C. W. PEALE.

EVER solicitous to render his MUSEUM still more and more an object of rational entertainment, and subservient to the interests of useful science, has on the suggestion and with the advice of a number of his friends, provided a Book, which will be always open for the inspection of those who visit his Museum, in which book it is proposed to insert all such discoveries, inventions, improvements, schemes, observations, experiments, projects, hints or queries relating to the arts or sciences, as any of his visitors, or correspondents, may from time to time communicate.

Such as may chuse to conceal their names may either send their communications anonymous, or at their desire, C. W. Peale will insert their names, with the number or signature of their respective communications in a private book which he shall keep for that purpose.

The advantages of such a public register are obvious. It will rescue from oblivion many useful hints, which might otherwise have died with their authors. It may secure to inventors their just claims, and prevent others from taking the honor or profit of a discovery to which they are not entitled, and as the Museum is now visited by persons from almost all parts of the world, such a register, it is presumed, will soon contain and be the means of disseminating a vast fund of useful knowledge, and promote that spirit of enquiry and invention, for which the people of the United States are already so justly distinguished.

FOR SALE,

the following

Tracts of Land,

in Virginia.

ONE tract in Frederick county, containing 8756 acres, being part of that whereon col. Thomas Bryan Martin now resides, known by the name of Greenway court, about 12 miles from Winchester and 5 from Newtown. For the convenience of purchasers, it will be divided into parcels of various dimensions from 200 to 600 acres, which may be viewed by application to col R. K. Meade, living near the premises—The greater part is very fertile and well timbered.

Another tract in the same county on Passage creek, containing 230 acres, and adjoining Jacob Levingoods.

Another tract in Hampshire county, containing by patent, 699 acres, called Slim Bottom, situate on both sides of the South Branch and within two miles of the mouth of it, and is supposed to have a good mill seat.

Another tract in Hampshire county on New Creek and Kettle-Lick, containing 501 acres.

Another tract in Prince William county, called Leesylvania, containing upwards of 2000 acres, lying upon Potomack river, about 23 miles below Alexandria, and 28 below the City of Washington, comprehending Freestone Point, which appears to be a quarry of free-stone, covering about 50 acres and adjoins the river, where vessels of 100 tons conveniently harbour. On another part of this tract it is supposed there is a quarry of slate, convenient to water carriage. Upwards of two thirds are in woods. Mr. Enoch S. Lane, living on the premises, will shew this tract.

Another tract, in Fairfax county, called Springfield, containing 2040 1-2 acres, about 13 miles from Alexandria and 10 from Washington; abounds with fine springs and meadow ground, and may be seen by applying to Mr. John Wood, living on part of it

Another tract in Fairfax county, containing 392 acres, on Turkey-cock Run, about 6 miles from Alexandria.

Another tract in Fairfax county, containing about 176 acres, adjoining Mr. J. Watson's seat, about four miles from Alexandria.

Another tract, in Fairfax county, containing 513 acres, near Occoquan, joining Mr. Edward Washington's.

Another tract, in Fairfax county, containing 80 acres or thereabout, within a mile of Pohick Landing, and within five miles of Mount Vernon, lies level, and is well timbered.

An undivided moiety in another tract, containing about 284 acres, in Fairfax county, about 5 miles from Washington, & 9 from Alexandria, where J. Robinson formerly lived.

Another parcel of land, within a mile of Alexandria, containing about 24 acres, and to be sold in acre or half-acre lots.

Also, sundry unimproved lots of various sizes, in different parts of the town of Alexandria.

To describe the premises more particularly is deemed unnecessary, as it is expected every person will examine and view whatever part he shall be inclined to buy. My only object being to raise a certain sum of money, by selling so many or such parts of the aforesaid tracts of land and lots as shall be necessary for that purpose, one half of the purchase money must be paid at the time of contract, and the other within a year from the first day of August next, and at the time of delivering possession or executing a legal conveyance. The lands remaining unsold, except the tract in Prince William, after raising a limited sum, will be divided into tenements, and leased for a term of years. From the 12th day of October next, till the 15th of December, I shall be in the city of Richmond, and after that time I shall remain at home, in Alexandria, at which places, or elsewhere, I shall be prepared to detail particulars, and to enter into contracts.

Distant Subscribers

For this Gazette, are hereby respectfully requested to pay up their Supscriptions to the first of January next. The Editor will be under the necessity of considering those who do not then renew their Subscription by paying Six Months in Advance, as declining to take the Paper any longer.

As there is a considerable Sum due from remote Subscribers for the late half Weekly Paper published by the Editor, he most earnestly requests those who may be delinquent, to take the earliest opportunity of remitting him the balance they may respectively be indebted—the sums are individually trifling—the want of the Aggregate is severely felt.
