Prevention better than Cure.
 For the prevention and cure of Bilious and Malignant Fevers, is recommended,
DR. HAHN'S
Anti-bilious Pills,
 WHICH have been attended with a degree of success highly grateful to the inventor's feelings, in several parts of the West-Indies, and the Southern parts of the United States—particularly in Baltimore, Peterburg, Richmond, Norfolk, Edenton, Wilmington, Charleston, Savannah, &c. The testimony of a number of persons in each of the above places can be adduced, who have reason to believe that a timely use of this salutary remedy, has, under Providence, preserved their lives when in the most alarming circumstances.
 Facts of this conclusive nature speak more in favour of a medicine, than columns of pompous eulogy, founded on mere assertion, could do. It is not indeed presumptuously proposed as an infallible cure, but the inventor has every possible reason, which can result from extensive experience for believing that a dose of these pills, taken once every two weeks during the prevalence of our annual bilious fevers, will prove an infallible preventative; and further, that in the earlier stages of those diseases, their use will very generally succeed in restoring health and frequently in cases attended with desperate and beyond the power of common remedies.
 The operation of these pills is perfectly mild and may be used with safety by persons in every situation and of every age.
 They are excellently adapted to carry off the pernicious bile and prevent its morbid secretions; to restore and amend the appetite; to produce a free perspiration and thereby prevent colds which are often of fatal consequence. A dose never fails to remove a cold if taken on its first appearance. They are celebrated for removing habitual costiveness, sickness of the stomach and severe head-ache, and ought to be taken by all persons on a change of climate.
 They have been found remarkably efficacious in preventing and curing most disorders attendant on long voyages, and should be procured and carefully preserved for use by every seaman.
DR. HAHN'S
Genuine Eye-water.
 A certain and safe remedy for all diseases of the eyes, whether the effect of natural weakness, or of accident, speedily removing inflammations, discharges of rheum, dullness, itching, and films in the eyes, never failing to cure those maladies which frequently succeed the small pox, measles and fevers, and wonderfully strengthening a weak sight. Hundreds have experienced its excellent virtues when nearly deprived of sight.
Tooth-ache Drops.
 The only remedy yet discovered which gives immediate and lasting relief in the most severe instances.
The Anodyne Elixir.
 For the cure of every kind of head-ache, and of pains in the face and neck.
Infallible Ague and Fever Drops.
 This medicine has never failed, in many thousand cases not one in a hundred has had occasion to take more than one bottle, and numbers not half a bottle. The money will be returned if the cure is not performed.
