This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful defigns are already selected for the entire fronts on two of the public squares; from these drawings, it is proposed to erect two centre and four corner buildings, as soon as possible after this Lottery is fold, and to convey them when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A nett deduction of sive per cent, will be made to destay the necessary expences of printing, &c. and the surplus will be made a part of the sund intended for the National University, to be erected within the City of Washington.

(The drawing will commence as soon as the Tickets are sold, or at all events on Monday, the 22nd of December next: The money prizes will be payable in thirty days after it is finished, and any prizes for which fortunate numbers are not produced within twelve months after the drawing is colosed are to be considered as given towards the sund for the University, it being determined to This Lottery will afford an elegant speci

to be considered as given towards the sund for the University, it being determined to settle the whole business in a year from the ending of the drawing and to take up the bonds given as security.

The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Colombia, and are valued at more than half the amount of the Lottery. The drawing will be under the management of a gentlemen approved by the commissioners for the City of Washington, for the time being, and acting on oath.
