Extract from the Preface.
"My chief aim has been, to offer to the
public a Dramatic Entertainment, which,
while it might excite a smile, or call forth
the tear of sensibility, might contain no
one sentiment, in the least prejudicial,
to the moral or political principles of the go-
vernment under which I live. On the con-
trary, it has been my endeavour, to place
the social virtues in the fairest point of
view, and hold up to merited contempt
and ridicule, their opposite vices. If, in
this attempt, I have been the least success-
ful, I shall reap the reward to which I as-
pire, in the smiles and approbation of a li-
beral public.

PROPOSALS
By **Thomas Dobson,**
For Publishing by Subscription,
An English Translation
OF
Poole's Synopsis of the Tran-
slations of the Bible,
And Of
The Critics, Interpreters, and Commentators
Exhibiting at one view, the principal criti-
cisms, and most valuable Elucidations of
the Scriptures; Illustrations of the an-
cient Eastern Manners and customs; &
Descriptions of the Plants and Animals
therein mentioned; with improvements
from observations of Travellers, since
the publication of that excellent work.
It has been matter of wonder and regret
that this most learned and valuable work,
so highly prized by the learned, both curi-
ous and serious, has never been translated,
and thereby the bulk of readers have been
deprived of a work of the greatest enter-
tainment and utility; in which by the La-
bors of the learned of various ages and na-
tions, the Sacred Scriptures are cleared of
the contradictions and absurdities of mod-
ern translations, and the ancient manners-
metaphors, allegories, and figures are il-
lustrated in such a way, as to unite the most
rational entertainment with the most sub-
lime instruction; & to discover the source
whence true philosophers, in all ages, have
derived their knowledge from the Sacred
Scriptures, which contain the seeds of all
the sciences valuable to man.

This work is proposed to the Public on
the following
CONDITIONS.
It is supposed the whole will be com-
pleted in four volumes, large quarto; and
will be set to the press as soon as a suffi-
cient number shall be subscribed for, to de-
fray the expence.
The price to subscribers will be four
dollars for each volume, in boards. No
money will be demanded till the first vol-
ume shall be completed, when the price of
the first and second volumes will be re-
quired. When the second volume is finish-
ed, the price of the third will be payable—
And when the third volume is finished, the
price of the fourth must be paid.
The price of such copies as may not be
subscribed for will be raised 25 per cent.

To the Public.
A SUBSCRIPTION
Is opened for Printing the
Theological Writings
OF
Emanuel Swedenbourg,
At **Francis Bailey's Book store,** No. 116,
Market street, Philadelphia,
WHEN a sufficient subscription takes
place, a meeting will be advertised to con-
sider the most eligible mode for conducting
the printing of such of the Works as shall
be thought to be of the greatest utility in
the first instance.
The following Treatises may be now had at
Mr. Bailey's:
The Doctrine of Life, or the Spiritual
sense of the Ten Commandments.
The Universal Theology of the New
Church; which was foretold by the
Lord in Daniel, chap. 7, v. 5, 13, 14,
and in the Apocalypse, chap. 21, v. 1,
2, &c.
A summary View of the Heavenly Doc-
trines of the New Jerusalem Church.
As various opinions have been en-
tertained respecting these invaluable writings,
and yet no person by rational argument has
been able to refute them, but instead there-
of, invidious calumnies and groundless re-
ports have been industriously propagated
to discredit the honourable and enlighten-
ed Author, as well as his Works, we doubt
not the candid and sincere inquirers after
Truths of the highest importance, will se-
riously examine those Works for themselves,
in which it is to be hoped, that being in the
pursuit and love of the Truth for the sake
of its native excellence and use, they will
regard them as they justly deserve, and in
the end receive both profit and delight.
