Interspersed with Songs, in three acts. Inscribed to the Citizens of the United States of North America.

By Mrs. Rowfon. As performed at the New Theatres in Phi-ladelphia and Baltimore.

ladelphia and Baltimore.

Extras from the Preface.

My chief aim has been, to offer to the public a Dramatic Entertainment, which, while it might excite a finile, or call forth the tear of feufibility, might contain no one fentiment, in the least prejudicial, to the moral or political principles of the government under which I live. On the contrary, it has been my end-avour, to place the focial virtues in the fairest point of view, and hold up to merital contempt and ridicule, their opposite vices. If, in this attempt, I have been the least successful, I shall reap the reward to which I aspire, in the smiles and approbation of a liberal public.
