have collapsed. Mr. ULMAN, who has been the latest impressario in the Empire City, has heen combelled to close up, and the latest of distinguished from forms of government in which the will of the people is not represented. As, however, the crowning virtues of a Democracy, or representative government-which, to all practical purposes, amounts to the same thing-are that been the victim of a turn-out of the male it secures to all an equality of rights which, under every other form of government, is denied them.

RELIGIOUS INTELLIGENCE.

。1973年 - 京林 - 李建成建筑大型,安美和新了16岁之一,李建林的东部的人的时代。(1) 1993年 - 1993年 - 1994年 - 1994年 - 1994年 - 1994年 - 1994年 - 1994年

[For The Press.]

That Democracy should be popular with the masses of intelligent mankind everywhere; is not at all surprising, when we consider that under the sway of aristocratic rule the happiness of the manking has all surprising the same of that all surprising, when we consider that under the sway of aristocratic rule the happiness of the many has always been sacrificed to the licentious tyranny of the few. Democracy, technically depublic the following:
In view of the fact that firemen are too frequently made the subjects of undeserved censure and abuse, Mr. Heston quaintly remarks in his letter that, in his opinion, time might be better

LETTERS FROM CALIFORNIA. nce of The Press ] BAN FRANCISCO, Dec. 21, 1857. Nothing of very momentous interest has transpired in this region since my last letter was for warded heart. BEALE'S EXPEDITION.
Mr. Kirk has returned from the survey of the

care is a returned from the survey of the Careon valley route, and, I believe, he has already sent forward his report to Washington. He had some about out the Indians, but succeeded in the indiment of his duties. I am informed that he is about to di out another expedition, for the surrous of making further observation. purpose of making further observations. It may bo, however, that the Utah difficulties will occa-sion scho delay.

But the principal feature connected with these letter that, in his opinion, time might be better that in his opinion, time might be better that in his opinion, time might be better that the principal feature connected with those surveys is the arrival of Lieutenant Beale with his oamel and dromedary train. The appearance of the Assatic strangers excited the time might be better that in his opinion, time might be better that in his opinion with the first that it is not all the might be better that the might be be better that the

be as good, if not the best race on record. "Jim Barton" made the first beat in 2.321, which is good time in any country for tretters. Then comes "Now York," the pioneer tretter of California, once the property of "Corinthian Tom," of Porter's Spirit of the Times, making the unprecedented time for a sixth heat in 2.331, going to the half-mile in 1 134, and closely lapped by "Jim Barton." Below we give you a summary.
