 16,739 Prizes.
 33,261 Blanks.
 50,000 Tickets, at Eight Dollars, 40,000

N. B. To favour those who may take a quantity of Tickets, the prize of 40,000 dollars will be the LAST drawn ticket, and the 30,000 the LAST but ONE.
 And approved notes, securing payment in either money or prizes, in ten days after drawing, will be received for any number not less than 30 tickets.
 This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful designs are already selected for the entire front on two of the public squares; from these drawings it is proposed to erect two centre and four corner buildings, as soon as possible after this lottery is sold, and to convey them, when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A net deduction of five per cent. will be made to defray the necessary expenses of printing, &c. and the surplus will be made a part of the fund intended for the National University, to be erected within the city of Washington.
 The drawing will commence as soon as the tickets are sold off.—The money prizes will be payable in thirty days after it is finished; and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the funds for the University; it being determined to settle the whole business in a year from the ending of the drawing, and to take up the bonds given as security.
 The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the lottery.
 The twenty-four gentlemen who by appointment of the late Commissioners assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.
 By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been sent for sale, the public are assured that the drawing will speedily commence, and that the care and caution unavoidably necessary to insure a safe disposal of the tickets, has rendered the issue suspension indispensable.
SAMUEL BLODGET.
 Tickets may be had at the Bank of Columbia; of James Well & Co. Baltimore; of Peter Gilman, Boston; of John Hopkins, Richmond; and of Richard Wells, Cooper's Ferry.

General Post Office, Philadelphia,
 March 16, 1796.
WHEREAS sundry Letters, transmitted in the Mails of the United States, to and from Norfolk, in the State of Virginia, were opened, and Bank Notes of several denominations fraudulently taken from them at York, in the State aforesaid, in the months of October, November and December last: and whereas a part of said notes and some cash have been recovered and are now in possession of the Post Master General. In order therefore that such Bank Notes as shall be identified may be restored to the owners thereof, and that the remaining notes and cash be equitably distributed among those who are entitled to them. **NOTICE IS HEREBY GIVEN** to all persons who have suffered by such fraudulent practices, within the period, and on the route aforesaid, to exhibit their claims without delay, supported by such reasonable proofs as may be necessary to substantiate them: Such notes as shall be identified will be received by application to the General Post Office, on or before the first day of July next; and the residue of such cash and notes will then be divided among the claimants in proportion to their respective losses, to be ascertained by the necessary proofs, which on or before that day shall be produced to the General Post Office.

Urbanna Mill Seats,
SITUATE in Cecil county, Maryland, on the banks of the river Susquehanna, about one mile above tide water, and commanding the water of that important river, the channel conducting the trade of which comes to near the Mill Seats as to make it convenient to speak the boats; and Mills may be so situated as to receive them along their walls, and by water lifts take in their cargoes.
 There is a power sufficient for many and any kind of useful Water Works, and so much may be justly said in commendation of this Site as would be inconvenient to insert in a newspaper publication.
 Those who may desire to be concerned, will probably find themselves well pleased on viewing the situation.
 Leases for any term of years may be obtained on application to the subscriber, living on the premises.

War-Office of the United States,
 May 4th, 1796.
THE following Rules, explanatory of those published the 15th February, 1789, are to be observed by all persons entitled to Lands, in pursuance of resolves of Congress.
 Every certificate of the acknowledgment of a deed or power of attorney, either before a notary public or other magistrate, must, in addition to what is usual, set forth that the person making the acknowledgment is known to the notary or other magistrate; for which purpose words of the following import must be inserted in the certificate.
 "And I do moreover certify that the said A B making this acknowledgment has been for personally known to me."
 If the notary or other magistrate has reason to believe that he is the person he represents himself to be, he will also certify.
 And if the proof be made by a witness or witnesses, he or they must swear to some general state of their knowledge of him, which matter must be set forth in the certificate; and the notary public, or other magistrate, before whom the acknowledgment is made, must also set forth that the witness or witnesses has or have been for upwards of personally known to him.
 If a justice of the peace or county clerk certify that such person is a justice of the peace of the county or corporation as the case may be, and that full faith is due to his acts as such.

LAND for sale.
ANY gentleman desirous of purchasing Land, in the vicinity of the city of Washington, may now be accommodated with a situation combining advantages as to health, soil, and prospect, not equalled perhaps in America.
 The subscriber has for sale from 100 to 380 acres of land. It lies within 1 1/4 mile of the city of Washington, 1/2 to 2 from the President's Square, (from which it bears about N. by E.) and 3 1/4 miles from the Capitol. It bears nearly W. from the westernmost spring of the head waters of the Tiber, distant therefrom about 1-3 of a mile. The situation is remarkably healthy, and every part of the land is well watered—has great abundance of the choicest fruit: about 30 acres are in wood, and there are about 50 acres of meadow-ground, great part thereof can be watered, and the whole laid down in Timothy-grass at a small expense. There are several beautiful eminences on it: one of the heights commanding a most beautiful and extensive prospect.—To the south, you have a full view of the city of Washington, the town of Alexandria, and the river Potomac, as far as the eye can reach. To the north, a full view of the Sugar-Loaf Mountain, distant about 35 miles, with the surrounding country.—To the West, a very extensive view of the lands in Virginia: the whole forming a grand rural Amphitheatre. Any person inclined to purchase, will find on viewing the situation, that the Landscape is far superior to the sketch given of it in this advertisement. For price, &c. apply to the subscriber, living on the premises, or to George Walker, Esq. now in Philadelphia.

A Printing-Office for Sale.
 CONSISTING OF
 A good assortment of Types, the greater part of which are but little worn, a good mangany Press, with the different Printing Materials, in complete order for executing any kind of work. The situation is very eligible, either for a newspaper or book-work, being in a pleasant, well populated city, within 30 miles of Philadelphia. There is also a very considerable advantage arising from the numerous applications for blanks and the general influx of advertisements, &c. &c. and a handsome profit derived from the great quantity of Rags which may be collected throughout the year.
 A complete set of cuts for Dilworth's Spelling-Book. Likewise will be sold with the office, a large bookbinders' Press, (used for pressing books in sheets) together with a number of bookbinders' tools, almost new.
 Any person inclining to purchase the above, may have the refusal of a handsome collection of books, bound and in sheets.—They will be sold very low.
 For the price, and further particulars, enquire at No. 24, north Third-street, where a specimen of the types may be seen.
