**Prevention better than Cure.**  
For the prevention and cure of Bilious and  
Malignant Fevers, is recommended,  
**DR. HAHN'S**  
**Anti-bilious Pills,**  
WHICH have been attended with a degree  
of success highly grateful to the inven-  
tor's feelings, in several parts of the West In-  
dies, and the Southern parts of the United States—  
particularly in Baltimore, Petersburg, Rich-  
mond, Norfolk, Edenton, Wilmington, Charle-  
ston, Savannah, &c. The testimony of a num-  
ber of persons in each of the above places can be  
adduced, who have reason to believe that a  
timely use of this salutary remedy, has, under  
Providence, preserved their lives when in the  
most alarming circumstances.  
Facts of this conclusive nature speak more in  
favour of a medicine, than columns of pompous  
eulogy, founded on mere assertion, could do.  
It is not indeed presumptuously proposed as  
an infallible cure, but the inventor has every  
possible reason, which can result from extensive  
experience for believing that a dose of these pills,  
taken once every two weeks during the pre-  
valence of our annual bilious fevers, will prove an  
infallible preventative; and further, that in the  
earlier stages of those diseases, their use will  
very generally succeed in restoring health and  
frequently in cases esteemed desperate and beyond  
the power of common remedies.  
The operation of these pills is perfectly mild  
and may be used with safety by persons in every  
situation and of every age.  
They are excellently adapted to carry off su-  
perfluous bile and prevent its morbid secretions;  
to restore and amend the appetite; to produce a  
free perspiration and thereby prevent colds  
which are often of fatal consequence. A dose  
never fails to remove a cold if taken on its first  
appearance. They are celebrated for removing  
habitual costiveness, sickness of the stomach and  
severe head-ache, and ought to be taken by all  
persons on a change of climate.  
They have been found remarkably efficacious  
in preventing and curing most disorders attend-  
ant on long voyages, and should be procured  
and carefully preserved for use by every seaman.

**Dr. HAHN'S**  
**Genuine Eye-water.**  
A certain and safe remedy for all diseases of  
the eyes, whether the effect of natural weakness, or of  
accident, speedily removing inflammations, de-  
fluxions of rheum, dullness, itching, and films in  
the eyes, never failing to cure those maladies which  
frequently succeed the small pox, measles and fe-  
vers, and wonderfully strengthening a weak sight.  
Hundreds have experienced its excellent virtues  
when nearly deprived of sight.

**Tooth-ache Drops.**  
The only remedy yet discovered which gives im-  
mediate and lasting relief in the most severe in-  
stances.

**The Anodyne Elixir.**  
For the cure of every kind of head-ache, and of  
pains in the face and neck.

**Infallible Ague and Fever Drops.**  
This medicine has never failed, in many thou-  
sand cases not one in a hundred has had occasion to  
take more than one bottle, and numbers not halt  
a bottle. The money will be returned if the cure  
is not performed.
