Division Orders,
September 10, 1794.
Such lieutenant colonels, Commandants, or Commanding Officers of Corps belonging to the first Division of the Militia of Pennsylvania as have not yet formed the same into classes, are ordered immediately to do it; and should any of the officers, non-commissioned officers, or privates belonging to the respective battalions or corps (whose turn it is to march) be so lost to the duty they owe their government as to refuse going on the present service, it is expected such officers will immediately resign their commissions, the non-commissioned officers be disgraced, and every exertion made by the commanding officers of the corps and company to supply the defaulters place with volunteers.

The drums and fifes belonging to the several battalions will parade with their Drum and Fife-Majors daily, and practice through the city, or in such parts of the country as may be fixed on by the commanding officer; their pay will be made good by the State, until Wednesday the 17th instant, on which day the respective commands will march from this city and parade at the Governor's Marquee.

50,000 Tickets at 8 dollars

This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful designs are already selected for the entire fronts on two of the public squares; from these drawings, it is proposed to erect two centre and four corner buildings, as soon as possible after this Lottery is sold, and to convey them when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A net deduction of five per cent. will be made to defray the necessary expences of printing, &c. and the surplus will be made a part of the fund intended for the National University, to be erected within the City of Washington.

The drawing will commence as soon as the Tickets are sold, or at all events on Monday, the 22nd of December next: The money prizes will be payable in thirty days after it is finished, and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed are to be considered as given towards the fund for the University, it being determined to settle the whole business in a year from the ending of the drawing and to take up the bonds given as security.

The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the Lottery. The drawing will be under the management of 24 gentlemen approved by the commissioners for the City of Washington, for the time being, and acting on oath.

S. BLODGET.
** Tickets may be had at the Bank of Columbia; of James West & Co. Baltimore; of Gideon Denison, Savannah; of Peter Gilman, Boston; of John Hopkins, Richmond; and of Richard Wells, Cooper's ferry.

of the late
JOHN HOWARD, Esq. L. L. D. F. R. S.

Embellished with striking likenesses of that Citizen of the World.
By **JOHN AIKEN, M. D.**
To which is subjoined an ODE inscribed to John Howard, by William Hayley, Esq.

FROM realm to realm, with crafts or crescent crown'd,
Where'er mankind and misery are found,
O'er burning sands, deep waves, or wilds of snow,
Great HOWARD journeying seeks the house of woe.
Down many a winding step to dungeon's dank,
Where anguish howls aloud, and fetters clank:
To caves bestrew'd with many a mould'ring bone,
And cells, whose echoes only learn to groan;
—Onward he moves!—Disease and death retire,
And murr'ring demons hate him, and admire.
