This Lottery will afford an elegant spec
imen of the private buildings to be erected in
the City of Washington—Two beautiful de
signs are already selected for the entire fronts
on two of the public squares; from these
drawings, it is proposed to erect two centre
and four corner buildings, as soon as possible
after this Lottery is sold, and to convey them
when complete, to the fortunate adventurers,
in the manner described in the scheme for
the Hotel Lottery. A net deduction of five
per cent. will be made to defray the neces
sary expenses of printing, &c. and the sur
plus will be made a part of the fund intended
for the National University, to be erected
within the City of Washington.

The drawing will commence as soon
as the Tickets are sold, or at all events on
Monday, the 22nd of December next: The
money prizes will be payable in thirty days
after it is finished, and any prizes for which
fortunate numbers are not produced within
twelve months after the drawing is closed are
to be considered as given towards the fund
for the University, it being determined to
settle the whole business in a year from the
ending of the drawing and to take up the
bonds given as security.

The real securities given for the pay
ment of the Prizes, are held by the President
and two Directors of the Bank of Columbia,
and are valued at more than half the amount
of the Lottery. The drawing will be under
the management of 24 gentlemen approved
by the commissioners for the City of Wash
ington, for the time being, and acting on
oath.

S. BLODGET.
** Tickets may be had at the Bank of
