FOR SALE,

A NEAT two flory frame building, fituate in Fifth-firect, continued in Southwark, which Lets at 301. per annum, fubject to a ground rent of 110s. An elegant Brown Gelding, 14 1-2 hands high, goes well in a chair or under the faddle.—An handfome riding Chair and Ceachec, with harnefs complete. Three tracts of Land, fituate contiguous to each other, containing about 773 acres, in, Northumberland county, near the town of Northumberland. Sundry tracts of Land in Bedford county, being about 2,200 acres, part near the waters of Conymeaux, and adjoining Lands of

Bank of Columbia, FERMARY 12th, 1796. A Late act of the General Affenibly miking tome al-teration in the Churter of the Bink of Columbia (but not to have effect until the content of the Stockoold-ers in the fail Bank be given at a general succing, and transmitted, under their corporate leak, to the gevenor and conacil) being too long for infertion in a newfpaper, I am directed by the Prefident and Directors to notify the Stockholders of the alteration, as follows: By the original 'sw, the Stock of the Bink of Colum-bia is to could of 10,000 thares of 100 dollars each, to be paid by annu i initialments of 10 dollars on each thure, except the fift three payments, which are directed to be made, and which have accordingly been in ide, at thoreer periods. A failers in making any of the payments re-quired by the Law, operates a forfaiture of all proceeding payments.

quired by the law, operates a forfeiture of all proceeding payments. The late all provides that the Stockholders may pay as foon as they think proper, the Teveril infalments fill to become due on their flures, or any part thereof— but the aggregate amount of the voluntary payments b, to be made is not to exceed in may one year too,000 del-lars. No forfeiture is hereafter to be inturned by any Stockholder for non-payment of any of the remaining in-falments due on his flares—and each Stockholder is to be entitled to receive of the lature dividents to propor-tion to the fums actually paid by him to the Bank. Thus, it is propoled that each Stockholder full be at liberty to pay up the inflatments fill remaining unpaid on his flares, or not, as may belt fuit his convenience and intereff, without any rifk of forfering the payments already made, or his flare of the future dividends in pro-perion to his bayments. There has alre-if bare of the Stark at George-town on the zoth day of March next, to cleff twelve idi-rectors for the year enfining—acid it is prefamed by the Refident and Directors that the queftion as to the accep-tance or rejection of this late ach of the General Alfem-by will at that time be secied. (2aw20M) S. HANSON, of Sam. Coffner.

PROPOSALS.

PROPOSALS, FOR PRINTING BY SUBSCRIPTION, A NEW EDITION OF MILLAR'S ELEMENTS

LAW OF INSURANCE.

THE prefeat public ion thall, by additions to the first Treatife published in Britain in 1787, be sugments, o the fize of two volumes payal offerse, confilling of a bea

to the fize of two volumes royal adlates, confiding of a lot \$ 600 pages each, on a finall pice type. It had been fuggetied to the compiler, by many perforts convertiant in the law and practice of duitance, that a complete compilation of the *authorities* on this flage [40]. Of would be of great utility i to which perforts particularly interelied in this one branch of faw might have recourt infled of being under the needlity of purchasing and turning over a variety of voluminous p binations. Yo anfwer this end of conveniency, it is propoled to define the first volume of the prelent work to the reception of avery full collection of *authorities*, not in a flare of abridgment, as was the cale in the former edging and which could a very full collection of *authorities*, not in a flare of abridgment, as was the cale in the former edging and which could a very *batim* from the most approved original compilations, and waranged in the mode which appears eafieht for coulding-tion.

This First Volume, or Dickionary of Auchoritics, will

omprehend, 1ft. The ancient Marine Ordinances of the foreign that of Europe: which form the *common law* of Infarance. A prefent it is unfortunate that a collection of these is teare

prefent it is unfortunate that a collection of these is tearce-ly to be found any where eliethan in that fraree and dear book, Magen's Elfay, in two volumes, 4to a.d. The Statute Law of Great-Britain in regar, to In-furances. The American legislatures have kickerto done nothing apon this fubjed. 3d. A very full collection of the reports of adjudged cafes in the contrist of England and Scotland, and of thole of the States of America fo far as they can be obtained. This will form by far the greateft as well as the mash im-portant part of the first volume. By means of his friends at the English bar, the compiler hopes to bring forward a number of reports of adjudged cafes never before pub-lifted, for as to make the ferenes on this fubject more com-plete than any now extant.

The ferror first state the terror of this tobject more cara-plete than any now extant. The ferrord volume will confift of an Infinitete, or Ele-mentary Treatife, on a plan fomething fimilar to that of the former edition; but with a great add tion of new mat-ter; fo as to extend this part of the work to about double the former first. A more practical arrangement will also be findical.

The whole will be attended with very full Indexes of the different parts.

Price to fubferibers fix dollars and one half for the two volumes in boards.

The work will be put to the prefs whenever a fulficient number of fulficriptions have been obtained to indemnify the publisher for the actual expense of publication.

53 Sulfpriptions will be received by Thomas Dolfon, and all the Bostfollers in Philad (phia. Jinuary 19.
