To the Public. A SUBSCRIPTION Is opened for Printing the **Theological Writings** OF **Emanuel Swedenborg,** At Francis Bailey's Book Store, No. 100, Market Street, Philadelphia. WHEN a sufficient subscription takes place, a meeting will be advertised to consider the most eligible mode for conducting the printing of such of the Works as shall be thought to be of the greatest utility to the first instance. The following Treatises may be now and then seen at Mr. Bailey's: The Doctrine of Life, or the spiritual sense of the Ten Commandments. The Universal Theology of the New Church; which was revealed to Emanuel Swedenborg, in the year 1734, and in the Apocalyptic, chap. 17, v. 13, 14, 15, &c. A Summary View of the Heavenly Kingdom of the New Jerusalem Church. As various opinions have been retained respecting these revelations, and yet no person by rational enquiry has been able to refute them, but a number of invidious calumnies and gross reports have been industriously propagated to discredit the honourable and pious Author, as well as his Works; not the candid and sincere, but the trifling of the highest importance, seriously examine those Works, in which it is to be hoped, the pursuit and love of the Truth, of its native excellence, and regard them as they justly deserve, the end receive both profit and pleasure.
