CONSISTING OF  
STATE PAPERS;

By EBENEZER HAZARD, A. M. Member of the American Philosophical Society, Fellow of the American Academy of Arts and Sciences, and Correspondent Member of the Massachusetts Historical Society.  
Two large quarto volumes, price TEN DOLLARS in boards.  
A few copies of the second volume which have been subscribed for, and for which the subscribers have paid one dollar each, are still on hand. Subscribers will please call for them at T. Dobson's Store.  
The importance of materials for a History of the United States will be generally acknowledged; the design of this compilation is to preserve the early and authentic documents on this subject which had become exceedingly scarce, and were not obtained without difficulty.  
Many of these papers are very curious, and will be highly entertaining to the lovers of American Antiquities, and when considered as authentic memoirs of the early transactions of a people destined to occupy a distinguished and enviable station in the annals of human liberty, they become peculiarly interesting and important.
