TO READERS AND CORRESPONDENTS.

"A VISION" shall appear in due time. The Author, like the prophet Hosea, has "used similitudes" and looked at strange things through the telescope of Fancy.

"TRISTRAM," has a right to the family name of SLANDY. As we respect this race, we cordially take a descendant by the hand, and propose, some evening this week, to introduce him into public company.

We recommend to the perusal of every sober and moral man the article in the Gazette of to-day, signed INDIGNATION. It exposes with energy the foul deformity of that state of things, where a convicted felon is stationed on the judgment seat.

BOSWELL, in his preface to the Life of Dr. JOHNSON, expresses his opinion in the following manner, of what have been called the Doctor's Tory politics:

50 ships failed from Toulon, with provisions, ammunition and money, for Genoa. 6 of these with provisions have been taken by the British frigate Photon, several have been carried to Minorca, several have been burnt; and a few, it is said, succeeded in getting to Genoa.

A remarkable instance of the ferocious obduracy of what is termed the truly bred Bull-Dog, was witnessed at Carlisle (Eng.) A horse belong to a poor man, a porter, at Stanwix, contrived to get freed from the halter with which he had been fastened, in Castle-street, and had proceeded several yards on its way home before the owner was apprized of its escape.

Here a crowd collecting prevented its further progress, and turned it again up Scotch Street, where it was met by those who had been its pursuers; to elude being caught by whom, and frantic from pain and fear, it ran into the shop of Mr. Porter, ironmonger, and thence into the parlour, where the family were at tea.

The School for Scandal has been translated into the Russian language, and is acted at Petersburg with great eclat.

Rheumatic colds have increased so much with the muffled transparencies, that there is scarcely a fashionable house in town without a fir in perit.

A woman was taken up on a charge of bawdery; she refused to swear to the father of the child till she was delivered, giving as a reason, that she could not do justice to her conscience till she knew the colour of it, as her master was a white man, and his footman a black!
