original terms, of twelve dollars and the  
bonus will be closed this day—and on

be sufficient to entitle this work to a pre-  
ference to any other edition of Guthrie.

N. B. The map of the United States,  
which is compiled by Mr. Samuel Lewis,  
from the respective state maps, will be far  
more complete than any one yet published,

Should any rations be required at any place,  
or within other districts, not specified in  
these proposals, the price of the same is to be  
hereafter agreed on between the United States  
and the contractor.

The rations to be supplied are to consist of  
the following articles, viz.

- One pound of bread or flour,
- One pound of beef, or 3/4 of a pound of pork,
- One quart of fat,
- Two quarts of vinegar, } per 100 rations.
- Two pounds of soap,
- One pound of candles,

The rations are to be furnished in such  
quantities, as shall there shall at all times,  
during the said term, be sufficient for the  
consumption of the troops at each of the  
said posts, for the term of at least three  
months in advance, in good and wholesome  
provisions, if the same shall be required.

It is to be understood in each case, that  
all losses sustained by the deprecations of  
the enemy, or by means of the troops of the  
United States, shall be paid for at the prices  
of the articles captured or destroyed, on  
the depositions of two or more persons

circumstances of the loss, and the amount  
of the articles for which compensation shall  
be claimed.

The contract for the above supplies will  
be made either for one year, or for two  
years, as may appear eligible. Persons  
appointed to contract will therefore confine

their offers to one year, as they may form  
their propositions so as to admit an election  
of the term of two years.

The offers may comprise all the places  
which have been specified, or a part of  
them only.

It is also Desired,

that proposals may be offered for supplying  
at the two posts of Fort Washington and  
Pittsburgh all the rations necessary for the  
main Army, its detachments and the Gar-  
risons above mentioned during the said year  
1795. The provisions &c. which will be re-  
ceived at Pittsburgh will be those which  
shall be necessary for the troops at that  
place and at the posts north, north-west  
and, in the vicinity, on the west thereof.  
The provisions which will be received at  
Fort Washington will be those which  
shall be required for the remainder of the  
posts, for the principal detachments and for  
the main Army. The expense and trouble  
of safe keeping unpacking and issuing the  
provisions deliverable under this second  
form of the propositions, will be saved to  
the Contractors. The exact proportion of  
the whole supplies, which will be required  
at each of the two Posts of Fort Washing-  
ton and Pittsburgh will be determined at  
the time of executing the contract.

**FOR SALE,**  
the following  
**Tracts of Land,**  
in Virginia.

ONE tract in Frederick county, contain-  
ing 8750 acres, being part of that whereon  
col. Thomas Bryan Martin now resides,  
known by the name of Greenway court, a  
bout 12 miles from Winchester and 5 from  
Newtown. For the convenience of pur-  
chasers, it will be divided into parcels of  
various dimensions from 200 to 600 acres,  
which may be viewed by application to col.  
R. K. Meade, living near the premises—  
The greater part is very fertile and well  
timbered.

Another tract in the same county on  
Passage creek, containing 220 acres, and  
adjoining Jacob Levin's goods.

Another tract in Hampshire county, con-  
taining 699 acres, called Slim  
Bottom, situate on both sides of the South  
Branch and within two miles of the mouth  
of it, and is supposed to have a good mill  
seat.

Another tract in Hampshire county on  
New Creek and Kettle-Lick, containing  
501 acres.

Another tract in Prince William county,  
called Leesylvania, consisting upwards of  
2000 acres, lying upon Potomack river, a  
bout 23 miles below Alexandria, and 28  
below the City of Washington, compre-  
hending FreeStone Point, which appears to  
be a quarry of free-stone, covering about  
50 acres and adjoins the river, where ves-  
sels of 300 tons conveniently harbour. On  
another part of this tract it is supposed there  
is a quarry of slate, convenient to water  
carriage. Upwards of two thirds are in  
woods. Mr. Enoch S. Lane, living on the  
premises, will shew this tract.

Another tract, in Fairfax county, called  
Springfield, containing 2040 1/2 acres, a-  
bout 13 miles from Alexandria and 10 from  
Washington; abounds with fine springs and  
meadow ground, and may be seen by apply-  
ing to Mr. John Wood, living on part of  
it.

Another tract in Fairfax county, con-  
taining 392 acres, on Turkey-cock Run, a-  
bout 6 miles from Alexandria.

Another tract in Fairfax county, contain-  
ing about 170 acres, adjoining Mr. J. Wat-  
son's seat, about four miles from Alexan-  
dria.

Another tract, in Fairfax county, con-  
taining 513 acres, near Ocochoan, joining  
Mr. Edward Washington's.

Another tract, in Fairfax county, con-  
taining 80 acres or thereabout, within a  
mile of Pohick Landing, and within five  
miles of Mount Vernon, lies level, and is  
well timbered.

An undivided moiety in another tract,  
containing about 284 acres, in Fairfax  
county, about 5 miles from Washington, &  
9 from Alexandria, where J. Robinson for-  
merly lived.

Another parcel of land, within a mile  
of Alexandria, containing about 24 acres,  
and to be sold in acre or half-acre lots.

Also, many unimproved lots of various  
sizes, in different parts of the town of Alex-  
andria.

To describe the premises more particu-  
larly is deemed unnecessary, as it is ex-  
pected every person will examine and view  
whatever part he shall be inclined to buy.  
My only object being to raise a certain sum  
of money, by selling so many or such parts  
of the aforesaid tracts of land and lots as  
shall be necessary for that purpose, one half  
of the purchase money must be paid at the  
time of contract, and the other within a  
year from the first day of August next, and  
at the time of delivering possession or exe-  
cuting a legal conveyance. The lands re-  
maining unsold, except the tract in Prince  
William, after raising a limited sum, will  
be divided into tenements, and leased for  
a term of years. From the 12th day of Oc-  
tober next, till the 15th of December, I  
shall be in the city of Richmond, and after  
that time I shall remain at home, in Alex-  
andria, at which places, or elsewhere, I  
shall be prepared to detail particulars, and  
to enter into contracts.

**R E W A R D.**

Some few Counterfeit Post-Notes of the  
Bank of Maryland, having been lately disco-  
vered in circulation, and on tracing the same  
were found to come from the back parts of  
Virginia, where they probably first issued; to  
avoid imposition it is thought necessary to  
give the following description of them, by  
which they may readily be detected.

They have the letter D, for their alpha-  
betical mark, at the left hand side of the Note.

The paper on which they are printed is  
more soft and tender, the strokes of the letters,  
in the engraving are in general stronger, and  
have a darker appearance than in the bills.

The signature William Patterson, is badly  
done, the strokes of the letters, are stiff and  
labored, and appear to be flourishing with  
the pen, as well as the flourishing of the name.

The value is left blank in the engraving, to  
be filled up in writing, so the sum may be  
more or less at pleasure.

No true Post-Notes of the alphabetical  
mark, above described, have been lately is-  
sued, and very few are now in circulation.

The above reward of One Thousand dol-  
lars will be paid to any person, or persons,  
who shall discover, or prosecute to conviction,  
the several offenders, or any of them, of the  
following description, viz.

The person or persons, who engraved the  
late.

The printer, or printers of the said bills.

Every person who has acted as principal  
in any way in the counterfeiting and uttering  
the said bills.

WHEREAS the Commissioners of pub-  
lic Accounts, have reported, that they  
cannot proceed to the investigation of the  
Treasury Accounts, respecting special In-  
dents, without knowing the outstanding  
amount thereof in circulation:—Therefore,

Resolved, That all holders of special In-  
dents be directed, and required, on or before  
the first day of November next, to deliver the  
special Indents in their possession to one or  
other of the Commissioners of the Treasury,  
who are to give receipts for the same, and to

counts, on or before the tenth day of Novem-  
ber next, the amount by them respective-  
ly received, and also to the Legislature, at  
their meeting in November next, and that  
all special Indents not rendered into the  
Treasury as above, on or before the first day  
of November next, shall be, and the same  
are hereby barred.

Resolved, That public notice of this resolu-  
tion be given in the several Gazettes in this  
State, once every three weeks, until the first  
day of November next. And that the Dele-  
gates of this State in the Congress of the Uni-

**MARKS.**  
Five Dollar Bills of the Bank of the  
United States.

ALL that have appeared have the letter  
F. for their Alphabetical Mark.

The Texture of the Paper is thicker and  
whiter and it takes the ink more freely  
than the genuine paper.

The O. in the word Company is smaller  
than the M. and other letters of that word,  
so that a line extended from the top of the  
O, to touch the top of the M. would extend  
considerably above the range of the whole  
word.

In the word United the letters are nar-  
rower and closer together than the rest of  
the bill.

The i and s in the word promise are not  
parallel, the i inclining much more forward  
than the i.

The engraving is badly executed, the  
strokes of all the Letters are stronger, and  
the device in the margin particularly much  
coarser and appears darker than in the true  
bills. Some of the counterfeiters bear date in  
1791—Whereas the Bank was not in opera-  
tion till December, and no five dollar bills  
were issued in that year.

Twenty Dollar Bills of the Bank of North  
America.

ALL that have appeared have the letter  
B. for their alphabetical mark.

They are printed on a paper nearly simi-  
lar to that of the counterfeit Five Dollar  
Notes above described; the engraving is  
better executed, and they approach nearer  
to the appearance of the genuine bills.

The fine ruled lines through the word  
Twenty, in the body of the bill, are num-  
ber thirteen in the genuine bills, and but  
twelve in the counterfeiters.

The word Company is much like the true  
word in the Five Dollar Bills as described  
above, the o being less than the m, and  
others following.

There is no stroke to the i in the word  
North whereas in the genuine bills the stroke  
is well defined.

The letters ent in the word Twenty, to  
the left hand at the bottom, do not come  
down to the line, but are so cut as to give  
an irregular appearance to the word, the  
T and they going below them.

The signature J. Nixon, has the appear-  
ance of being written with lambs-head  
oil, and differs from other inks used in  
printing the bills and the cashier's signa-  
ture.

It is supposed these forgeries were com-  
mitted in some of the Southern States, as all  
the counterfeiters that have appeared, have  
come from thence, and two persons have been  
apprehended in Virginia, on suspicion of being  
the authors of them.

The reward of ONE THOUSAND DOL-  
LARS will be paid to any Person or Persons  
who shall discover and prosecute to conviction  
the several offenders of the following  
descriptions or any of them, viz.

The person or persons, who manufactured  
the paper on which the Bills are printed.

The person or persons, who engraved the  
plates.

The printer or printers, of the bills.

Every person who has acted as principal  
in any other way, in the counterfeiting and  
uttering the said bills.

Philadelphia, March 28, 1794

April 22, 1794

**Other counterfeit bills**  
of the Bank of the United States have ap-  
peared in circulation.

The denomination is of TWENTY  
DOLLARS, and the alphabetical mark is  
the letter B.

They may be distinguished from the genu-  
ine by the following MARKS:

The paper of the counterfeiters is of a  
more tender texture and glossier surface  
than the genuine, and there is no water  
mark in them.

The letter C. in the word Center, in  
the true bills is strongly marked; whereas  
in the counterfeiters, the whole letter is a  
fine hair stroke, evidently in an unshaded  
state. The letter a in the word demand,  
is badly formed and the whole word ill done  
and there is no comma at the end of it, as  
there is in the genuine bills.

The marginal device, is much darker  
in the false, than in the genuine bill, owing  
to the shade strokes being coarser, much  
nearer together, and consequently much  
more numerous. This difference strikes the  
eye at first view.

The same reward of ONE THOUSAND  
DOLLARS, will be paid for apprehending,  
& prosecuting to conviction the several  
above described offenders in respect to this,  
as to the last described bills.

**THOMAS WILLING,** President  
of the Bank United States.

**JOHN NIXON,** President of the  
Bank of North America.

By order of the Commissioners of the Re-  
spective Boards.
