To be Sold,
A VALUABLE Tract of Land,
BEING that part of the city of New Brunswick that lies in the county of Somerset and state of New Jersey. It contains upwards of 100 acres of excellent Land and is bounded on the fourth by the public road that leads from New York to Philadelphia for near two miles, on the east by the river Raritan for near a mile, and lays in a triangular form. Building Lots on several streets in this part of the town feel from five to ten dollars and two thirds a foot front, and the extension of Albany street, which the situation admits of, would be a very pleasant & commodious situation for dwelling houses. A considerable space along the river is well calculated for building flour-houses and wharves, and affords a seat for a Grift Mill on the bank of the river, which may be supplied with water from the Mile-Run by a subterraneous passage already dug, where vessels of 300 barrels burthen may conveniently load and unload. There are now on the premises a good Farm House and two large barns, a commodious new Dwelling House two stories high, 42 by 30 feet square, intended and well calculated for a store, with very good cellars under the whole, and a kitchen 30 by 20 feet square, a new wharf of 80 feet front, and a well built store house of 42 by 26 feet square and three stories high, and a quarry of building stone on the premises.
New Brunswick, one of the most flourishing places in New Jersey, lying at the head of the navigation of the river Raritan, is the magazine for the reception of the produce of a very extensive and fertile country, and is well situated for vending every kind of imported merchandise for supplying the country. The easy transportation of every kind of produce and manufacture from thence to New York by water, its situation on the post road through the states, and its vicinity to Perth Amboy, one of the best seaports in the states, render it an object worthy the attention of persons who have the means and know how to improve a situation so well calculated for commerce or manufactures.
The premises will be shown by John Parker or James Cole; at New Brunswick, and the terms and conditions of sale, made known by
James Parker,
Of Perth Amboy.

FOR SALE,
SEVERAL VALUABLE
Tracts of LAND,
LYING in King George County, Virginia, lying on the south side of Potomack Creek, near its mouth, being one mile from the river Potomack, containing by old survey eleven hundred and ten acres. There is on the above tract of Land a dwelling house thirty by twenty, with three rooms on the first floor, and two above, with fire places, a kitchen with a brick chimney, stables, corn house, meat house, dairy and other out houses; also a good framed store house by twenty-four, and a granary, both perfectly new, and agreeably situated on the Creek, commanding a fine view of the river Potomack, and one of the best fisheries either on the river or creek. This creek is navigable for vessels of several tons, and abounds with wild fowl of every kind, particularly ducks. The land is fertile and well adapted to the culture of corn, rye, and tobacco. There is also on it a quantity of timber of superior quality, either for ship or house building, & contiguous to the water, from whence it could be rafted to Alexandria, or to the City of Washington, and is not more than fifty miles distant from either place. The growth is chiefly red and white oak, locust, walnut, hickory, cedar and poplars of an extraordinary size. There are also a couple of small meadows now in timothy, and several other rich swamps, which may be put in at a small expense. The banks consist chiefly of shell-marl of the best quality, which affords a valuable and inexhaustible fund of manure.
Likewise another valuable Tract, lying in Potomack river, in King George county, nearly opposite to Port Tobacco in Maryland, containing about four hundred acres; one hundred of it is heavily timbered with white oak proper for house or ship building; about fifty acres of marl, and the whole of the land perfectly level, and well adapted to farming, being of a stiff quality, and excellent for holding manure. It bounds on the river about three quarters of a mile, has a most admirable herring and rock fishery, and for wild fowl is perhaps equal to any on the Continent.
It is well situated for a Ferry, being at a narrow part of the river, and is not more than thirty five miles from the City of Washington by land.
We will likewise sell a valuable Tract of Land, lying partly in King George and partly in Stafford county, containing five hundred acres; this tract is about one mile from Potomack Creek, it is well timbered and watered, the soil is of an excellent quality.
For a further account apply to Mr. Charles Stuart Waugh, at Dr. Benjamin Duffield's south Front Street, No. 303, or to the Subscribers, living on the premises, King George county, Virginia.

Pennsylvania Hospital
1st Month 26th 1795.
The managers, being informed, that many of their Fellow-citizens, entertain an erroneous opinion, that the tax commonly called the Hospital tax, which they have lately paid, is for the use of this house; think it a duty they owe the contributors to inform the public, that this institution receives no benefit therefrom, the said tax being laid for the sole purpose of erecting a building to accommodate persons with infectious diseases which is not to be within the limits of Philadelphia.
The principal dependance of the contributors to the Pennsylvania Hospital is on the legacies and voluntary contributions of their charitable and humane Fellow-Citizens, throughout the City and State.
Many of these whose minds have been impressed with the necessity there is of supporting this useful and valuable institution, have enabled the managers to maintain the house, at a great expense, upwards of forty years, by the valuable gifts and bequests, they have added at various times to the capital stock.
Relying still with a firm confidence on the well known benevolence of the charitable citizens of Pennsylvania, they commend the institution to their further notice, and as the funds are far short of being adequate to the heavy expences of the house, the managers do not expect to solicit their assistance in vain.
Published, by order of a board of managers.
SAMUEL COATES Sec'y.
The managers request that the Printers of the English and German newspapers, will insert the above, to encourage the design of the contributors, in founding and supporting the Pennsylvania Hospital.
