THE MONEY MARKET.

PRILADELFEIA, September 19, 1857;

The week which ends to day will be long rememb nos of The Press.] as the most gloomy and disastrous which the brainest men of Philadelphis have experienced for very many years There has rarely been arhibited, in the annals of ' [Correspondence of The Press.] Naw Yonz; Sept. 19, 1857-5.20 P. M. Although it must be said that the facilities to ob-tain money are for less than the demand for it, there can be no doubt that the severity of the pres-sure is much relieved, and that for the last four days (since Thesday) things have been better; and i would say "easier," could i state that there is any material alteration in the rates of discount from their exorbitant height. So long as "gilt-cidged" paper can be long that 14 and 15 per cent.; first, class endorsed at 15 a 18 percent, and what is entitled to be considered good paper at 20 to 30 rcantile intercourse, a more total lack of confide and gennrous support than has just been witnessed in and generous support than has just been whenever a our city, and the only wonder of a disinterested looker, on is that our business men have not made a movement, similar to that of the banks in 1837, looking to a united determination to demand an extension of their pay-ments for a short period of time.

BY THE PILOT LINE.

LETTER FROM NEW YORK.

Mortal man couldn't stand it. They bought up their own obligations, maturing from thirty days to six months hence, and all those notes, acceptances, &c., that usually load down our importers and Jobbers from he middle of October to the end of the year, are goos, bought up, cancelled, never more to be heard of. We nave bought future ease at the price of present tightess. We have paid and are paying dear for our whistle. out we shall have the whistle. There will be very little ue to New York on the 4th of November next salance will be heavily against her. Let no one be cas down by apprehension of the November nevments Th

Good name in man or woman Is the immediate jewel of their souls. Who steals my pures steals trash; Tis something, nothing: Twas mine, dis his, and has been slave to thous sands: Bat he that flokes me by good name Robs me of that which not enriches him, And makes me poor indeed."

One word more of counsel to our friends Bs not alarmed! Most of those who hav been compelled to yield to the pressure of the limes show a large surplus. Their collections have failed to come in as they had anticipated, and in this wise they have become embarrassed and compelled to stop But the wealth of the country remains alinest intact, and our resources are undiminished. Our embarrassments, we firmly believe, are only temporary. At no former period of general distress has there been so small an amount of actual bankruptcy. We have suspensions and failures, but the exhibits show that there is enough to pay all, and that actual bankruptoy is the exception, not the rule. Our industrial interests, thus far, we are glad to know, have suffered but little, while the heart glows with pride, and with gratitude to God, in contem-plating the vast yields of 'our golden harvests plating the vast yields of 'our golden harvests attended by corresponding evil. The lightning throughout the country. Agriculture, the and the tempest purify the elements, but, at the wealth and the happiness of pations, again comes to rescue trade and commerce and industry from the evils of which we complain, Let us be of rood cheer, and stout of heart. and firm of will, let us face our difficulties and overcome them.
