**GUTHRIE'S GEOGRAPHY**  
Improved.

THE subscription for this work on the  
original terms, of twelve dollars and the  
binding, will be closed this day—and on  
Monday the subscription will open at four-  
teen dollars, exclusive of the price of bind-  
ing.

The new maps added to this edition are  
twenty one; among which are those of  
New-Hampshire, Massachusetts, Connecti-  
cut, Rhode-Island, Vermont, New York,  
New Jersey, Pennsylvania, Delaware, Ma-  
ryland, Virginia, Kentucky, North Caro-  
lina, the Genesee Government, South Car-  
olina, and Georgia. These maps have ne-  
ver been given in any former system of  
Geography; and, it is hoped, would alone  
be sufficient to entitle this work to a pre-  
ference to any other edition of Guthrie.  
N. B. The map of the United States,  
which is compiled by Mr. Samuel Lewis,  
from the respective state maps, will be far  
more complete than any one yet published,  
and be printed on two large sheets of  
paper, nearly the size of the late Mr. Mur-  
ray's map.

THE Directors of the Society for establish-  
ing Useful Manufactures, having resolved  
to erect LOTTERIES for raising ONE  
HUNDRED THOUSAND DOLLARS, agreeably

New-Jersey, have appointed the following  
persons to superintend and direct the draw-

**FOR SALE,**  
the following  
**Tracts of Land,**  
in Virginia.

ONE Tract in Frederick county, contain-  
ing 8730 acres, being part of that whereon  
col. Thomas Bryan Martin now resides,  
known by the name of Greenway court, a  
bout 14 miles from Winchester and 5 from  
Newtown. For the convenience of par-  
chasers, it will be divided into parcels of  
various dimensions from 200 to 600 acres,  
which may be viewed by application to col.  
R. K. Meade, living near the premises—  
The greater part is very fertile and well  
timbered.

Another tract in the same county on  
Patterson creek, containing 230 acres, and  
adjoining Jacob Levingoods.

Another tract in Hampshire county, con-  
taining 1699 acres, called Slip  
Barton, situate on both sides of the South  
Branch and within two miles of the mouth  
of it, and is supposed to have a good mill-  
seat.

Another tract in Hampshire county or  
New Creek and Kettle-Lick, containing  
501 acres.

Another tract in Prince William county  
called Leesylvania, containing upwards of  
2000 acres, lying upon Potomack river, a  
bout 23 miles below Alexandria, and 28  
below the City of Washington, compre-  
hending Firestone Point, which appears to  
be a quarry of free-stone, covering about  
50 acres and adjoins the river, where ves-  
sels of 100 tons conveniently harbour. On  
another part of this tract it is supposed there  
is a quarry of slate, convenient to water  
carriage. Upwards of two thirds are in  
woods. Mr. Enoch S. Lane, living on the  
premises, will show this tract.

Another tract, in Fairfax county, called  
Springfield, containing 2040 1-2 acres, a-  
bout 13 miles from Alexandria and 10 from  
Washington; abounds with fine springs and  
meadow ground, and may be seen by apply-  
ing to Mr. John Wood, living on part of it.

Another tract in Fairfax county, con-  
taining 392 acres, on Turkey-cock Run, a-  
bout 6 miles from Alexandria.

Another tract in Fairfax county, contain-  
ing about 176 acres, adjoining Mr. J. Wat-  
son's seat, about four miles from Alexan-  
dria.

Another tract, in Fairfax county, con-  
taining 513 acres, near Occoquan, joining  
Mr. Edward Washington's.

Another tract, in Fairfax county, con-  
taining 80 acres or thereabout, within 1  
mile of Pohick Landing, and within five  
miles of Mount Vernon, lies level, and is  
well timbered.

An undivided moiety in another tract,  
containing about 284 acres, in Fairfax  
county, about 5 miles from Washington, &  
9 from Alexandria, where J. Robinson for-  
merly lived.

Another parcel of land, within a mile  
of Alexandria, containing about 24 acres,  
and to be sold in acre or half-acre lots.

Also, sundry unimproved lots of various  
sizes, in different parts of the town of Alex-  
andria.

To describe the premises more particu-  
larly is deemed unnecessary, as it is ex-  
pected every person will examine and view  
whatever part he shall be inclined to buy.  
My only object being to raise a certain sum  
of money, by selling so many or such part  
of the aforesaid tracts of land and lots as  
shall be necessary for that purpose, one half  
of the purchase money must be paid at the  
time of contract, and the other within a  
year from the first day of August next, and  
at the time of delivering possession or ex-  
ecuting a legal conveyance. The lands re-  
maining unsold, except the tract in Prince  
William, after raising a limited sum, will  
be divided into tenements, and leased for  
a term of years. From the 12th day of Oc-  
tober next, till the 15th of December, I  
shall be in the city of Richmond, and after  
that time I shall remain at home, in Alex-  
andria, at which places, or elsewhere, I  
shall be prepared to detail particulars, and  
to enter into contracts.

**One thousand Dollars**  
**REWARD.**

Some few Counterfeit Post-Notes of the  
Bank of Maryland, having been lately dis-  
covered in circulation, and on tracing the same  
were found to come from the back parts of  
Virginia, where they probably first issued; to  
avoid imposition it is thought necessary to  
give the following description of them, by  
which they may readily be detected.

They have the letter D, for their alphabeti-  
cal mark, at the left hand side of the Note.  
The paper on which they are printed is  
more soft and tender, the strokes of the letters,  
in the engraving are in general stronger, and  
have a darker appearance than in the bills.

The signature William Patterson, is badly  
labored, and appear to be painted over with  
the pen, as well as the flourishing of the name.  
The value is left blank in the engraving, to  
be filled up in writing, so the sum may be  
more or less at pleasure.

No true Post-Notes of the alphabetical  
mark, above described, have been lately is-  
sued, and very few are now in circulation.  
The above reward of One Thousand dol-  
lars will be paid to any person, or persons,  
who shall discover, or procure to conviction,  
the several offenders, or any of them, of the  
following description, viz.

The person or persons, who engraved the  
late.

The printer, or printers of the said bills.  
Every person who has acted as principal in  
any way in the counterfeiting and uttering  
said bills.

The Public are cautioned to  
be aware of counterfeited Five Dollar Bills  
of the Bank of the United States, and  
Twenty Dollar Bills of the Bank of North  
America, several of which have appeared  
in circulation within a few days past; they  
are good general imitations of the genuine  
bills, but may be distinguished by the fol-  
lowing

**MARKS.**

Five Dollar Bills of the Bank of the  
United States.

ALL that have appeared have the letter  
F. for their Alphabetical Mark.

The Texture of the Paper is thicker and  
whiter and it takes the ink more freely  
than the genuine paper.

The O. in the word Company is smaller  
than the M. and other letters of that word  
so that a line extended from the top of the  
O, to touch the top of the M. would extend  
considerably above the range of the whole  
word.

In the word United the letters are nar-  
rower and closer together than the rest of  
the bill.

The i and f in the word promise are not  
parallel, the i inclining much more forward  
than the i.

The engraving is badly executed, the  
strokes of all the Letters are stronger and  
the device in the margin particularly is much  
coarser and appears darker than in the true  
bills. Some of the counterfeit bills bear date in  
1791—Whereas the Bank was not in opera-  
tion till December, and no five dollar bills  
were issued in that year.

Twenty Dollar Bills of the Bank of North  
America.

ALL that have appeared have the letter  
B. for their alphabetical mark.

They are printed on a paper nearly simi-  
lar to that of the counterfeit Five Dollar  
Notes above described; the engraving is  
better executed, and they approach nearer  
to the appearance of the genuine bills.

The fine ruled lines through the word  
Twenty, in the body of the bill, are in num-  
ber thirteen in the genuine bills, and but  
twelve in the counterfeit.

The word Company is much like the same  
word in the Five Dollar Bills as described  
above, the i being less than the m, and o-  
thers following.

There is no stroke to the t in the word  
North whereas in the genuine bills the stroke  
is well defined.

The letters ent in the word Twenty, to  
the left hand at the bottom, do not come  
down to the line, but are so cut as to give  
an irregular appearance to the word, the  
T and the y going below them.

The signature J. Nixon, has the appear-  
ance of being written with lamb-black and  
oil, and differs from other inks used in  
printing the bills and the cashier's signa-  
ture.

It is supposed these forgeries were commit-  
ted in some of the Southern States, as all the  
counterfeits that have appeared, have come  
from thence, and two persons have been ap-  
prehended in Virginia, on suspicion of being  
the authors of them.

The reward of ONE THOUSAND DOL-  
LARS will be paid to any Person or Persons  
who shall discover and prosecute to convic-  
tion the several offenders of the following  
descriptions or any of them, viz.

The person or persons, who manufactured  
the paper on which the Bills are printed.

The person or persons, who engraved the  
plates.

The printer or printers, of the bills.

Every person who has acted as a principal  
in any other way, in the counterfeiting and  
uttering the said bills.

Philadelphia, March 28, 1794  
April 22, 1794

**Other counterfeit bills**  
of the Bank of the United States have ap-  
peared in circulation.

The denomination is of TWENTY  
DOLLARS, and the alphabetical mark is  
the letter B.

They may be distinguished from the ge-  
nuine by the following MARKS:

The paper of the counterfeits is of a  
more tender texture and glossier surface  
than the genuine, and there is no water  
mark in them.

The letter C. in the word Cashier, in  
the true bills is strongly marked, whereas  
in the counterfeits, the whole letter is a  
fine hair stroke, evidently in an unfinished  
state. The letter a in the word demand,  
is badly formed and the whole word ill done  
and there is no comma at the end of it, as  
there is in the genuine bills.

The marginal device, is much darker  
in the false, than in the genuine bills owing  
to the shade strokes being coarser, much  
nearer together, and consequently much  
more numerous. This difference strikes the  
eye at first view.

The same reward of ONE THOUSAND  
DOLLARS, will be paid for apprehending  
& prosecuting to conviction the several  
above described offenders in respect to this,  
as to the last described bills.
