JUST PUBLISHED,

By FRANCIS & ROBERT BAILEY, and to be sold at their Bookstore, No. 16 High Street, and by the principal Printers and Bookellers throughout the United States,

A Revealed Knowledge of the Prophecies and Times,

Particularly of the present time, the present war, and the prophecy now fulfilling. Containing, with other great and remarkable things not revealed to any other person on Earth, the sudden and perpetual FALL of the TURKISH, GERMAN and RUSSIAN empires. Wrote under the direction of the Lord God, and published by his sacred command; it being a second sign of warning for the benefit of all nations; by the man that will be revealed to the Hebrews as their Prince and Prophet. The year of the World 5813.

By RICHARD BROTHERS.

FROM the following Extracts the Public will be enabled to form a judgment of this work.

"A man that has been an officer in the Navy, whose immediate ancestors have been separated from the Jews for such a considerable length of time as to make them forget they ever belonged to the name, such a man declaring himself openly to the world a prophet of God, the revealed prince allotted to order the sudden return of the Hebrews from all nations, and govern them in the land of Israel, will, with some reason I allow, excite both astonishment and doubt; but from the multiplied recorded testimonies I produce, which no other on earth can, it ought not to prevail with any person as a just objection against believing what I write."

"The prophet Daniel, chapter 8, verse 8. And four gr. at beats came up from the sea, different from one another. 4. The first was like a Lion, and it had Eagle's wings: I beheld 'till the wings were plucked, when it was lifted up on the Earth, and made to stand on the feet as a man: and a man's heart was given to it.

"The Lion means George the Third, the present King of England: plucking the wings of the Lion, means taking away the power of the king: made to stand on the feet as a man, with a man's heart, means his reduction to the condition of other men, and possessing similar thoughts.

"The SPANISH MONARCHY will cease by this war, and the STADTHOLDERSHIP of HOLLAND will be cut off close to the ground; according to the visions of god to me, in 1792, and which I communicated at that time, by his sacred command, to the King and Queen of England."

"The Dutch will acknowledge the French Republic, and make a hasty peace with it; the PORTUGUESE and PRUSSIANS will do the same."

"The UNITED STATES of AMERICA will declare war against England; but before they do, France will lose all her West India Islands; and after they do, Jamaica will be the last in the possession of the English."
