### PROPOSALS

FOR PUBLISHING BY SUBSCRIPTION,  
SKETCHES  
OF THE  
HISTORY OF THE UNITED STATES,  
From the peace of 1783, to the termination of the present Session of Congress.  
BY MATHEW CAREY.  
CONDITIONS.  
I. This work will be comprised in two or three octavo volumes, each about 400 pages.  
II. The price to subscribers will be two dollars per volume, handsomely bound.  
III. No money will be required till the volumes are delivered.  
IV. Should any of the subscribers disapprove of the work when complete, they may decline receiving it.  
V. It is expected to be ready for press in the spring of 1797.  
VI. As soon after the above time, as one thousand copies are subscribed for, the printing shall commence, and shall be finished as speedily as possible.  
VII. Subscriptions received by the Author, No. 118, Market-street, and by the chief Bookellers, throughout the United States.  
TO THE PUBLIC.  
THE object of the proposed work, is, to present to public view a connected series of the chief events of a period of American history, that does not yield, in importance, to any period of equal length, in the peaceful annals of any country in the world.  
Desiring to excite no expectations but such as he shall endeavour to satisfy, the writer is thus early in announcing, that the body and confidence of a regular history, is not to be looked for in this work: neither his talents nor his avocations allow him to hope for this. His humble task shall be to sketch out the most prominent features. It shall be his study to collect and arrange the most interesting materials—to smooth the rugged path—for abler hands, who, by such means, will find their labours abridged, and their progress accelerated.  
His chief view will be, to give the History of the United States as a confederated Republic. Nevertheless, notice will be taken of the most remarkable circumstances in the history of the individual States, as far as they can be collected. This information shall be classed under separate appendices.  
The Author solicits the assistance of such Gentlemen as may be possessed of documents calculated to promote the execution of his plan. They shall be received with due gratitude—carefully preserved—and safely returned.

16,729 Prizes.  
33,261 Blanks.  
50,000 Tickets, at Eight Dollars, 40,000

N. B. To favour those who may take a quantity of Tickets, the prize of 40,000 dollars will be the LAST drawn ticket, and the 30,000 the LAST but one.  
And approved notes, securing payment in either money or prizes, in ten days after drawing, will be received for any number not less than 30 tickets.  
This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington.  
Two beautiful designs are already selected for the entire front on two of the public squares; from these drawings, it is proposed to erect two centre and four corner buildings, as soon as possible after this Lottery is sold, and to convey them when complete, to the fortunate adventurers, in the manner determined in the scheme for the Hotel Lottery. A net deduction of five per cent. will be made to defray the necessary expenses of printing, &c. and the surplus will be made a part of the fund intended for the National University, to be erected within the City of Washington.  
The drawing will commence as soon as the Tickets are sold off. The money prizes will be payable in thirty days after it is finished, and any prize for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the fund for the University, it being determined to settle the whole business in a year from the ending of the drawing and to take up the bonds given as security.  
The real securities given for the payment of the Prize are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the Lottery.  
The twenty four gentlemen who by appointment of the late Commissioners assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.  
By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been sent for sale, the public are assured that the drawing will speedily commence, and that the care and caution unavoidably necessary to insure a safe disposal of the tickets, has rendered the labor superfluous and indispensable.  
SAMUEL BLODGET.

\* \* Tickets may be had at the Bank of Columbia; of James Welf & Co. Baltimore or Gideon Denion, Savannah, of Peter Gilman, Boston; of John Hopkins Richmond; and of Richard Wells, Cooper's street.
