 Aug. 24.

Notice is hereby given to all persons who are or may be Creditors of the United States, for any sums of the Funded Debt, or Stock, bearing a present interest of six per centum per annum:
 1st. That pursuant to an Act of Congress, passed on the third day of March, 1795, intitled, "An Act making further provision for the support of Public Credit, and for the redemption of the Public Debt," there will be reimbursed and redeemed, on the first day of January ensuing, the rate or proportion of two per centum of the principal of the debt or stock, expressed in the Certificates issued to the said Creditors respectively.
 2d. The said reimbursements will be made at the Treasury of the United States, or at the Loan Offices where the said Stock may stand credited at the close of the present year.
 3d. The said reimbursements will be made to the said Creditors in person, or to their Attorneys duly constituted; but the powers of attorney which may be produced must contain an authority to receive the said reimbursement of principal, otherwise no more than the usual dividend of interest will be paid; and although the two per centum of principal to be redeemed, should not be demanded, yet the interest thereon will cease from the said first day of January next.
 4th. To prevent the great trouble and expence which would attend a renewal of the Certificates, in consequence of the said reimbursement of Principal, it has been determined that no renewal shall be made: And further, that the Certificates which may be issued during the year One thousand seven hundred and ninety-six, in consequence of any transfers of the said six per cent. Stock, shall notwithstanding the reimbursement of two per centum, as aforementioned, be expressed for the respective sums of the original Capital Stock. All persons who may negotiate the Funded six per cent. Stock of the United States, bearing a present interest, are therefore cautioned to observe, that during the year One thousand seven hundred and ninety-six, the value or true amount of Principal unredeemed of said Debt or Stock, will be ninety-eight per centum of the sums expressed in the Certificates.

A MILL for SALE.
 FOR Sale, on private contract, five undivided sixths parts of that valuable merchant-mill, called Old Pennypack Mill, with two dwelling houses, stables, cooper's shop, cask house, and other convenient buildings, with about 20 acres of good land, the greatest part thereof is excellent watered meadow, the remainder garden, orchard, and wood land; situate ten miles from Philadelphia, near the Washington Tavern, partly on the post-road leading to New-York, and partly on the River road; a remarkably healthy country, and an excellent neighbourhood. This mill being on Pennypack creek, a heavy stream of water, with about 15 feet head and fall, and the tide flowing about 6 feet, will admit a vessel carrying 1500 bushels of wheat to lay along side, and unload into the mill with Evans's elevator in about three hours. The mill house is large and built of stone, founded on a rock, the walls uncommonly thick and strong, (such a piece of mason work is rarely to be found) contains five floors, two water wheels, and three pair of the best French burr stones all running, double geared, with three bolting reels and cloths of the first quality, rolling screws, cylinder, and fans for cleaning wheat in the best manner, and passing it afterwards by an elevator into a
