in this city. THE PRESS commands not only a ready but a rapid sale.

That we are proud of, and grateful for, this success, we need not say. But we are mainly so, because we have endeavored to redeem th promise made in our first proposal to the people. We have labored to make a thorough iewspaper; to exclude all coarse and repulsive language; to maintain and to teach a manly and dignified tone; to spare no exertions to

their work to the sorating and judgment of the convention to submit people is a tacit admission that it is unaccopta-ble to them—if it is what they need and desire, they would have approved it; if not, it should not be imposed upon them. utions, which lie over for future consideration Resolved by the Senate, That in consideration : Resolved by the Senate, That in consideration of the financial condition of the country, and its industrial interest, as well as of the wants and embarrassuments of the treasury of the United States, the rates of duty levied under the tariff states, the rates of duty levied under the tariff states, the rates of duty levied under the tariff States, the rates of duty levied under the tariff act of the 3d of March, 1857, ought to be materially

be imposed upon them. 8. That we recognise the right of the people of all the Territories, including Kansas and Ne-braska, acting through the legally and fairly appressed, will of a majority of the actual resi-dents, and whenever the number of their inhabi-itants justifies it, to form a Constitution, with or without domestic slavery, and be admitted into the Union on terms of perfect equality with the other States. act of the 3d of March, 1837, ought to be materially increased. *Resolved further*, That experience having de-monstruised that the present mode of assortialning the dutiable value of imported goods is productive of monstrous frauds, injurious alike to the Govern-ment and the honest inporter, a system of home valuation ought to be immediately substituted therefor. The Administration, however, has published its

decided opposition to any modification of the tariff t this time. The President has sont into the Senate a batch

party. 12. That these resolutions, embracing the unan-imous sentiment of the Democratic party of Arm-strong county, he published in all the Democratic papers of this Congressional district, the Daily Union of Pittsburgh, and The Press of Philadel-phia.—Armstrong, Pa., Democrat.

SPEECH OF MR. COX, OF OHIO. The extract from the speech of the young been ordered for Oregon and Washington 'fer-nd eloquent Representative in Congress from ritories, which do not possess one-tenth part of the Columbus (Ohio) district, which is printed in THE PRESS of to-day, presents a new point to the advocates of "the will of the majority' n'Kansas. His argument on that part of the

B. Ashton. We have at-cease of Albert B. Ashton, Solect Council for the Third general distress, when the people are equally in-bloch. general distress, when the people are equally in-volved in trouble because of bank contraction. made in the effort to avert bank insolvency. The

At half past 6 o'clock the Senate adjourned. HOUSE OF REPRESENTATIVES. The HOUSE OF REPRESENTATIVES. The Iouse resumed the consideration of Mr. Bennett's (N. Y.) resolution, providing for the ap-pointment of a special committee to take into fie Railrond. Mr. BARKNALE, of Mississippi, made an unmo-cessful motion to table the resolution, the ballod resulting in 94 yeas and 99 nays. Soveral incidental questions were determined by sea and nay votes. Mr. FLORENCE, of Ponnsylvania, said that the Hause had evidentes in the pressilice is the special incommodore of the original members. It is businest life commodore line americal is a special incommodore of the original members. Mr. J. GLANCEY JONES, of Pennsylvania, er-plained the provisions of the bill, which, he said the Independence, Potomac, and Date, and other fuce and acover to obtain a vote upon the bill or would endeavor to obtain a vote upon the bill of the fact that there are two sorts of Demoratic on theoretical, who will have nothing but gold and silver as ourrency; the other precised, who will have anything they can got, and now ask for treasury notes. Mr. BANKS, of Massachusetts, remarked that statesmech, at all times, had asserted that a resort out faoretical, who will have nothing but gold and silver use of rolied could be resorted. Mr. BANKS, of Massachusetts, remarked that statesmech, at all times, had asserted that a resort outain of the are two sorts of Demory and the treasury notes. Mr. BANKS, of Massachusetts, remarked that statesmech, at all times, had asserted that a resort outain of the ther measure of rolied could botain elioi except through treasury and approtion of the second at the time of his death. Mr. BANKS, of Massachusetts, remarked that statesmech, at all times, had asserted that a resort outain or blain reliof except through treasury and approtion of the second at the time of his death. The mathematical the for the provision of the sevend at the service of the obtained. It is not true tha offenders escape from the penalty of violating the obligations upon which their creation was conditioned, because Legislatures are told that the exac tion of this penalty will work harm to the people, and relief laws are enseted by wholesale without inquiring as to how many of the recipients deserve leniency, how many are solvent, or whether they are in distress because of their own misdeeds those of their fellows. It almost invariably hannens, too, that the relief thus extended benefits he delirquents, the banks, and not their creditors, and the faith of the people in State laws, for the regulation of banking, has been not merely

shaken-it is entirely dissipated Under these circumstances, the country hails, as opportune in the extreme, the commergation of the Administration that Congress shall page a compulsory bankrupt law, prospective in it opera-tion, which shall first allow time for all such corporations now in default to place themselves in a proper position, and then rigidly enforce the pe-nalty et dissolution upon any future errors or ex-proper position, and then rigidly enforce the performance in the vertex of the second of the distribution upon any future errors or to the second seco

Ings of regres and source among his wide circle of acquaintances. If Achton was buried on Saturday afternoon, from his late residence, Ninth street, below Fitz-water. The funeral was attended by the Select and Common Connells of the city, by Lodge No. 3. A. Y. M., Shiloh Lodge, I O. ef O. F. the Washington Literary Association, Trustees of the Odd Fellows' Hall, Moyamensing, and a large number of personal friends.

Freentum to exceed ances are ill of 1816 s engaged remarked r with the gas are welling of Mr. Samuel S. Wallace, No. 2022 Market street, and occupied by Mr. W., was set on fire and destroyed. The horses were saved The fames communicated to the dwelling of Mr. Wallace, and also to the shop and dwelling of Samuel Hope, No. 2033, was fielded of standing of Samuel Hope, No. 2033, was fielded with water. The entire loss will probably not ex-ceed \$1,000. The fire was probably kindled by a gang of fire-runners, called "Badgers," who had a jollification in the neighborhood the night pre-vious. Fires .- On Saturday morning, about half-

the public dobts of the different States, we under-stand the Merchants' Bank is rendy to pay on the debt of Tennessee, and also on that of Alabama, and the Bank of America on the debt of Ken-tucky The halt-yearly interest on the debt of New York will be paid by the Manhattan Company Altogether, the interest upon no class of funded indebtdeness has been more punctually provided for in this seaton of embarrasment than on the bonds of the dilferent States. The aggregate prio-cipal, by the interest, chieffy provided for in this city, is not less than 55,721,510. The States where ened thas been least appreciated here were the first, this year, to place their Janna-ary interest in bank, and the legislate regarts the States where ened thas been least appreciated here were the first, this year, to place their Janna-ary interest in bank, and to legislate regarts the states where ened thas been least appreciated here were the first, this year, to place their Janna-ary interest in bank, and to legislate regarts the states where ened thas been least appreciated here were the first, this year, to place their Janna-ary interest in bank, and to legislate regarts the states where ened the legislate regarts the states where ened the legislate regarts the states where the first jank first states appreciated here were the first, this year, to place their Janna-ary interest in bank, and to legislate regarts the states where energy the states appreciated here were the first, this year, to place their Janna-ary interest in bank, and to legislate regarts the states where energing the states appreciated here were the first, this year, to place their Janna-ary interest in bank, and to legislate regarts the states where the first Jans where the states th - indebtedness has been more punctually provided for in this searcon of embarra-sment than on the bonds of the different States. The aggregate prin-chal, by the intert return, is '190,718,000, upon a which the January interest, chiefly provided for in this city, is not less than \$5,721,510. The States where credit has been least appreciated here where credit has been least appreciated here where the first, this year, to place their Janu-ary interest in bank, and to legislate regainst the possible contingency of future interest pay-iment.
