College of New Jersey.
 May 26, 1795.
ADVERTISEMENT.
 THE Grammar School formerly attached to this College, having gradually declined thro' the increasing infirmities of the late President for some time before his death, it is proposed by the subscriber immediately to revive it, and to put it under the most careful instruction and government. The Latin, Greek, and French Languages shall be taught in it, together with the principles of English grammar, of Geography, and practical Geometry. Parents, likewise, who do not chuse that their children should go through the entire course of studies in the College, may now have them instructed in any particular branches in the same manner, on the same terms, and to the same extent as in the College—particularly in the antiquities and mythology of Rome, in Geography, in the Mathematics, in Natural Philosophy, and Astronomy, in Moral Philosophy, and the principles of civil government, in Eloquence and in the Elements of History. They may address their children to any of the masters in the College, or to
SAMUEL S. SMITH.
 N. B. The young gentlemen shall be under the same rules of moral discipline as the other students—shall be subjected to public examinations, and, at leaving the college, shall be entitled to public testimonials of the branches they have studied, and of their proficiency in them.

DOMESTIC MEDICINE
 Or, *A Treatise on the Prevention and Cure of Diseases,*
 By Regiment and Simple Medicines, with an Appendix, containing a Dispensary for the use of private Practitioners, by **WILLIAM BOEHAN, M. D.** Fellow of the Royal College of Physicians, Edinburgh.
 Revised, and adapted to the Diseases and Climates of America, by
SAMUEL POWELL GRIFFITHS,
 M. D. Professor of Materia Medica, in the University of Pennsylvania.
 In One Large Volume, Octavo.—Price TWO DOLLARS AND A HALF.

THE best Eulogium on this Valuable Work is the reception it has met with from the Public, before the present very important improvements were added. Between twenty and thirty large editions of it have been sold.
 Being now adapted to the climate and diseases of the United States, it is hoped the work will be found more extensively useful, at the same time the price is lower than the London edition in its unimproved state can be sold for.
