FOR SALE,  
A very Valuable Estate,  
CALLED TWITTENHAM, situate in the township of Upper Derby, and county of Delaware, 7-1/2 miles from Philadelphia, and half a mile from the new Western road; containing 230 acres of excellent land, 45 of which are good watered meadow, 90 of prime woodland, and the rest arable of the first quality. There are on the premises a good two story brick house, with 4 rooms on a floor, and cellars under the whole, with a pump-well of excellent water in front; a large frame barn, stables, and other convenient buildings; a smoke-house and stone spring-house; two good apple orchards, and one of peaches. The fields are all in clover, except those immediately under the mill, and are so laid out as to have the advantage of water in each of them, which renders it peculiarly convenient for grazing.

The situation is pleasant and healthy, and from the high cultivation of the land, the good neighbourhood, and the vicinity to the city, it is very suitable for a gentleman's country seat.

The foregoing is part of the estate of Jacob Harman, deceased, and offered for sale by  
Mordcai Lewis,  
Surviving Executor.

LAND for sale.  
ANY gentleman desirous of purchasing Land, in the vicinity of the city of Washington, may now be accommodated with a situation combining advantages as to health, soil, and prospect, not equalled perhaps in America.

The subscriber has for sale from 100 to 380 acres of land, it lies within 1-1/4 mile of the city of Washington, 2-1/2 from the President's Square, (from which it bears about N. by E.) and 3-1/4 miles from the Capitol. It bears nearly W. from the westernmost spring of the head waters of the Potomac, distant therefrom about 1-1/2 of a mile. The situation is remarkably healthy, and every part of the land is well watered—has great abundance of the choicest fruit: about 80 acres are in wood, and there are about 50 acres of meadow-ground, great part thereof can be watered, and the whole laid down in Timothy-grass at a small expense. There are several beautiful eminences on it: one of the heights commanding a most beautiful and extensive prospect.—To the south, you have a full view of the city of Washington, the town of Alexandria, and the river Potomac, as far as the eye can reach. To the north, a full view of the Sugar-Loaf Mountain, distant about 35 miles, with the surrounding country.—To the West, a very extensive view of the lands in Virginia: the whole forming a grand rural Amphitheatre. Any person inclined to purchase, will find on viewing the situation, that the Land is far superior to the sketch given of it in this advertisement. For price, &c. apply to the subscriber, living on the premises, or to George Walker, Esq. now in Philadelphia. JOHN WALKER, BOUGHER.

GEORGE HUNTER,  
CHEMIST,

No. 114 South Second Street,  
HAS for the two years past introduced a new species of PERUVIAN BARK, called YELLOW BARK, which after repeated trials by the principal Physicians of this city, is now preferred in all cases of importance that require it, to the best Red and Pale Bark. It is a powerful Astringent Bitter, fits well on the stomach, is certain in its effects, and requires only half the usual quantity for its dose.

Many of the citizens of Philadelphia are now acquainted with its virtues, the knowledge of which ought to be extended over the Union. He has a large supply of the Yellow Bark, and a general assortment of  
Drugs, Colours, Glass, Dye Stuffs, &c.

Urbanna Mill Seats,

SITUATE in Cecil county, Maryland, on the banks of the river Susquehanna, about one mile above tide water, and commanding the water of that important river, the channel conducting the trade of which comes so near the Mill Seats as to make it convenient to speak the boats, and Mills may be so situated as to receive them along their walls, and by water direct take in their cargoes.

There is a power sufficient for many and any kind of useful Water Works, and so much may be justly said in commendation of this Site as would be inconvenient to insert in a newspaper publication.

Those who may desire to be concerned, will probably find themselves well pleased on viewing the situation. Leases for any terms of years may be obtained on application to the subscriber, living on the premises.

32,261 Blanks.  
30,000 Tickets, at Eight Dollars, 40,000

N. B. To favour those who may take a quantity of Tickets, the prize of 40000 dollars will be the LAST drawn ticket, and the 30,000 the LAST but one.

Prizes approved notes, securing payment in either money or kind, in ten days after drawing, will be received for any number not less than 30 tickets.

This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful designs are already selected for the entire fronts on two of the public squares; in their drawings it is proposed to erect two centre and four corner buildings, as soon as possible after this lottery is sold, and to convey them, when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A net deduction of five per cent. will be made to defray the necessary expenses of printing, &c. and the surplus will be made a part of the fund intended for the National University, to be erected within the city of Washington.

The Drawing will commence as soon as the tickets are sold off.—The money prizes will be payable in thirty days after it is finished; and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed, are to be considered as given towards the fund for the University; it being determined to settle the whole business in a year from the ending of the drawing, and to take up the bonds given as security.

The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the lottery.

The twenty four gentlemen who by appointment of the late Commissioners assisted in the management of the Hotel Lottery are requested to undertake this arduous task a second time on behalf of the public; a sufficient number of these having kindly accepted, it is hoped that the friends to a National University and the other federal objects may continue to favor the design.

By accounts received from the different parts of the Continent as well as from Europe, where the tickets have been sent for sale, the public are assured that the drawing will speedily commence, and that the care and caution unavoidably necessary to insure a safe disposal of the tickets, has rendered the short suspension indispensable.

SAMUEL BLODGET.  
5. Tickets may be had at the Bank of Columbia; of James West & Co. Baltimore; of Peter Gilman, Boston; of John Hopkins, Richmond; and of Richard Wells, Cooper's Ferry.
