THE WHOLE  
**Dramatic Works**

OF  
**WILLIAM SHAKSPEARE,**

IN EIGHT DUODECIMO VOLUMES,  
At One Dollar each  
**CONDITIONS.**

I. This Work will be comprized in Eight Duodecimo Volumes, printed on a fine American paper, in a fine Typographical Elegance that shall reflect the highest credit on the American press.  
II. That it shall be embellished with a beautiful Frontispiece of Shakspeare—engraved by the best American Artist.  
III. That the price to Subscribers will be EIGHT DOLLARS, one dollar to be paid on subscription, and one dollar on the receipt of every succeeding volume but the last:—to enable the Publishers to pursue with convenience this arduous undertaking.  
IV. Each volume shall be delivered in blue boards to the Subscribers immediately on the publication of every volume with best impressions of the Frontispiece—the price to be raised to Non-Subscribers.  
V. That the names of the Subscribers will be printed to record the patrons of this endeavour to encourage the useful and elegant Arts in America.

**TO THE PUBLIC.**

THAT Shakspeare has followed nature with such truth and correctness, as to render his Works the delight of all nations, however differing in customs and manners from his own, is a fact which more than centuries of universal approbation have sufficiently established.—The debt unpaid by the careless and unmindful contemporaries of this illustrious Man has been left to posterity to discharge, and in proportion to the progress of taste and literature, the gratitude of mankind has endeavoured to acknowledge the obligation.—England has exhibited her favourite Authors with splendor, and it is hoped that America that least of true liberty, will not be backward in encouraging this first great attempt to do merited justice to the author of this Dramatic Work.

The selection therefore, of this incomparable Production for an ELEGANT AMERICAN EDITION, requiring no justification, it only remains for the Publishers to add a few observations on the claim which such undertakings have to patronage in America—a country, which for liberty none can equal and should necessarily be the nurse and patron of the Arts. And tho' to rival the Eastern country, may seem hopeless in us yet it is surely a laudable endeavour to excite that encouragement here, which should be always offered to improvement and excellence. Indeed the zeal which has appeared in America, since the permanent establishment of the present happy Constitution, for patronizing the arts, whilst it has produced and rewarded a multitude of works which immortalize the artists, has also exalted the character of the nation, and given dignity to the people whose patriotism and munificence have promoted their discovery of perfection.

America is not infensible to the value of character, and will asume her rank amongst nations as an encourager of the arts. It would therefore be an impeachment of her understanding and patriotism, if a doubt were entertained of her possessing a portion of that spirit which elevates the eastern world, a spirit which considered in a national point of view, is one of the most praiseworthy in the catalogue of public virtues; as it contributes to the best interests of society, by promoting industry, cherishing genius, multiplying the rational enjoyments of life, and exciting a general taste for the beautiful and the excellent.

In the hope then that the humble effort here proposed may interest this spirit, and have some claim to general encouragement, it has been undertaken.  
The attention which shall be paid to the correctness and beauty of the PRINTING, will evince the desire of the publishers to present their country with an edition worthy of the inimitable Shakspeare.

The Publishers assure the Patrons of this undertaking, they will discharge their engagement with strict probity and honor, and therefore hope they may justly claim public confidence and support.  
Subscriptions will be received at Stephens's Book-Store, No. 57, South Second Street, and at the principal Bookellers in the United States—also, at the Publishers No. 75 Dock Street, and at the Philadelphia Coffee-House.

HAS removed his Printing-Office from No. 41, Chestnut Street, to Franklin's Head, No. 36, four doors from the corner of Second Street, fourth side, nearly opposite; where the printing Business is carried on as usual; his whole attention being confined to that occupation. Orders from any part of this State, or the continent, will be executed, and authors may rely on having any work they may see fit to publish, corrected printed, either in French or English. THE LEVEL OF EUROPE AND NORTH AMERICA, with a COPIOUS PRICE CURRENT, is printed for the editor, PETER EGROU, L. L. D. at the above mentioned office, in French and English; which publication has received the patronage of some of the most distinguished characters in America, and whose names, in a few days, will be published, and accompany the two first numbers to the subscribers.  
N. B. Blanks, Circular Letters, Checks, Cards, Handbills, &c. &c. continue to be executed with the usual dispatch.

Europe and North America, ever anxious to communicate to Europeans, who may be desirous of settling in this Continent, whatever they may tend to inform them of the advantages they may find here, whether in agriculture or in commerce, has the honor to acquaint the public, that he has undertaken the translation of a work just published under the title of *A View of the United States of America*. This translation will be executed with the permission of the Author, Tench Coxe, Esq. Commissioner of the Revenues of the United States.

**Distant Subscribers**  
For this Gazette, are hereby respectfully requested to pay up their Subscriptions to the first of January next. The Editor will be under the necessity of considering those who do not then renew their Subscription by paying Six Months in Advance, as declining to take the Paper any longer.

As there is a considerable Sum due from remote Subscribers for the late half Weekly Paper published by the Editor, he most earnestly requests those who may be delinquent, to take the earliest opportunity of remitting him the balance they may respectively be indebted—the same are individually trifling—the want of the Aggregate is severely felt.

**To the Public.**  
A SUBSCRIPTION  
Is opened for Printing the  
**Theological Writings**  
OF  
**Emanuel Swedenborg,**  
At Francis Bailey's Book Store, No. 116, Market Street, Philadelphia.

WHEN a sufficient Subscription takes place, a meeting will be advertised to consider the most eligible mode for conducting the printing of such of the Works as shall be thought to be of the greatest utility in the Christian Church.  
The following Treatises may be now had at Mr. Bailey's:  
The Doctrine of Life, or the Spiritual Sense of the Ten Commandments.  
The Universal Theology of the New Church; which was foretold by the Lord in Daniel, chap. 7, v. 13, 14, and in the Apocalypse, chap. 21, v. 1, 2, &c.  
A luminous View of the Heavenly Doctrines of the New Jerusalem Church.  
As various opinions have been entertained respecting the several writings and yet no person by rational argument has been able to refute them, but instead thereof, invidious calumnies and groundless reports have been industriously propagated to discredit the honorable and enlightened Author, as well as his Works, we doubt not the candid and sincere inquirers after Truths of the highest importance, will seriously examine those Works for themselves, in which it is to be hoped, that being in the pursuit and love of the Truth for the sake of its native excellence and use, they will regard them as their justly deserved, and in the end receive both profit and delight.
