FOR SALE,
A very Valuable Estate,
CALLED TWITTENHAM, situate in the
township of Upper Derby, and county of Delaware,
7 1-2 miles from Philadelphia, and half a mile from the
new Western road; containing 230 acres of excellent land,
45 of which are good watered meadow, 90 of prime wood-
land, and the rest arable of the first quality. There are
on the premises a good two story brick house, with 4 rooms
on a floor, and cellars under the whole, with a pump-well

vicinity to the city, it is very suitable for a gentleman's
country seat.

LAND for sale.
ANY gentleman desirous of purchasing Land, in the
vicinity of the city of Washington, may now be
accommodated with a situation combining advantages as to
health, soil, and prospect, not equalled perhaps in Amer-
ica.
The subscriber has for sale from 100 to 380 acres of land.
It lies within 1 1-4 mile of the city of Washington, 2 1-2
from the President's Square, (from which it bears N. by
N. E.) and 3 1-4 miles from the Capitol. It bears
nearly W. from the westernmost spring of the head waters
of the Tiber, distant therefrom about 1-8 of a mile. The
situation is remarkably healthy, and every part of the
land is well watered—has great abundance of the choicest
fruit: about 80 acres are in wood, and there are about 50
acres of meadow-ground, great part thereof can be wa-
tered, and the whole laid down in Timothy-grass at a small
expense. There are several beautiful eminences on it: one
of the heights commanding a most beautiful and extensive
prospect.—To the south, you have a full view of the city
of Washington, the town of Alexandria, and the river
Potomac, as far as the eye can reach. To the north, a
full view of the Sugar-Loaf Mountain, distant about 35
miles, with the surrounding country.—To the West, a ve-
ry extensive view of the lands in Virginia: the whole
forming a grand rural Amphitheatre. Any person inclin-
ed to purchase, will find on viewing the situation, that the
Landscape is far superior to the sketch given of it in this
advertisement. For price, &c. apply to the subscriber,
living on the premises, or to George Walker, Esq. now
in Philadelphia. JOHN THO: BOUCHER.

GEORGE HUNTER,
CHEMIST,
No. 114 South Second Street,
HAS for these two years past introduced a new species
of PERUVIAN BARK, called YELLOW
BARK, which after repeated trials by the principal
Physicians of this city, is now preferred in all cases of
importance that require it, to the best Red and Pale
Bark. It is a powerful Astringent Bitter, it swells on
the stomach, is certain in its effects, and requires only
half the usual quantity for a dose.
Many of the citizens of Philadelphia are now ac-
quainted with its virtues, the knowledge of which
ought to be extended over the Union. He has a large
supply of the Yellow Bark, and a general assortment of
Drugs, Colours, Glafs, Dye Stuffs, &c.
LIKEWISE,
Salt Petra, Jalap, and Camphor,

Urbanna Mill Seats,
SITUATE in Cecil county, Maryland, on the banks of
the river Susquehanna, about one mile above tide wa-
ter, and commanding the water of that important river,
the channel conducting the trade of which comes to near
the Mill Seats as to make it convenient to speak the boats,
and Mills may be so situated as to receive them along their
walls, and by water-lifts take in their cargoes.
There is a power sufficient for many and any kind of
useful Water Works, and so much may be justly said in
commendation of this Site as would be inconvenient to
insert in a newspaper publication.
Those who may desire to be concerned, will probably
find themselves well pleased on viewing the situation.
Leaves for any term of years may be obtained on ap-
plication to the subscriber, living on the premises.

N. B. To favour those who may take a quantity of
Tickets, the prize of 40,000 dollars will be the LAST drawn
ticket, and the 30,000 the LAST but one:
And approved notes, securing payment in either money
or prizes, in ten days after drawing, will be received for
any number not less than 50 tickets.
This Lottery will afford an elegant specimen of the pri-
vate buildings to be erected in the City of Washington—
Two beautiful designs are already selected for the entire
fronts on two of the public squares: for these drawings
it is proposed to erect two centre and four corner buildings,
as soon as possible after this lottery is sold, and to convey
them, when complete, to the fortunate adventurers, in
the manner described in the scheme for the Hotel Lottery.
A net deduction of five per cent. will be made to defray
the necessary expenses of printing, &c. and the surplus
will be made a part of the fund intended for the National
University, to be erected within the city of Washington.
The drawing will commence as soon as the tickets are
sold off.—The money prizes will be payable in thirty days
after it is finished; and any prizes for which fortunate
numbers are not produced within twelve months after the
drawing is closed, are to be considered as given towards
the fund for the University; it being determined to settle
the whole business in a year from the ending of the draw-
ing, and to take up the bonds given as security.
The real securities given for the payment of the Prizes
are held by the President and two Directors of the Bank
of Columbia, and are valued at more than half the
amount of the lottery.
The twenty four gentlemen who by appointment of
the late Commissioners assisted in the management of the
Hotel Lottery are requested to undertake this arduous task
a second time on behalf of the public; a sufficient num-
ber of them having kindly accepted, it is hoped that the
friends of a National University and the other federal ob-
jects may continue to favor the design.
By accounts received from the different parts of the
Continent as well as from Europe, where the tickets
have been sent for sale, the public are assured that the
drawing will speedily commence, and that the care and
caution unavoidably necessary to insure a safe disposal of
the tickets, has rendered the short suspension indispensa-
ble.
SAMUEL BLODGET.

Tickets may be had at the Bank of Columbia; of
James West & Co. Baltimore; of Peter Gilman, Boston;
of John Hopkins, Richmond; and of Richard Wall
Cooper's Ferry.
