For the Information of the
Merchants.
The committee having been notified by
the Secretary of State, that the Agent of
claims and appeals appointed by the Presi-
dent of the United States is to embark
immediately for London; and that he is au-
thorized to bind the United States under the
direction of Mr. Jay, for the costs and da-
mages, attending the prosecution of the
claims of American citizens; that the nec-
essary counsel will be engaged on the part
of the United States, and that if the parties
will obtain copies of the proceedings of the
Courts on their respective cases, the ex-
penses of the records will be reimbursed by
the United States.
They are of opinion that measures
ought to be immediately taken for obtain-
ing authenticated copies of such records and
proceedings in all cases where they have
not already been procured, and will under-
take to obtain them for all such of their
fellow-citizens as shall within 20 days from
this date furnish the names of the vessels
and masters; the ports or places where they
were tried or condemned, with such other in-
formation as the circumstances of the case
may require.
They recommend to those who have al-
ready obtained the copies of the proceed-
ings of the Courts to have them examined
by some person of legal knowledge; that if
they should be found defective in any re-
spect the deficiency may be supplied, at the
same time that the records are applied for.
In behalf of the Committee,
THOMAS FITZSIMONS.
November 6, 1794.

NOTICE,
Is hereby given to all persons, interest-
ed in the cases of British captures, that
Mr. Samuel Bayard, of the City of Phila-
delphia, is appointed to proceed to Lon-
don, as agent of claims and appeals; that
the merchants of Philadelphia, whose prop-
erty has been condemned, have appoint-
ed a committee, consisting of Thomas
Fitzsimons, James Yard, Stephen Girard,
James Olden and J. Shoemaker, to confer
occasionally with the Secretary of State;
That copies of the letters, which have
passed between the Committee and the Sec-
retary, are transmitted to the several
Collectors in the United States, for the in-
spection of all concerned: That the Com-
mittee will adopt measures for procuring
the records, yet wanting: And will enter
into the proper correspondences in the U-
nited States, and in the West Indies.
The appointment of a committee was
at the desire of the Secretary of State, for
the convenience of persons at a distance.
But any letters upon this subject are
to be addressed to him.

To the Merchants of the
United States.
At the special request of the secre-
tary of state, the committee appointed
by the merchants of Philadelphia, have
undertaken to obtain copies of the pro-
ceedings of the courts in the British
Islands, in the West-Indies: Bermuda,
the Bahamas, and in their colonies, in
North America, upon the cases of A-
merican vessels, and property tried in
the courts in any of the said Islands, or
colonies.
The Committee therefore give this
public notice, that all persons concerned
who have not already obtained authen-
tic copies of the proceedings, in their
particular cases, may furnish the Sec-
retary of State with the names of the
vessels, and masters, the places where
the trial was had; the time when, and
such other circumstances as the nature
of the case may require.
It is deemed important that those
particulars be furnished as soon as possi-
ble.
The publishers of newspapers
throughout the United States are re-
quested to insert the above. dicit.

Distant Subscribers
For this Gazette, are hereby respect-
fully requested to pay up their Subscriptions
to the first of January next. The Editor
will be under the necessity of considering
those who do not then renew their Sub-
scription by paying Six Months in Ad-
vance, as declining to take the Paper any
longer.
As there is a considerable Sum due from
remote Subscribers for the late half Week-
ly Paper published by the Editor, he most
earnestly requests those who may be delin-
quent, to take the earliest opportunity of
remitting him the balance they may re-
spectively be indebted—the sums are indi-
vidually trifling—the want of the Aggre-
gate is severely felt.

ADDRESS.
The Public are respectfully informed
that the Subscriptions for this Gazette are
daily increasing in the City—that its cir-
culation is extensive, being sent to every
state in the Union—and is probably ex-
changed with more Printers in the dif-
ferent States than any other Gazette—
these circumstances enhance its utility as
an advertising Vehicle.
The generous patronage which the pub-
lication has already received, demands the
Editor's most grateful acknowledgements
—He solicits a continuation of advertising
favours. From these principally arise the
resources which enable the publisher of a
daily paper to extend his plan of general
entertainment and information.
A Gentleman regularly bred
to the practice of the Law in England,
wishes to engage with some gentlemen of
the profession in this city, as a Superior Ju-
dant in an office, or otherwise as may be
agreeable. For further information, En-
quire of the Printer hereof.

A SUBSCRIPTION
Is opened for Printing the
Theological Writings
OF
Emanuel Swedenborg,
At Francis Bailey's Book Store, No. 116,
Market Street, Philadelphia.
WHEN a sufficient subscription takes
place, a meeting will be advertised to con-
sider the most eligible mode for conducting
the printing of such of the Works as shall
be thought to be of the greatest utility in
the first instance.
The following Treatises may be now had at
Mr. Bailey's:
The Doctrine of Life, or the Spiritual
sense of the Ten Commandments.
The Universal Theology of the New
Church; which was foretold by the
Lord in Daniel, chap. 7, v. 5, 13, 14,
and in the Apocalypse, chap. 21, v. 1,
2, &c.
A summary View of the Heavenly Doc-
trines of the New Jerusalem Church.
At various opinions have been en-
tertained respecting these treatises and
yet no person by rational argument has
been able to refute them, but instead there-
of, invidious calumnies and groundless re-
ports have been industriously propagated
to discredit the honourable and enlighten-
ed Author, as well as his Works, we doubt
not the candid and sincere inquirers after
Truth, of the highest importance, will re-
spectfully examine these Works for themselves,
in which it is to be hoped, that being in the
pursuit and love of the Truth for the sake
of its native excellence and use, they will
regard them as they justly deserve, and in
the end receive both profit and delight.
