they are printed is nore foltand tender, the fluckes of the letters,

more lott and tender, the flinkers of the letters, in the engraving are in general fironger, and have a darker appearance than in the bills.

The figurature William Patterson, is badly done, the flirokes of the letters, are fliff and labored, and appear to be painted over with the pen, as well as the flourishing of the name.

The value is left blank in the engraving, to

be filled up in wruing, fo the fum may be more or lets at pleafure.

No true Post-Notes of the alphabetical mark, above deferibed, have been lately iffeed, and very few are in win circulation.

The above reward of One Thouland dollars will be paid to any person, or persons, who shall discover, or prosecute to conviction, the several offenders, or any of them, of the

oflowing defeription, viz. The person or persons, who engraved the

The printer, or printers of the faid bills.
Every person who has afted as principal in any way in the counterfeiring and attering he said bills.

WILLIAM PATTERSON. Prefident, of the Bank of Maryland.

Bme, April 8, 1794.

FOR SALE, BY MATHEW CAREY, No. 118, Market-Street,

An Essay on Slavery,

Defigned to exhibit in a new point of view its effects on morals, industry, and the peace of fociety. Some lacts and calculations are offered to prove the labor of freemen to be much more productive than that of slaves; that countries are rich, powerful and happy, in proportion as the laboring people enjoy the fruits of their own labor; and hence the necessary conclusion, that slavery is impolitical well as unjust.

Paice 25 Cents.

Echiuary 15.

February 15.

THE office of the Prefident and Director, of the Insurance Company of North America, is removed to No. 107, South Front fireet, being the fouth east corner of Front and Walnut freets.

The Public are cautioned to beware of counterfeited Five Dollar Bills of the Bank of the United States, and Twenty Dollar Bills of the Bank of North America, several of which have appeared in irrulation within a few days pass; they are good general imitation of the genuine Bills, but may be distinguished by the fol-

MARKS.

Five Dollar Bills of the Bank of the United States.

ALL that have appeared have the letter F. for their Alphabetical Mark. The Texture of the Paper is thicker and whiter and it takes the ink more freely

than the genuine paper.

The O. in the word Company is smaller than the M. and other letters of that word, fo that a line extended from the top of the O, to touch the top of the M. would extend confiderably above the range of the whole

In the word United the letters are nar-

The i and f in the word promise are not parallel, the finclining much more forward than the i.

The engraving is badly executed, the ftrokes of all the Letters are ftronger and the device in themacgic particularly is much coaster and appears darker than in the true bills. Some of the counterforts bear date in 1791-Whereas the Bank was not in operation till December, and no five dollar bills were issued in that year. Towenty Dollar Bills of the Bank of North

America.

ALL that have appeared have the letter B. for their alphabetical mark.

They are printed on a paper nearly finitar to that of the counterfait Five Dollar Notes above deferibed; the engraving is hitter executed. better executed, and they approach nearer to the appearance of the genuine bills. The fine ruled lines through the word-

Twenty, in the body of the bill, are in num ber th reeen in the genuine bills, and but

The word Company is much like the same word in the Five Bollar Bills as described above, the obeing less than the m, and others following.

There is no stroke to the t in the word North whereas in the gennine bills the stroke is well defined.

s well defined.

The letters cht in the word Twenty, to the left hand at the bottom, do not come down to the line; but are fo cut as to give an irregular appearance to the word, the Tw and the y going below them.

The fignature 1. Nixon, has the appearance of being written with lamb-black and oil, and differs from other take used in printing the bills and the cashier's signature.

It is supposed these forgeries were committed in some of the Southern States, as all the counterfeits that have appeared, have come from thence, and two persons have been ap-prehended in Virginia, on suspicion of being

he author of item. The reward of ONE THOUSAND DOL. LARS will be paid to any Person or Persons who shall discover and prosecute to conviction the several offenders of the following

deferitions or any of them, viz.

The person or persons, who manufactured the paper on which the Bills are printed.

The person or persons, who engraved the The printer or printers, of the bills.

Every person who has acted as a principal in any other way, in the counterfeiting, and attering the said bills. Philadelphia, March 28, 1794
April 22, 1794

Other counterfeit bills of the Bank of the United States have ap-

peared in circulation.

The denomination is of TWENTY DOLLARS, and the alphabetical mark is

They may be diffinguished from the genuine by the following MARKS:

The paper of the counterfeits is of a first counterfeits. more tender texture and gloffer furface

than the genuine, and there is no water mark in them. The letter C. in the word Cashier, in he true bills is frongly marked, wherem in the counterfeits, the whole letter is a fine hair froke, evidently in an unfinished state. The letter a in the word demand, is badly sormed and the whole word ill done

and there is no comma at theend of it, as there is in the genuine bills. The marginal device, is much darket in the falle, than in the genuine bills owing to the shade strokes being coarse, much nearer together, and consequently much more numerous. This difference strikes the eye at first view.

eye at first view. The fame reward of ONE THOUS NI DOLLARS, will be paid for apprehending the profecuting to conviction the fever above described Offenders in respect to this

as to the last described bills.
THOMAS WILLING, Presiden of the Bank United States.

JOHN NIXON, Prefident of the
Bank of North America.

By order of the Committees of the Ref pective Boards.
