Dislant Subscribers
For this Gazette, are hereby respectfully
requested to pay up their Subscriptions to
the first of January next. The Editor will
be under the necessity of considering
those who do not then renew their Sub-
scription by paying Six Months in Ad-
vance, as declining to take the Paper any
longer.

As there is a considerable Sum due from
remote Subscribers for the late half Weekly
Paper published by the Editor, he most
earnestly requests those who may be delin-
quent, to take the earliest opportunity of
remitting him the balance they may ref-
erentially be indebted—the sums are indi-
vidually trifling—the want of the Aggre-
gate is severely felt.

This Lottery will afford an elegant speci-
men of the private buildings to be erect'd in
the City of Washington—Two beautiful de-
signs are already selected for the entire front
on two of the public squares; from these
drawings, it is proposed to erect two centre
and four corner buildings, as soon as possible
after this Lottery is sold, and to convey them
when complete, to the fortunate adventurers,
in the manner described in the scheme for
the Hotel Lottery. A neat deduction of five
per cent. will be made to defray the neces-
sary expences of printing, &c. and the sur-
plus will be made a part of the fund intended
for the National University, to be erected
within the City of Washington.

The drawing will commence as soon as
the Tickets are sold, or at all events on
Monday, the 22nd of December next: The
money prizes will be payable in thirty days
after it is finished, and 7 prizes for which
fortunate numbers are not produced within
twelve months after the drawing is closed are
to be considered as given towards the fund
for the University, it being determined to
settle the whole business in a year from the
ending of the drawing and to take up the
bonds given as security.

The real securities given for the payment
of the Prizes, are held by the President and
two Directors of the Bank of Columbia, and
are valued at more than half the amount of
the Lottery. The drawing will be under
the management of 24 gentlemen approved
by the commissioners for the City of Wash-
ington, for the time being, and acting on
oath.
