For the Information of the Merchants.
The committee having been notified by
the Secretary of State, that the Agent of
claims and appeals appointed by the Pres-
ident of the United States is to embark
immediately for London, and that he is au-
thorized to bind the United States under the
direction of Mr. Jay, for the costs and da-
mages, attending the prosecution of the
claims of American citizens; that the neces-
sary counsel will be engaged on the part of
the United States, and that if the parties
will obtain copies of the proceedings of the
Courts on their respective cases, the ex-
penses of the records will be reimbursed by
the United States,
They are of opinion that measures
ought to be immediately taken for obtain-
ing authenticated copies of such records and
proceedings in all cases where they have
not already been preserved, and will under-
take to obtain them for all such of their
fellow-citizens as shall within 20 days from
this date furnish the names of the vessels
and matters; the ports or places where
tried or condemned; with such other infor-
mation as the circumstances of the case
may require.

They recommend to those who have al-
ready obtained the copies of the proceed-
ings of the Courts to have them examined
by some person of legal knowledge; that if
they should be found defective in any re-
spect the deficiency may be supplied, at the
same time that the records are applied for.
In behalf of the Committee.
THOMAS FITZSIMONS.
November 6, 1794.

NOTICE,
Is hereby given to all persons, interest-
ed in the case of British captives, that
Mr. Samuel Bayard, of the City of Phila-
delphia, is appointed to proceed to Lon-
don, as agent of claims and appeal; that
the merchants of Philadelphia, whose prop-
erty has been condemned, have appoin-
ted a committee, consisting of Thomas
Fitzsimons, James Yard, Stephen G. and
James Olden and J. Shoemaker, to confer
occasionally with the Secretary of State;
That copies of the letters, which have
passed between the Committee and the Sec-
retary, are transmitted to the several
Coll.ctors in the United States, for the in-
formation of all concerned: That the Com-
mittee will adopt measures for procuring
the records, yet wanting; And will enter
into the proper correspondence in the U-
nited States, and in the West Indies.
The appointment of a committee was
at the desire of the Secretary of State, for
the convenience of persons at a distance.
But any letters upon this subject are still
to be addressed to him.

To the Merchants of the United States.
At the special request of the secre-
tary of State, the committee appointed
by the merchants of Philadelphia, have
undertaken to obtain copies of the pro-
ceedings of the courts in the British
Islands, in the West-Indies: Bermuda,
the Bahamas, and in their colonies, in
North America, upon the cases of A-
merican vessels, and property tried in
the courts in any of the said Islands, or
colonies.
The Committee therefore give this
public notice, that all persons concerned
who have not already obtained authen-
tic copies of the proceedings, in their
particular cases, may furnish the Secre-
tary of State with the names of the
vessels, and matters, the places where
the trial was had, the time when, and
such other circumstances as the nature
of the case may require.
It is deemed important that those
particulars be furnished as soon as possi-
ble.

For this Gazette, are hereby respect-
fully requested to pay their Subscriptions
to the first of January next. The Editor

A SUBSCRIPTION
Is opened for Printing the
Theological Writings
OF
Emanuel Swedenborg,
At Francis Bailey's Book store, No. 116,
Market Street, Philadelphia.
WHEN a sufficient subscription takes
place, a meeting will be advertised to con-
sider the most eligible mode for conducting
the printing of such of the Works as shall
be thought to be of the greatest utility in
the first instance.
The following Treatises may be now had at
Mr. Bailey's:
The Doctrine of Life, or the Spiritual
Sense of the Ten Commandments.
The Universal Theology of the New
Church; which was first published by the
Lord in Daniel, chap. 7, v. 3, 4, 5, 6,
and in the Apocalypse, chap. 21, v. 1,
2, &c.
A Summary View of the Heavenly Doc-
trines of the New Jerusalem Church.
As various opinions have been en-
tertained respecting these treatises, and
yet no person by rational argument has
been able to refute them, but instead there-
of, invincible columns and groundless re-
ports have been industriously propagated
to discredit the honourable and enlighten-
ed Author, as well as his Works, we doubt
not the candid and sincere inquirer after
Truths of the highest importance, will re-
solutely examine those Works; for although
in which it is to be hoped, that being in the
pursuit and love of the Truth, they will
of its native excellence and use, they will
regard them as they justly deserve, and in
the end receive both profit and delight.
