GUTHRIE'S GEOGRAPHY
Improved.

THE subscription for this work on the
original terms of twelve dollars and the
binding will be closed this day—and on
Monday the subscription will open at four-
teen dollars, exclusive of the price of bind-
ing.

The new maps added to this edition are
twenty one; among which are those of
New-Hampshire, Massachusetts, Connecti-
cut, Rhode-land, Vermont, New York,
New Jersey, Pennsylvania, Delaware, Mary-
land, Virginia, Kentucky, North Caro-
lina, the Genesee Government, South Caro-
lina, and Georgia. These maps have ne-
ver been given in any former system of
Geography, and, it is hoped, would alone
be sufficient to entitle this work to a pre-
ference to any other edition of Guthrie.

N. B. The map of the United States,
which is compiling by Mr. Samuel Lewis,
from the respective state maps, will be far
more complete than any yet published, and
be printed on two large sheets of paper,
nearly the size of the late Mr. Murray's
map.

Should any rations be required at any place,
or within other districts, not specified in
these proposals, the price of the same is to be
hereafter agreed on between the United States
and the contractor.

The rations to be supplied are to consist of
the following articles, viz.

One pound of bread or flour,
One pound of beef, or $\frac{1}{2}$ of a pound of pork,
One quart of salt,
Two quarts of vinegar, } per 100 rations.
Two pounds of soap,
One pound of candles.

The rations are to be furnished in such
quantities, as that there shall at all times,
during the said term, be sufficient for the
consumption of the troops at each of the
said posts, for the term of at least three
months in advance, in good and wholesome
provisions, if the same shall be required.
It is to be understood in each case, that
all losses sustained by the deprivations of
the enemy, or by means of the troops of the
United States, shall be paid for at the prices
of the articles captured or destroyed, on
the depositions of two or more persons
of creditable characters, and the certificate
of a commissioned officer, ascertaining the
circumstances of the loss, and the amount
of the articles for which compensation shall
be claimed.

The contract for the above supplies will
be made either for one year, or for two
years, as may appear eligible. Persons
disposed to contract will therefore confine

their offers to one year, as they may form
their propositions so as to admit an election
of the term of two years.

The offers may comprise all the places
which have been specified, or a part of
them only.

It is also Desired,
that proposals may be offered for supplying
at the two posts of Fort Washington and
Pittsburgh all the rations necessary for the
main Army, its detachments and the Gar-
risons above mentioned during the said year
1795. The provisions &c. which will be
received at Pittsburgh will be those which
shall be necessary for the troops at that
place and at the posts north, north-west
and in the vicinity, on the west thereof.
The provisions which will be received at
Fort Washington will be those which
shall be required for the remainder of the
posts, for the principal detachments and for
the main Army. The expense and trouble
of safe keeping unpacking and issuing the
provisions deliverable under this second
form of the proposals, will be saved to
the Contractors. The exact proportion of
the whole supplies, which will be required
at each of the two Posts of Fort Washing-
ton and Pittsburgh will be determined at
the time of executing the contract.

FOR SALE,
the following
Tracts of Land,
in Virginia.

ONE tract in Frederick county, contain-
ing 8756 acres, being part of that whereon
col. Thomas Bryan Martin now resides,
known by the name of Greenway court, a
boat 12 miles from Winchester and 5 from
Newtown. For the convenience of pur-
chasers, it will be divided into parcels of
various dimensions from 200 to 600 acres,
which may be viewed by application to col.
R. K. Meade, living near the premises—
The greater part is very fertile and well
timbered.

Another tract in the same county on
Passage creek, containing 230 acres, and
adjoining Jacob Levingoods.

Another tract in Hampshire county, con-
taining by patent, 699 acres, called Slim
Bottom, situate on both sides of the South
Branch and within two miles of the mouth
of it, and is supposed to have a good mill
seat.

Another tract in Hampshire county on
New Creek and Kettle-Lick, containing
501 acres.

Another tract in Prince William county,
called Leesylvania, containing upwards of
2000 acres, lying upon Potomack river, a-
bout 23 miles below Alexandria, and 28
below the City of Washington, compre-
hending Freestone Point, which appears to
be a quarry of free-stone, covering about
50 acres and adjoins the river, where ves-
sels of 100 tons conveniently harbour. On
another part of this tract it is supposed there
is a quarry of slate, convenient to water
carriage. Upwards of two thirds are in
woods. Mr. Enoch S. Lane, living on the
premises, will shew this tract.

Another tract, in Fairfax county, called
Springfield, containing 2040 1-2 acres, a-
bout 13 miles from Alexandria and 10 from
Washington; abounds with fine springs and
meadow ground, and may be seen by apply-
ing to Mr. John Wood, living on part of
it.

Another tract in Fairfax county, con-
taining 392 acres, on Turkey-cock Run, a-
bout 6 miles from Alexandria.

Another tract in Fairfax county, contain-
ing about 176 acres, adjoining Mr. J. Wat-
son's seat, about four miles from Alexan-
dria.

Another tract, in Fairfax county, con-
taining 513 acres, near Ocoquan, joining
Mr. Edward Washington's.

Another tract, in Fairfax county, con-
taining 80 acres or thereabout, within a
mile of Pohick Landing, and within five
miles of Mount Vernon, lies level, and is
well timbered.

An undivided moiety in another tract,
containing about 284 acres, in Fairfax
county, about 5 miles from Washington, &
9 from Alexandria, where J. Robinson for-
merly lived.

Another parcel of land, within a mile
of Alexandria, containing about 24 acres,
and to be sold in acre or half-acre lots.

Also, sundry unimproved lots of vari-
ous sizes, in different parts of the town of Alex-
andria.

To describe the premises more particu-
larly is deemed unnecessary, as it is ex-
pected every person will examine and view
whatever part he shall be inclined to buy.
My only object being to raise a certain sum
of money, by selling to many or such parts
of the aforesaid tracts of land and lots as
shall be necessary for that purpose, one half
of the purchase money must be paid at the
time of contract, and the other within a
year from the first day of August next, and
at the time of delivering possession or exe-
cuting a legal conveyance. The lands re-
maining unsold, except the tract in Prince
William, after raising a limited sum, will
be divided into tenements, and leased for
a term of years. From the 12th day of Oc-
tober next, till the 15th of December, I
shall be in the city of Richmond, and after
that time I shall remain at home, in Alex-
andria, at which places, or elsewhere, I
shall be prepared to detail particulars, and
to enter into contracts.

One thousand Dollars
R E W A R D.

Some few Counterfeit Post-Notes of the
Bank of Maryland, having been lately dis-
covered in circulation, and on tracing the same
were found to come from the back parts of
Virginia, where they probably first issued; to
avoid imposition it is thought necessary to
give the following description of them, by
which they may readily be detected.

They have the letter D, for their alphabeti-
cal mark, at the left hand side of the Note.

The paper on which they are printed is
more soft and tender, the strokes of the letters,
in the engraving are in general stronger, and
have a darker appearance than in the bills.

The signature William Patterson, is badly
done, the strokes of the letters, are stiff
and labored, and appear to be painted over with
the pen, as well as the flourishing of the name.

The value is left blank in the engraving,
to be filled up in writing, so the sum may be
more or less at pleasure.

No true Post-Notes of the alphabetical
mark, above described, have been lately is-
sued, and very few are now in circulation.

The above reward of One Thousand Dol-
lars will be paid to any person, or persons,
who shall discover, or procure to conviction,
the several offenders, or any of them, of the
following description, viz.

The person or persons, who engraved the
late.

The printer, or printers of the said bills.

Every person who has acted as principal
in any way in the counterfeiting and uttering
the said bills.

WILLIAM PATTERSON, President.
of the Bank of Maryland.
Bmo, April 8, 1794.

STATE OF SOUTH-CAROLINA
In the House of Representatives,

DECEMBER 21st, 1793.
WHEREAS the Commissioners of pub-
lic Accounts, have reported, that they

Treasury Accounts, respecting special In-
dents, without knowing the outstanding a-
mount thereof in circulation;—Therefore,

Resolved, That all holders of special In-
dents be directed, and required, on or before
the first day of November next, to deliver the
special Indents in their possession to one or
other of the Commissioners of the Treasury,
who are to give receipts for the same, and to
report to the Commissioners on public ac-
counts, on or before the tenth day of Novem-
ber next, the amount by them respective-
ly received, and also to the Legislature, at
their meeting in November next, and that
all special Indents not rendered into the
Treasury as above, on or before the first day
of November next, shall be, and the same
are hereby barred.

Resolved, That public notice of this resolu-
tion be given in the several Gazettes in this
State, once every three weeks, until the first
day of November next. And that the Dele-
gates of this State in the Congress of the Uni-
ted States, be requested to cause this resolu-
tion to be published in one or more papers

The Public are cautioned to
beware of counterfeited Five Dollar Bills
of the Bank of the United States, and
Twenty Dollar Bills of the Bank of North
America, several of which have appeared
in circulation within a few days past; they
are good general imitation of the genuine
Bills, but may be distinguished by the fol-
lowing

M A R K S.
Five Dollar Bills of the Bank of the
United States.

ALL that have appeared have the letter
F. for their Alphabetical Mark.

The Texture of the Paper is thicker and
whiter and it takes the ink more freely
than the genuine paper.

The O. in the word Company is smaller
than the M. and other letters of that word,
so that a line extended from the top of the
O, to touch the top of the M. would extend
considerably above the range of the whole
word.

In the word United the letters are nar-
rower and closer together than the rest of
the bill.

The i and j in the word promise are not
parallel, the j inclining much more forward
than the i.

The engraving is badly executed, the
strokes of all the Letters are stronger and
the device in the margin particularly is much
coarser and appears darker than in the true
Bills. Some of the counterfeiters bear date in
1791—Whereas the Bank was not in opera-
tion till December, and no five dollar bills
were issued in that year.

Twenty Dollar Bills of the Bank of North
America.

ALL that have appeared have the letter
B. for their alphabetical mark.

They are printed on a paper nearly simi-
lar to that of the counterfeit Five Dollar
Notes above described; the engraving is
better executed, and they approach nearer
to the appearance of the genuine bills.

The fine ruled lines through the word
Twenty, in the body of the bill, are in num-
ber thirteen in the genuine bills, and but
twelve in the counterfeiters.

The word Company is much like the same
word in the Five Dollar Bills as described
above, the a being less than the m, and so
others following.

There is no stroke to the i in the word
North whereas in the genuine bills the stroke
is well defined.

The letters ent in the word Twenty, to
the left hand at the bottom, do not come
down to the line, but are cut as to give
an irregular appearance to the word, the
T and the y going below them.

The signature J. Nixon, has the appear-
ance of being written with lamb-black and
oil, and differs from other inks used in
printing the bills and the cashier's signa-
ture.

It is supposed these forgeries were commit-
ted in some of the Southern States, as all the
counterfeits that have appeared, have come
from thence, and two persons have been ap-
prehended in Virginia, on suspicion of being
the authors of them.

The reward of ONE THOUSAND DOL-
LARS will be paid to any Person or Persons
who shall discover and procure to conviction
the several offenders of the following
descriptions or any of them, viz.

The person or persons, who manufactured
the paper on which the Bills are printed.

The person or persons, who engraved the
plates.

The printer or printers, of the bills.

Every person who has acted as a principal
in any other way, in the counterfeiting and
uttering the said bills.

Philadelphia, March 28, 1794

April 22, 1794.

Other counterfeit bills
of the Bank of the United States have ap-
peared in circulation.

The denomination is of TWENTY
DOLLARS, and the alphabetical mark is
the letter B.

They may be distinguished from the genu-
ine by the following MARKS:

The paper of the counterfeit is of a
more tender texture and glossy surface
than the genuine, and there is no water
mark in them.

The letter C. in the word Cashier, in
the true bills is strongly marked, whereas
in the counterfeit, the whole letter is a
fine hair stroke, evidently in an unfinished
state. The letter a in the word demand,
is badly formed and the whole word ill done
and there is no comma at the end of it, as
there is in the genuine bills.

The marginal device, is much darker
in the false, than in the genuine bills ow-
ing to the shade strokes being coarser, much
nearer together, and consequently much
more numerous. This difference strikes the
eye at first view.

The same reward of ONE THOUSAND
DOLLARS, will be paid for apprehending,
& prosecuting to conviction the several
above described offenders in respect to this,
as to the last described bills.
