SPECIMEN OF ELEGANT PRINTING.
John Thompson & Abr. Small,
RESPECTFULLY inform such persons as admire, and would wish to encourage any improvement in those arts, which are an ornament to a state; that after much expense and great attention, they have printed for public inspection, the first number of their newly FINISHED

Hot-Pressed BIBLE,
Which they believe to be the most beautiful production of its nature, hitherto seen.
Similar works in Europe have for some years been liberally patronized—they have had an honorable place in the libraries of men of taste—the present production is an attempt to show, that in America, works can be executed in every respect equal to the efforts of trans-atlantic genius. From the warm approbation that has been bestowed on it by some of the best characters, the proprietors are warranted in saying, they have been successful.
It claims patronage as being wholly American—the paper, by far the best ever used here, in printing, is made within a few miles of this city—the types, which are truly beautiful, are also American—and the whole apparatus for hot pressing, has been procured from different parts of the Union: It is also the CHEAPEST HOT-PRESSED BIBLE ever printed in any country. The first number may be inspected at No. 34, Carter's alley; or at No. 98, Union street.
It is proposed to deliver the whole in Forty Numbers, at One Half Dollar each—one of which will be completed every two weeks.
April 25. 22w & 3w.

A Printing-Office for Sale.
CONSISTING OF
A good assortment of Types, the greater part of which are but little worn, a good mahogany Press, with the different Printing Materials, in complete order for executing any kind of work. The situation is very eligible, either for a newspaper or book-work, being in a pleasant, well populated city, within 30 miles of Philadelphia. There is also a very considerable advantage arising from the numerous applications for blanks and the general influx of advertisements, &c. &c. and a handsome profit derived from the great quantity of Rags which may be collected throughout the year.
A complete set of cuts for Dilworth's Spelling-Book.
Likewise will be sold with the office, a large book-binders' Press, (used for pressing books in sheets) together with a number of bookbinders' tools, almost new.
Any person inclining to purchase the above, may have the refusal of a handsome collection of books, bound and in sheets.—They will be sold very low.
For the price, and further particulars, enquire at No. 24, north Third-street, where a specimen of the types may be seen.

PROPOSALS
FOR PUBLISHING BY SUBSCRIPTION,
SKETCHES
OF THE
HISTORY OF THE UNITED STATES,
From the peace of 1783, to the termination of the present Session of Congress.
BY MATTHEW CAREY.
CONDITIONS.
I. This work will be comprised in two or three octavo volumes, each about 400 pages.
II. The price to subscribers will be two dollars per volume, handsomely bound.
III. No money will be required till the volumes are delivered.
IV. Should any of the subscribers disapprove of the work when complete, they may decline receiving it.
V. It is expected to be ready for press in the Spring of 1797.
VI. As soon after the above time, as one thousand copies are subscribed for, the printing shall commence, and shall be finished as speedily as possible.
VII. Subscriptions received by the Author, No. 118, Market-street, and by the chief Bookellers throughout the United States.
TO THE PUBLIC.
THE object of the proposed work, is to present to public view a connected series of the chief events of a period of American history, that does not yield, in importance, to any period of equal length, in the peaceful annals of any country in the world.
Desiring to excite no expectations but such as he shall endeavour to satisfy, the writer is thus early in announcing, that the body and consistence of a regular history, is not to be looked for in this work: neither his talents nor his avocations allow him to hope for this. His humbler talk shall be to sketch out the most prominent features. It shall be his study to collect and arrange the most interesting materials—to smooth the rugged path—for able hands, who, by such means, will find their labours abridged, and their progress accelerated.
His chief view will be, to give the History of the United States as a confederated Republic. Nevertheless, notice will be taken of the most remarkable circumstances in the history of the individual States, as far as they can be collected. This information shall be classed under separate appendices.
The Author solicits the assistance of such Gentlemen as may be possessed of documents calculated to promote the execution of his plan. They shall be received with due gratitude—carefully preserved—and safely returned, February 9. 1795w.

NOTICE,
AGREABLY to charter, is hereby given to the Members of the Corporation for the relief of poor and distressed Presbyterian Ministers, and of the poor and distressed Widows and Children of Presbyterian Ministers, that there will be a Meeting of said Corporation in the second Presbyterian Church, in the city of Philadelphia, on the 23d day of May next, at 4 o'clock, A. M. for the dispatch of all such business as may then be brought before the board.

50,000 Tickets, at Eight Dollars, 400,000

N. B. To favour those who may take a quantity of Tickets, the prize of 40,000 dollars will be the last drawn ticket, and the 30,000 the LAST BUT ONE.
And approved notes, securing payment in either money or prizes, in ten days after drawing, will be received for any number not less than 30 tickets.
This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington.—Two beautiful designs are already selected for the entire front of two of the public squares; from these drawings, it is proposed to erect two centers and four corner buildings, as soon as possible after this Lottery is sold, and to convey them when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A net deduction of five per cent. will be made to defray the necessary expenses of printing, &c. and the surplus will be made a part of the fund intended for the National University, to be erected within the City of Washington.
The drawing will commence as soon as the Tickets are sold off.—The money prizes will be payable in thirty days after it is finished, and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed are to be considered as given towards the fund for the University, it being determined to settle the whole business in a year from the ending of the drawing and to take up the bonds given as security.
The real securities given for the payment of the Prize are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the Lottery.
The twenty four gentlemen who by appointment of the late Commissioners assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.
By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been sent for sale, the public are assured that the drawing will speedily commence, and that the care and caution unavoidably necessary to insure a safe disposal of the tickets, has rendered the hour suspension indispensable.
SAMUEL BLODGET.

* * Tickets may be had at the Bank of Columbia; of James West & Co. Baltimore or Gideon Denton, Savannah, of Peter Gilman, Boston; of John Hopkins Richmond; and of Richard Wells, Cooper's ferry.

Bar-Iron Manufactory.
TO BE SOLD,
On reasonable terms and convenient payments, a new **FOUR FIRE FORGE,**
Advantageously situated on the river Walkill, in the county of Suffolk, and state of New-Jersey, and distant one mile and a half from Sharp's Furnace; the Forge lot contains twenty-eight acres of land, on which are four good houses for the workmen, with lots adjoining for gardens, two large coal-houses, a black-smith's and carpenter's shop, and also a commodious dwelling-house, with a good cellar and garden for a Manager, and a Store adjoining of twenty feet square. The buildings are new, and the works in good repair, and now in full business, and fully supplied with stock and the necessary workmen; woodland for coaling, sufficient to afford a never failing supply and lying convenient, will be sold with the Forge, or wood supplied on contract by the cord, as may best suit the purchaser. If desired, a FARM adjoining the Forge, of 150 or 200 arable and meadow land, with a good orchard, and convenient buildings, will be sold to accommodate the Forge: And also, a four-horse team, coal and other waggons, and implements of every kind to carry on the works.
