Prevention better than Cure. For the prevention and cure of Bilious and Malignant Fevers, is recommended, DR. HAHN'S Anti-bilious Pills,

WHICH have been attended with a degree of success highly grateful to the inventor's feelings, in several parts of the West-Indies, and the southern parts of the United States, particularly in Baltimore, Petersburg, Richmond, Norfolk, Edenton, Wilmington, Charleston, Savannah, &c. The testimony of a number of persons in each of the above places can be adduced, who have reason to believe that a timely use of this salutary remedy, has, under Providence, preserved their lives when in the most alarming circumstances.

They are excellently adapted to carry off superfluous bile and prevent its morbid secretions; to restore and amend the appetite; to produce a free perspiration and thereby prevent colds which are often of fatal consequence. A dose never fails to remove a cold if taken on its first appearance. They are celebrated for removing habitual costiveness, sickness of the stomach and severe head-ache, and ought to be taken by all persons on a change of climate.

Dr. HAHN'S Genuine Eye-water. A certain and safe remedy for all diseases of the eyes, whether the effect of natural weakness, or of accident, speedily removing inflammations, defluxions of rheum, dullness, itching, and films in the eyes, never failing to cure those maladies which frequently succeed the small pox, measles and fevers, and wonderfully strengthening a weak sight. Hundreds have experienced its excellent virtues when nearly deprived of sight.

Tooth-ache Drops. The only remedy yet discovered which gives immediate and lasting relief in the most severe instances.

The Anodyne Elixir. For the cure of every kind of head-ache, and for pains in the face and neck.

Infallible Ague and Fever Drops. This medicine has never failed, in many thousand cases, to cure a hundred who had occasion to take more than one bottle, and numbers not halt a bottle. The money will be returned if the cure is not performed.
