300 Dollars REWARD.

RAN AWAY from the subscriber, on the 18th
of June inst. TWO NEGRO SERVANTS;
viz a negro woman named Pat, a washer wo-
man and cook, of about fifty two years of age—
tall and well shaped, of a black complexion. She
has had teeth, those of her under jaw are much
discoloured and project a good deal. She has a
full head of woolly hair—a very cross forbidding
countenance, is very impertinent, and laughs and
talks loud. Pat was born in South Carolina, and
speaks bad English, with the negro dialect. She
has on the upper part of her breast, two pretty
large lumps of flesh resembling Wens, or rather
with the appearance of the marks of a burn. She
carried away with her several changes of cloath,
and gowns of white muslin, and of coloured and
figured printed cottons fashionably made up. She
also carried away with her,
CLARA her daughter—a very stout, robust,
strong made girl, of a short stature, and round
shouldered—appearing to be about 14 years of
age. Clara has large staring eyes, a flat nose, an
oval flat face, her under jaw projecting a little,
and good teeth. She is very artful and impu-
dent, has a great fluency of speech, uses good lan-
guage, and has been taught to read.—She has the
appearance of ring worms on her left cheek and
chin; the skin in spots appearing much paler than
the rest of her complexion, which is much lighter
than her mother's.—Her hair is short and woolly.
She wore a pink ground printed cotton with a
small black figure, with new fore parts.
Also ran away, on Wednesday the 11th inst.
one, **DICK** and **AMELIA**. Dick, or as he has
been called himself, Richard Weaver, is a house-
servant.—he is about 5 feet 7 inches high, rather
small made, is about 25 years old, of a good
smooth, black complexion—has a flat nose, with
very large open nostrils. He carried his head
and neck as if he were stiff in the neck and shoul-
ders, which are high and tolerably square, and his
neck short—his legs are straight but small and
illy made, with scarce any calf. He has had bad
teeth, is left handed, and exceedingly awkward—
he has a full head of woolly hair, which he plait
and dresses to the best advantage. His voice is
small, his speech commonly mild and slow, and his
manners appear extremely simple, but he is at
bottom an artful knave, and when spoken to is
very apt to be passionate and impertinent. Dick
is a native of South Carolina, and speaks bad
English—he seduced and carried away with him
AMELIA, who he called his wife.
AMELIA is a very complete, well instructed la-
dy maid, much below the common stature and
of a small make—her complexion is that of a dark
mulatto or melizoe, nearly resembling that of the
Luscifers of India, with black curling hair, and a
very low forehead—her right eye has a great
weakness, owing to the small pox in her infancy—
under her eyes very black—a flat face, flat broad
nose, with scarce any rising at the bridge; a large
mouth, with thick lips, and good strong teeth.
On the nape of her neck she has the marks of a
Seron. Driftles with taste, and imitates the French
style; is very fondible, and expresses herself well.
She took with her a variety of clothes, fashion-
ably made—she has for more than two years past
been liable to fits, which at times give her a wild-
ness in her eyes—her health is generally delicate—
she is at present likely to overcast her family, and is
about 22 years of age—she can dress hair, clear
starch, has a taste for millinery and mantua-
making; and as she is very ingenious, can turn her
hand to any thing and may probably offer herself
to some milliner or mantua maker as a work-
woman. As AMELIA has heretofore been a great
favourite of a very indulgent mistress, and has
been led away by the persuasion of her paramour
Dick, if the will return to me, she
will be forgiven and treated with the same ten-
derness she has always received.
FIFTY DOLLARS Reward for each will be
paid for the delivery of Pat and Clara to the
subscriber, or to any goal in the United States,
to that they get possession of them.—One Hundred
Dollars each for Dick and Amelia, on the like
delivery. The subscriber warns all master
of vessels, from taking these Runaway servants
from the United States, and requests such
of his friends and acquaintance as it may not fail
to arrest them, to give information, should they
hear of either of the fugitives, to the subscriber
by letter directed to the post office, Philadelphia,
which will find him, wherever he may pass the
summer, or to the Printer of the Gazette of the
United States, who will communicate it to a
friend in Philadelphia to act on his behalf.
