For the Information of the
Merchants.

The committee having been notified by
the Secretary of State, that the Agent of
claims and appeals appointed by the Presi-
dent of the United States is to embark
immediately for London, and that he is au-
thorized to bind the United States under the
direction of Mr. Jay, for the costs and da-
mages, attending the prosecution of the
claims of American citizens; that the neces-
sary counsel will be engaged on the part of
the United States, and that if the parties
will obtain copies of the proceedings of the
Courts on their respective cases, the ex-
penses of the records will be reimbursed by
the United States.

They are of opinion that measures
ought to be immediately taken for obtain-
ing authenticated copies of such records and
proceedings in all cases where they have
not already been preserved, and will under-
take to obtain them for all such of their
fellow-citizens as shall within 20 days from
this date furnish the names of the vessels
and masters; the ports or places where
tried or condemned, with such other infor-
mation as the circumstances of the case
may require.

They recommend to those who have al-
ready obtained the copies of the proceed-
ings of the Courts to have them examined
by some person of legal knowledge; that if
they should be found defective in any re-
spect the deficiency may be supplied, at the
same time that the records are applied for.
In behalf of the Committee,
THOMAS FITZSIMONS.
November 6, 1794.

NOTICE

Is hereby given, that all persons interest-
ed in the case of British captures, that
Mr. Samuel Bayard, of the City of Phila-
delphia, is appointed to proceed to Lon-
don, as agent of claims and appeals; that
the merchants of Philadelphia, whose prop-
erty has been condemned, have appoint-
ed a committee, consisting of Thomas
Fitzsimons, James Yarr, Stephen Girard,
James Olden and J. Shoemaker, to confer
occasionally with the Secretary of State;
That copies of the letters, which have
passed between the Committee and the Sec-
retary, are transmitted to the several
Call Editors in the United States, for the in-
formation of all interested: That the Com-
mittee will adopt measures for procuring
the records, yet wanting: And will enter
into the proper correspondence in the U-
nited States, and in the West Indies.
The appointment of a committee was
at the desire of the Secretary of State, for
the convenience of persons at a distance.
But any letters upon this subject are still
to be addressed to him.

To the Merchants of the
United States.

At the special request of the secretary
of State, the committee appointed by
the merchants of Philadelphia, have
undertaken to obtain copies of the pro-
ceedings of the courts in the British
Islands, in the West Indies: Bermuda,
the Bahamas, and in their colonies, in
North America, upon the cases of A-
merican vessels, and property tried in
the courts in any of the said Islands, or
colonies.

The Committee therefore give this
public notice, that all persons concerned
who have not already obtained authen-
tic copies of the proceedings, in their
particular cases, may furnish the Sec-
retary of State with the names of the
vessels, and masters, the places where
the trial was had, the time when, and
such other circumstances as the nature
of the case may require.

It is deemed important that those
particulars be furnished as soon as possi-
ble.

As there is a considerable Sum due from
remote Subscribers for the late half Week-

earnestly requests those who may be delin-
quent, to take the earliest opportunity of
remitting him the balance they may re-
spectively be indebted—the sums are indi-
vidually trifling—the want of the Aggre-
