**LAND for sale.**

ANY gentleman desirous of purchasing Land, in the vicinity of the city of Washington, may now be accommodated with a situation combining advantages as to health, soil, and prospect, not equalled perhaps in America.  
The subscriber has for sale from 100 to 380 acres of land, lying within 1-4 mile of the city of Washington, 2 1-2 from the President's Square, (from which it bears about N. by E.) and 3 1-4 miles from the Capitol. It bears nearly W. from the westernmost spring of the head waters of the Tiber, distant therefrom about 1-3 of a mile. The situation is remarkably healthy, and every part of the land is well watered—has great abundance of the choicest fruit: about 80 acres are in wood, and there are about 50 acres of meadow-ground, great part thereof can be watered, and the whole laid down in Timothy-grass at a small expense. There are several beautiful eminences on it: one of the heights commanding a most beautiful and extensive prospect.—To the south, you have a full view of the city of Washington, the town of Alexandria, and the river Potomac, as far as the eye can reach. To the north, a full view of the Sugar-Loaf Mountain, distant about 35 miles, with the surrounding country.—To the West, a very extensive view of the lands in Virginia: the whole forming a grand rural Amphitheatre. Any person inclined to purchase, will find on viewing the situation, that the Landscape is far superior to the sketch given of it in this advertisement. For price, &c. apply to the subscriber, living on the premises, or to George Walker, Esq. now in Philadelphia.

38,261 Blanks.  
50,000 Tickets, at Eight Dollars, 400,000

N. B. To favour those who may take a quantity of Tickets, the prize of 40,000 dollars will be the LAST drawn ticket, and the 30,000 the LAST but ONE.  
And approved notes, securing payment in either money or prizes, in ten days after drawing, will be received for any number not less than 30 tickets.  
This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful designs are already selected for the entire fronts on two of the public squares; from these drawings it is proposed to erect two centre and four corner buildings, as soon as possible after this lottery is sold, and to convey them, when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A net deduction of five per cent. will be made to defray the necessary expenses of printing, &c. and the surplus will be made a part of the fund intended for the National University, to be erected within the city of Washington.  
The Drawing will commence as soon as the tickets are sold off.—The money prizes will be payable in thirty days after it is finished; and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the fund for the University; it being determined to settle the whole business in a year from the ending of the drawing, and to take up the bonds given as security.  
The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the lottery.  
The twenty four gentlemen who by appointment of the late Commissioners assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of those having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.  
By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been sent for sale, the public are assured that the drawing will speedily commence, and that the care and caution unavoidably necessary to insure a safe disposal of the tickets, has rendered the short suspension indispensable.  
SAMUEL BLODGET.  
Tickets may be had at the Bank of Columbia; of James Welt & Co. Baltimore; of Peter Gilman, Boston; of John Hopkins, Richmond; and of Richard Wells, Cooper's Ferry.

**Urbanna Mill Seats,**

**SITUATE** in Cecil county, Maryland, on the banks of the river Susquehanna, about one mile above tide water, and commanding the water of that important river, the channel conducting the trade of which comes so near the Mill Seats as to make it convenient to speak the boats; and Mills may be so situated as to receive them along their walls, and by water lift take in their cargoes.  
There is a power sufficient for many and any kind of useful Water Works, and so much may be justly said in commendation of this Site as would be inconvenient to infer in a newspaper publication.  
Those who may desire to be concerned, will probably find themselves well pleased on viewing the situation.  
Leaves for any term of years may be obtained on application to the subscriber, living on the premises.
