A SUBSCRIPTION

Is opened for Printing the

Theological Writings

OF

Emanuel Swedenbourg,

At Francis Bailey's Book Store, No. 116,
Market Street, Philadelphia.

WHEN a sufficient subscription takes
place, a meeting will be advertised to con-
sider the most eligible mode for conducting
the printing of such of the Works as shall
be thought to be of the greatest utility in
the first instance.

The following Treatises may be now had at
Mr. Bailey's:

The Doctrine of Life, or the Spiritual
sense of the Ten Commandments.

The Universal Theology of the New
Church; which was foretold by the
Lord in Daniel, chap. 7, v. 5, 13, 14,
and in the Apocalyptic, chap. 21, v. 1,
2, &c.

A Summary View of the Heavenly Doc-
trines of the New Jerusalem Church.

As various opinions have been en-
tertained respecting these invaluable writings
and yet so perfunctory an argument has
been able to refute them, but indeed there-
of, invidious calumnies and groundless re-
ports have been industriously propagated
to discredit the honourable and enlightened
Author, as well as his Works, we doubt
not the candid and sincere inquirers after
Truths of the highest importance, will fe-
liciously examine those Works for themselves,
in which it is to be hoped, that being in the
pursuit and love of the Truth for the sake
of its native excellence and use, they will
regard them as they justly deserve, and in
the end receive both profit and delight.

This Lottery will afford an elegant spec-
imen of the private buildings to be erected in
the City of Washington—Two beautiful de-
signs are already selected for the entire fronts
on two of the public squares; from these
drawings, it is proposed to erect two centre
and four corner buildings, as soon as possible
after this Lottery is sold, and to convey them
when complete, to the fortunate adventurers,
in the manner described in the scheme for the
Hotel Lottery. A net deduction of five per
cent. will be made to defray the necessary
expenses of printing, &c. and the surplus
will be made a part of the fund intended
for the National University, to be erected
within the City of Washington.

The drawing will commence as soon
as the Tickets are sold, or at all events on
Monday, the 22nd of December next; The
money prizes will be payable in thirty days
after it is finished, and any prizes for which
fortunate numbers are not produced within
twelve months after the drawing is closed are
to be considered as given towards the fund
for the University, it being determined to
settle the whole business in a year from the
ending of the drawing and to take up the
bonds given as security.

The real securities given for the payment
of the Prizes, are held by the President and
two Directors of the Bank of Columbia, and
are valued at more than half the amount of
the Lottery. The drawing will be under
the management of 24 gentlemen approved
by the commissioners for the City of Wash-
ington, for the time being, and acting on
oath.

Distant Subscribers
For this Gazette, are hereby respect-
fully requested to pay up their Subscriptions
to the first of January next. The Editor
will be under the necessity of considering
those who do not then renew their Sub-
scription by paying Six Months in Ad-
vance, as declining to take the Paper any
longer.
As there is a considerable sum due from
remote Subscribers for the late half Week-
ly Paper published by the Editor, he most
earnestly requests those who may be delin-
quent, to take the earliest opportunity of
remitting him the balance they may re-
spectively be indebted—the sums are indi-
vidually trifling—the want of the Aggre-
gate is severely felt.
