33,261 Blanks  
50,000 Tickets at 8 dollars 400,000

This Lottery will afford an elegant spec-  
imen of the private buildings to be erected in  
the City of Washington—Two beautiful de-  
signs are already selected for the entire lot-  
tery on two of the public squares; from these  
drawings, it is proposed to erect two cen-  
tre and four corner buildings, as soon as possible  
after this Lottery is sold, and to convey them  
when complete, to the fortunate adventurers,  
in the manner described in the scheme for  
the Hotel Lottery. A net deduction of five  
per cent. will be made to defray the neces-  
sary expences of printing, &c. and the sur-  
plus will be made a part of the fund intended  
for the National University, to be erected  
within the City of Washington.

The drawing will commence as soon  
as the Tickets are sold, or at all events on  
Monday, the 22nd of December next: The  
money prizes will be payable in thirty days  
after it is finished, and any prizes for which  
fortunate numbers are not produced within  
twelve months after the drawing is closed are  
to be considered as given towards the fund  
for the University, it being determined to  
settle the whole business in a year from the  
ending of the drawing and to take up the  
bonds given as security.  
The real securities given for the payment  
of the Prizes, are held by the President and  
two Directors of the Bank of Columbia, and  
are valued at more than half the amount of  
the Lottery. The drawing will be under  
the management of 24 gentlemen approved  
by the commissioners for the City of Wash-  
ington, for the time being, and acting on  
oath.
