 Improved.

THE subscription for this work on the  
 original terms, of twelve dollars and the  
 binding, will be closed this day—and on  
 Monday the subscription will open at four-  
 teen dollars, exclusive of the price of bind-

The new maps added to this edition are  
 twenty one; among which are those of

 cut, Rhode-Island, Vermont, New York,  
 New Jersey, Pennsylvania, Delaware, Mar-  
 yland, Virginia, Kentucky, North Caro-  
 lina, the Geneesee Government, South Car-

 be sufficient to entitle this work to a pre-  
 ference to any other edition of Guthrie.

N. B. The map of the United States,  
 which is compiling by Mr. Samuel Lewis,  
 from the respective state maps, will be far  
 more complete than any yet published,

**FOR SALE,**  
 the following  
**Tracts of Land,**  
 in Virginia.

ONE tract in Frederick county, contain-  
 ing 8756 acres, being part of that whereon  
 Col. Thomas Bryan Martin now resides,  
 known by the name of Greenway court, a-  
 bout 12 miles from Winchester and 5 from  
 Newtown. For the convenience of pur-  
 chasers, it will be divided into parcels of  
 various dimensions from 200 to 600 acres,  
 which may be viewed by application to Col.  
 R. K. Meade, living near the premises—  
 The greater part is very fertile and well  
 timbered.

Another tract in the same county on  
 Passage creek, containing 230 acres, and  
 adjoining Jacob Levingoods.  
 Another tract in Hampshire county, con-  
 taining by patent, 699 acres, called Slim  
 Bottom, situate on both sides of the South  
 Branch and within two miles of the mouth  
 of it, and is supposed to have a good mil-  
 feat.

Another tract in Hampshire county on  
 New Creek and Kettle-Lick, containing  
 501 acres.

Another tract in Prince William county,  
 called Leesylvania, containing upwards of  
 2000 acres, lying upon Potomack river, a-  
 bout 23 miles below Alexandria, and 28  
 below the City of Washington, compre-  
 hending Freestone Point, which appears to  
 be a quarry of free-stone, covering about  
 50 acres and adjoins the river, where ves-  
 sels of 100 tons conveniently harbour. On  
 another part of this tract it is supposed there  
 is a quarry of slate, convenient to water  
 carriage. Upwards of two thirds are in  
 woods. Mr. Enoch S. Lane, living on the  
 premises, will shew this tract.

Another tract in Fairfax county, called  
 Springfield, containing 2040 1-2 acres, a-  
 bout 13 miles from Alexandria and 10 from  
 Washington; abounds with fine springs and  
 meadow ground, and may be seen by apply-  
 ing to Mr. John Wood, living on part of  
 it.

Another tract in Fairfax county, con-  
 taining 392 acres, in Turkey-cock Run, a-  
 bout 6 miles from Alexandria.

Another tract in Fairfax county, contain-  
 ing about 176 acres adjoining Mr. J. Wat-  
 son's seat, about four miles from Alexan-  
 dria.

Another tract in Fairfax county, con-  
 taining 513 acres, near Occoquan, joining  
 Mr. Edward Washington's.

Another tract in Fairfax county, con-  
 taining 80 acres or thereabout, within a  
 mile of Pohick Landing, and within five  
 miles of Mount Vernon, lies level, and is  
 well timbered.

An undivided moiety in another tract,  
 containing about 284 acres, in Fairfax  
 county, about 5 miles from Washington, &  
 9 from Alexandria, where J. Robinson for-  
 merly lived.

Another parcel of land, within a mile  
of Alexandria, containing about 24 acres,  
and to be sold in acre or half-acre lots.

Also, sundry unimproved lots of various  
sizes, in different parts of the town of Alex-  
andria.

To describe the premises more particu-  
larly is deemed unnecessary, as it is ex-  
pected every person will examine and view  
whatever part he shall be inclined to buy.  
My only object being to raise a certain sum  
of money, by selling so many or such parts  
of the aforesaid tracts of land and lots as  
shall be necessary for that purpose, one half  
of the purchase money must be paid at the  
time of contract, and the other within a  
year from the first day of August next, and  
at the time of delivering possession or exe-  
cuting a legal conveyance. The lands re-  
maining un sold, except the tract in Prince  
William, after raising a limited sum, will  
be divided into tenements, and leased for  
a term of years. From the 12th day of Oc-  
tober next, till the 15th of Decemb r,  
shall be in the city of Richmond, and after  
that time I shall remain at home, in Alex-  
andria, at which places, or elsewhere, I  
shall be prepared to detail particulars, and  
to enter into contracts.

**The Public are cautioned to**  
 beware of counterfeited Five Dollar Bills  
 of the Bank of the United States, and  
 Twenty Dollar Bills of the Bank of North  
 America, several of which have appeared  
 in circulation within a few days past; they  
 are good general imitations of the genuine  
 Bills, but may be distinguished by the fol-  
 lowing

**M A R K S.**  
 Five Dollar Bills of the Bank of the  
 United States.

ALL that have appeared have the letter  
 F. for their Alphabetical Mark.  
 The Texture of the Paper is thicker and  
 whiter and it takes the ink more fresh  
 than the genuine paper.

The O. in the word Company is smaller  
 than the M. and other letters of that word  
 so that a line extended from the top of the  
 O, to touch the top of the M would extend  
 considerably above the range of the whole  
 word.

In the word United the letters are nar-  
 rower and closer together than the rest  
 of the bill.  
 The i and f in the word promise are not  
 parallel; the f inclining much more forward  
 than the i.

The engraving is badly executed, the  
 strokes of all the Letters are stronger and  
 the device in the margin particularly isomet  
 coarser and appears darker than in the gen-  
 uine Bills. Some of the counterfeiters bear date  
 in 1791—Whereas the Bank was not in opera-  
 tion till December, and no five dollar bills  
 were issued in that year.

**Twenty Dollar Bills of the Bank of North**  
 America.  
 ALL that have appeared have the letter  
 B. for their alphabetical mark.  
 They are printed on a paper nearly simi-  
 lar to that of the counterfeit Five Dollar  
 Notes above described; the engraving is  
 better executed, and they approach nearer  
 to the appearance of the genuine bills.

The fine ruled lines through the word  
 Twenty, in the body of the bill, are in num-  
 ber thirteen in the genuine bills, and but  
 twelve in the counterfeit bills.

The word Company is much like the same  
 word in the Five Dollar Bills as described  
 above, the o being less than the m, and of  
 other following.

There is no stroke to the t in the word  
 North whereas in the genuine bills the stroke  
 is well defined.  
 The letters ent in the word Twenty, to  
 the left hand at the bottom, do not come  
 down to the line, but are so cut as to give  
 an irregular appearance to the word, the  
 T's and the y going below them.

The signature J. Nixon, has the appear-  
 ance of being written with lamb-black and  
 oil, and differs from other inks used in  
 printing th bills and the cashier's signature.  
 It is supposed these forgeries were commit-  
 ted in some of the Southern States, as all  
 the counterfeiters that have appeared, have come  
 from thence, and two persons have been ap-  
 prehended in Virginia, on suspicion of being  
 the author of them.

The reward of ONE THOUSAND DOL-  
 LARS will be paid to any Person or Persons  
 who shall discover and prosecute to convic-  
 tion the several offenders of the following  
 descriptions or any of them, viz.  
 The person or persons, who manufactured  
 the paper on which the Bills are printed.  
 The person or persons, who engraved the  
 plates.  
 The printer or printers, of the bills.  
 Every person who has acted as a principal  
 in any other way, in the counterfeiting and  
 uttering the said bills.  
 Philadelphia, March 28, 1794.

**Other counterfeit bills**  
 of the Bank of the United States have ap-  
 peared in circulation.  
 The denomination is of TWENTY  
 DOLLARS, and the alphabetical mark is  
 the letter B.

They may be distinguished from the gen-  
 uine by the following MARKS:  
 The paper of the counterfeiters is of a  
 more tender texture and glossier surface  
 than the genuine, and there is no water  
 mark in them.

The letter C. in the word Cashier, in  
 the true bills is strongly marked, whereas  
 in the counterfeit, the whole letter is a  
 fine hair stroke, evidently in an unfinished  
 state. The letter a in the word demand,  
 is badly formed and the whole word ill done  
 and there is no comma at the end of it, as  
 there is in the genuine bills.  
 The marginal device, is much darker  
 in the false, than in the genuine bills ow-  
 ing to the shade strokes being coarser, much  
 nearer together, and consequently much  
 more numerous. This difference strikes the  
 eye at first view.  
 The same reward of ONE THOUSAND  
 DOLLARS, will be paid for apprehending  
 & prosecuting to conviction the several  
 above described offenders in respect to this,  
 as to the last described bills.

THOMAS WILLING, President  
 of the Bank United States.  
 JOHN NIXON, President of the  
 Bank of North America.  
 By order of the Committees of the Res-  
 pective Boards.
