450 Acres of Good Land.

There is on the said land a handsome and commodious house two stories high, 60 by 30 feet, with a portico the full length of the house, and extending to the upper story, and other necessary buildings fit for a Public House, for which they were intended; good baths are over several of the baths, with sweating rooms. There are adjacent thereto, two remarkable cold springs of well tasting lime-free water. These baths are a specific for the most difficult rheumatism, and all other diseases originating from cold or obstructed perspiration, and gives great relief in those cases; they have effected wonderful cures in various diseases incident to the ladies; they have this spring made a perfect cure of a disease on a West-Indian resembling the leprosy, and are remarkable for the cure of white swellings, contracted nerves, and many other diseases too difficult to be effected by medicine.

There is near the said Baths,

A new Saw-Mill erected, and a Race dug from thence, to build a Manufacturing Mill, which reclaims about 30 acres of rich Meadow Land as any upon the Continent, and may be watered every night, and the hay made thereon sells as well as any that is made near any city or town within the United States.

The proprietors of the above property will treat for the same on the premises, at any time between the 20th of August and the 20th of September; they will also sell Valuable Land for two or three Farms near the said Springs, and if the said Land and Houses at the springs are not sold, they will be rented.

FRANCES'S TAVERN.

No. 59 South Water Street.

THE Subscriber respectfully begs leave to inform his friends and the public in general, that he has removed from No. 165 South 2d Street, to that large, commodious, House in WaterStreet, between Chestnut and Walnut Streets, lately occupied by Mr. Isaac Hazlehurst, and, on which he has spared no pains or expense, to make it convenient and agreeable for the reception of gentlemen. The House being situated on the same spot where the noted Beef Steak and Punch house formerly stood, has the advantage of the best water in this city, known long since by the name of the Green Tree Water. As there are several elegant Rooms, sufficiently large to accommodate any Society or company of gentlemen, and from his well known abilities to please in the line of his business, he flatters himself with a continuance of that patronage which he has experienced since he first opened a Public House in this City, and, for which he begs leave to make a public acknowledgment.

For the accommodation of Small Parties, the Large Coffee Room on the ground floor is conveniently fitted up with a number of Boxes, constructed in such a manner as to admit Gentlemen to be as private as they please—Whereas may be had, at any hour, Soups, Beef-Steaks, Relishes, &c. &c.

He has on hand, and will keep a constant supply of Spirits and Malt Liquors, and of the best qualities.

Breakfasts provided—Also Dinners and Suppers cooked in the most approved manner, at a short notice, and payment of all sorts, made to order, in the House, or to send out at any hour.
