### Prevention better than Cure.

For the prevention and cure of Bilious and Malignant Fevers, is recommended, Dr. HAHN'S

### Anti-bilious Pills,

WHICH have been attended with a degree of success highly grateful to the inventor's feelings, in several parts of the West-India, and the southern parts of the United States, particularly in Baltimore, Petersburg, Richmond, Norfolk, Edenton, Wilmington, Charleston, Savannah, &c. The testimony of a number of persons in each of the above places can be adduced, who have reason to believe that a timely use of this salutary remedy, has, under Providence, preserved their lives when in the most alarming circumstances.

Facts of this conclusive nature speak more in favour of a medicine, than columns of pompous eulogy, founded on mere assertion, could do.

It is not indeed presumptuously proposed as an infallible cure, but the inventor has every possible reason, which can result from extensive experience for believing that a dose of these pills, taken once every two weeks during the prevalence of our annual bilious fevers, will prove an infallible preventative; and further, that in the earlier stages of those diseases, their use will very generally succeed in restoring health and frequently in cases esteemed desperate and beyond the power of common remedies.

The operation of these pills is perfectly mild and may be used with safety by persons in ever situation and of every age.

They are excellently adapted to carry off superfluous bile and prevent its morbid secretions; to restore and amend the appetite; to produce a free perspiration and thereby prevent colds which are often of fatal consequence. A dose never fails to remove a cold if taken on its first appearance. They are celebrated for removing habitual costiveness, sickness of the stomach and severe head-ache, and ought to be taken by all persons on a change of climate.

They have been found remarkably efficacious in preventing and curing most disorders attendant on long voyages, and should be procured and carefully preserved for use by every seaman.

### DR. HAHN'S

In Senate, Wednesday, November 12,

The Senate proceeded to the order of the day on the Bill, from the House of Representatives, entitled, "An act to direct, on behalf of this State, the manner of appointing the Electors of a President and Vice-President of the United States." In committee of the whole, Mr. Postlethwaite in the chair.

It was moved by Mr. Gurney, seconded by Mr. Johnston, to amend the first section so as to read thus:

"Sec. 1. BE it therefore enacted, by the Senate and House of Representatives of the Commonwealth of Pennsylvania, in General Assembly met, and it is hereby enacted by the authority of the same, That the electors to elect, on behalf of the State of Pennsylvania, a President and Vice-President of the United States, at the next ensuing Election for that purpose to be holden, shall on the fifteenth day of November instant, be appointed by the Legislature of this Commonwealth, that is to say, Seven by the Senate and eight by the House of Representatives: Certificates of such appointment, in each house, shall be made out and signed by the Speaker, and forthwith presented by the Clerk thereof to the Governor of the Commonwealth."

This amendment produced considerable debate, which, for want of room, we are obliged to postpone. Messrs. Maclay, Smith, Findley, Gurney and Kean spoke on the subject.

The question being taken on the amendment, it was carried in the affirmative.—Yeas 13—Nays 11.

On motion, the 2d, 3d, and 4th sections of the bill were struck out, the committee rose, the chairman reported the bill with the amendments, and the house adjourned to three o'clock in the afternoon.

In the afternoon.

On motion of Mr. Ewing, seconded by Mr. Potts and by special order, two-thirds of the members present agreeing, the bill, entitled "An act to direct the manner of appointing Electors," &c. as reported by a committee of the whole, was again read and considered by paragraphs.

Sec. 1. having been read, it was moved by Mr. Smith, seconded by Mr. Barton, that at the end of the section the words "who shall thereupon declare, by proclamation the names of the persons so appointed," be inserted.

After debate, the question on this motion, being put, there were 12 yeas and 11 nays—the Speaker voted in the affirmative, and the question was carried, 13 to 11.

The yeas and nays, on the question on the section as amended, were called for by Mr. Kean and Mr. Lower, and the votes were as follows:

YEAS.	NAYS.
1 Mathias Barton	1 Wm. Findley
2 Ab'm. Carpenter	2 John Hamilton

The question was accordingly carried in the affirmative.

The preamble having been read, it was moved by Mr. Smith, seconded by Mr. Barton, and agreed, that all alter the word "but," in line 17, to the word "without," in line 20, be struck out.

The preamble and title were then agreed to.

Ordered, That the said bill be transcribed for a third reading. Adjourned to 10 o'clock Thursday morning. Thursday, November 13.

The bill directing the mode of appointing Electoral Electors was read the third time. The yeas and nays, on the question—"Shall this bill pass with the amendments?"—were called for by Mr. Whelen and Mr. Smith, and the votes stood as yesterday, 13 to 11.

Ordered, That the said be returned to the House of Representatives, with information, that the Senate hath passed the same, with amendments, to which the Senate request the concurrence of the House of Representatives.

In the House of Representatives on Thursday, the House took into consideration the amendments proposed by the Senate, and after considerable debate, non-concurred them, and returned them to the Senate.

Friday, November 14.

The Senate took into consideration the decision of the House of Representatives with respect to the Electoral Bill, and resolved not to recede from their amendments, 13 to 11.

In the afternoon the House of Representatives appointed a committee of conference to meet one from the Senate, if it should appoint one, on this subject.

We are informed, that the Senate have appointed a committee to confer with the committee of the House of Representatives on the subject of the disagreement of the two Houses—and that the two committees had met on Friday evening, and continued together till a late hour, and adjourned without coming to an agreement.
