Struggle for Freedom:
A PLAY.
Interpers'd with Songs, in three acts
Inscribed to the Citizens of the United States of North America.
By Mrs. Rowson.
As performed at the New Theatres in Philadelphia and Baltimore.
Extract from the Preface.
"My chief aim has been, to offer to the public a Dramatic Entertainment, which, while it might excite a smile, or call forth the tear of sensibility, might contain no one sentiment, in the least prejudicial, to the moral or political principles of the government under which I live. On the contrary, it has been my endeavour, to place the social virtues in the fairest point of view, and hold up to merited contempt and ridicule, their opposite vices. If, in this attempt, I have been the least successful, I shall reap the reward to which I aspire, in the smiles and approbation of a liberal public."

To be Sold,
A VALUABLE
Traet of Land,
BEING that part of the city of New Brunswick that lies in the county of Somerset and state of New Jersey. It contains upwards of 600 acres of very valuable land and is bounded on the north by the public road that leads from New York to Philadelphia for near two miles, on the east by the river Raritan for near a mile, and lays in a triangular form. Building Lots on several streets in this part of the town fell from five to ten dollars and two thirds a foot front, and the extension of Albany street, which the situation admits of for a least half a mile, will open a new four for very pleasant & commodious situation for dwelling houses. A considerable space along the river is well calculated for building store-houses and wharves, and affords a great for a Grift Mill on the bank of the river, which may be supplied with water from the Mile-Run by a subterraneous passage already dug, where vessels of 300 barrels burthen may conveniently load and unload. There are now on the premises a good Farm House and two large barns, a commodious new Dwelling House two stories high, 42 by 32 feet square, intended and well calculated for a store, with very good cellars under the whole, and a kitchen 30 by 20 feet square, a new wharf of 80 feet front, and a well built store house of 40 by 26 feet square and three stories high, and a quarry of building stone on the premises.
New Brunswick, one of the most flourishing places in New Jersey, lying at the head of the navigation of the river Raritan, is the magazine for the reception of the produce of a very extensive and fertile country, and is well situated for vending every kind of imported merchandise for supplying the country. The easy transportation of every kind of produce and manufacture from thence to New York by water, its situation on the post road through the states, and its vicinity to Perth Amboy, one of the best seaports in the states, render it an object worthy the attention of persons who have the means and know how to improve a situation so well calculated for commerce or manufacture.
The premises will be shown by John Parker or James Cole, at New Brunswick, and the terms and conditions of sale, made known by
James Parker,
Of Perth Amboy.
