JAMES M'ALPIN, TAYLOR,

No. 3 South Fourth Street. RETURNS his grateful acknowledgments to his Friends and the Public for their liberal encouragement, and begs to solicit a continuance of their favors.

City of Washington. SCHEME of the LOTTERY, No. II. FOR THE IMPROVEMENT OF THE FEDERAL CITY.

A magnificent of 20,000 Dollars, and dwelling house, cash 30,000 are

1 ditto 15,000 & cash 25,000 40,000 1 ditto 15,000 & cash 15,000 30,000 1 ditto 10,000 & cash 10,000 20,000 1 ditto 5,000 & cash 5,000 10,000 1 ditto 5,000 & cash 5,000 10,000 1 Cash price of 10,000 10,000 2 ditto 5,000 each, are 10,000 10 ditto 1,000 10,000 20 ditto 500 10,000 100 ditto 100 10,000 200 ditto 50 10,000 400 ditto 25 10,000 1,000 ditto 10 20,000 15,000 ditto 10 150,000

16,739 Prizes 83,261 Blanks 50,000 Tickets at 50 Cents 400,000

This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful designs are already selected for the entire fronts on two of the public squares; from these drawings, it is proposed to erect two centre and four corner buildings, as soon as possible after this Lottery is sold, and to convey them when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery.

The drawing will commence as soon as the Tickets are sold off.—The money prizes will be payable in thirty days after it is finished, and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the fund for the University, it being determined to settle the whole business in a year from the ending of the drawing and to take up the bonds given as security.

The real securities given for the payment of the Prize are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the Lottery.

The twenty four gentlemen who by appointment of the late Commissioners, assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.—The synopsis of one of the Colleges, to form a branch of the National Institution, is already in the press, and will be speedily published, together with its constitution.

A complete PLAN of the whole of this important Institution, compiled from a selection of the best materials, ancient and modern, will be submitted to the public whenever the same may have gone through such revisions as may be necessary to establish the perfect confidence and general approbation, so essential to its present rise and future existence for the general good of America.

By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been sent for sale, the public are assured that the drawing will speedily commence, and that the care and caution unavoidably necessary to insure a safe disposal of the tickets, has rendered the more suspension indispensable.

February 24, 1795. SAMUEL BLODGET, Cash.

\* Tickets may be had at the Bank of Columbia; of James Well & Co. Baltimore or Gideon Denton, Savannah, of Peter Gilman, Boston; of John Hopkins Richmond; and of Richard Wells, Cooper's term.

LOTTERY INTELLIGENCE. We are informed that the gentleman who drew the 15,000 dollar prize, in the Canal Lottery, was the proprietor of only a single Ticket.—This instance of good fortune, shews that it is well to be in Fortune's road; and is the more pleasing, as the owner of the prize is a very worthy, though not a very affluent citizen.

The Scheme of the Canal Lottery is certainly one of the best which has appeared—for, independent of the useful objects to which its proceeds are to be applied, the scheme is so calculated as to continually enhance the value of the Tickets remaining in the wheel; because, while the drawing progresses, the chance of a capital prize growing greater, must increase the value of the undrawn Ticket.

The Prizes drawn to the close of the drawing on last Wednesday Evening, were

1 of - 15,000 2 of - 10,000 3 of - 1,000 4 of - 500 11 of - 100 1700 of - 12

And there then remained in the wheel

1 of - 30,000 2 of - 10,000 6 of - 2,500 9 of - 2,000 15 of - 1,000 36 of - 500 89 of - 100 14800 of - 12

And 5 stationary prizes of 20,000 dollars each; by which, and the nature of those 5 stationary prizes, which are to belong to the five last drawn tickets, it will be found, that an undrawn ticket was yesterday morning, worth nearly 11-1/2 dollars, which, at the beginning, was worth no more than 10 dollars—and so the undrawn tickets must continue to increase in value, as fast as the drawing proceeds: And this circumstance will account for the number of Offices, which are opened for the sale of Tickets, as the profits must be daily increasing; and in a few days a Ticket now selling at 11 dollars, will no doubt command 15 dollars, and must continue to get higher as the drawing approaches to the five stationary prizes of 20,000 dollars each.

A good Cook, Will meet with constant employment, and receive generous wages. Apply to the Printer. Oct. 13.
