The importance of materials for a History  
of the United States will be generally acknowl-  
edged; the design of this compilation is to  
preserve the early and authentic documents  
on this subject which had become exceedingly  
scarce, and were not obtained without diffi-  
culty.  
Many of these papers are very curious, and  
will be highly entertaining to the lovers of  
American Antiquities, and when considered  
as authentic memoirs of the early transac-  
tions of a people destined to occupy a distin-  
guished and enviable station in the annals of  
human liberty, they become peculiarly inter-  
esting and important.

**BOOKS,**  
PRINTED & PUBLISHED  
By **Mathew Carey,**  
No. 118, Market Street,  
1. Charlotte, a tale of truth,  
By Mrs Rowson, of the New-Theatre  
Philadelphia.  
Second American edition—Price 75 cents.  
[The rapid sale of the First Edition of  
this interesting novel, in a few months,  
is the best proof of its merit.]  
Extra from the Critical Review, April  
1791, p. 468.  
It may be a tale of truth, for it is not un-  
natural, and it is a tale of real distress—  
Charlotte by the artifice of a teacher, re-  
commended to a school from humanity ra-  
ther than a conviction of her integrity of  
the regularity of her former conduct, is en-  
ticed from her governess, and accompanies  
a young officer to America—the marriage  
ceremony, if not forgotten, is postponed,  
and Charlotte dies a martyr to the inco-  
nstantcy of her lover, and treachery of his  
friend.—The situations are arduous and at-  
taching—the descriptions natural and pas-  
sionate; we should feel for Charlotte if such  
a person ever existed, who for one error,  
scarcely perhaps deserved so severe a pun-  
ishment. If it is a fiction, poetic justice  
is not, we think, properly distributed.  
2. The Inquisitor—by Mrs. Rowson, Se-  
cond Philadelphia edition. 47 1/2 cents  
3. Adventures of Roderic Random. 2 vols.  
1 dollar and 50 cents, coarse paper—1  
dollar and 75 cents, fine.  
4. Notes on the state of Virginia—by Thomas  
Jefferson. Price, neatly bound, one  
dollar and a half.  
5. History of the French Revolution, from  
its commencement to the death of the  
Queen and the execution of Brissot.  
Two dollars.  
EXTRACT FROM THE PREFACE  
“The authors have presumed to affix to  
their title the epithet *Impartial*; and the  
reason is, because they cannot charge them-  
selves with feeling the smallest bias to any  
party, but that of truth and liberty; and  
they flatter themselves, that their readers  
will find not only every circumstance fairly  
represented, but every censurable action,  
whenever were the authors or actors, mark-  
ed in its proper colors. If it was necessary  
to make a declaration of their own prin-  
ciples, they would say, they are neither Tory  
nor Republican—they love liberty as Eng-  
lish Whigs, and execrate every criminal  
by which so noble a cause is endangered and  
obscured.  
“In the present ferment of the public  
mind, they cannot flatter themselves with  
the hopes of seeing this claim universally  
acknowledged. On the contrary, they are  
well assured that these pages will not be accept-  
ed to the zealots of either party. But when time  
shall dissipate the clouds of political de-  
jection, they with some confidence expect that  
erudict from public opinion, which candor  
and moderation seldom fail to receive.

curiosity and astonishment of mankind.”
